## PUGET SOUND CONQUERS WILLAMETTE 9-6

### HOMECOMING FOR PUGET SOUND TO BE HELD NOV. 20

### Alumni Will Gather in Tacoma for Two-Day Celebration; a Peppy Program Promised

### Niteshirt Parade Friday Eve, Beanfeud, Game and Program Scheduled Saturday

Homecoming day will be one of the principal events at Puget Sound this year. On November 20, alumni of Puget Sound from all over the state, will hold a reunion on the campus. On this day the Logger grid team plays Pacific University. It is planned to have the students, past and present, unite on this occasion. In supporting the College. Walter Anderson and his committee, working with the alumni committee, has completed a program which promises interesting entertainment for graduates as well as those now attending college.

On the evening preceding Homecoming day, the students will gather at a bon-fire on the campus. From there they will go down town and have a night-shirt parade through the business district, giving notice of the coming contest with Pacific. It is expected that a downtown theatre will be the scene of the final pep rally. The committee intends to have some stunts on the program, in addition to the regular film.

At noon, on November 20, the traditional been feed for alumni and students will be held in the gym. The old students will have a chance to become acquainted with the progress of their college and to renew friendships of years past. The entire assembly will then begin an auto parade through the city, which will furnish at the Stadium in time for the game at 2:30. After the game, the graduates will have a banquet at some hotel in Tacoma, but will meet with the students again at 8:00 o'clock in the auditorium.

**Program at Night**  
The program of the evening will be the climax of the day's entertainment. The play production class is presenting three plays. In addition, Roy Sprague, Field Secretary and President of the alumni association, has announced an alumni stunt. There will also be talks from former students. Plenty of pep is promised, and the traditional Puget Sound spirit will be in evidence in celebrating the outcome of the game.

The two committees now working together to complete details for Homecoming are: for the students, Walter Anderson, chairman, Wendell Brown, Winifred Gynn, Crawford Turnbull, Evalyn Miller, and Meredith Smith; for the alumni, Mr. Sprague, chairman, Elizabeth Shackleford, and Mr. Swayze.

### CHRISTIANITY IS WORLD'S SAVIOR

Senator Davis delivered the chapel address on Monday and used as his subject, "Is right fighting a losing battle?"

When Christianity came into the world there were four helpless classes; slaves, debtors, children and women. The first of these classes has almost disappeared and the other three have been raised from their low station. Senator Davis also showed how the advance of civilization had brought about changes for the betterment of government, schools, labor and religion.

In referring to the opinion that there is more crime today than ever before, Senator Davis stated that more crime does not always indicate an increase in crime. It often only shows that what was considered proper formerly, has now been tabooed and made unlawful.

### LIKE PIE?

Home made pies! Pumpkin pies of golden brown, berry pies to be handled with care, custard pies, and apple pies!—All of "the kinds that mother used to make," if not better—

Students of Puget Sound will soon be privileged to devote an entire noon hour to experiencing the pleasures of "Little Jack Horner."

The Y. W. C. A. is to have a pie sale. At the reasonable price of ten cents per slice, one will be able to buy genuine homemade pie. The sale will be held at the Y. W. C. A. room at a date to be announced soon. The money earned will be used to increase the Y. C. A. Conference fund.

All lovers of good things to eat are advised to watch the student bulletin board for further announcement.

### SPLINTERS TO PLEDGE SPURS, PEP HONORARY

### NATIONAL ACCEPTS GROUP Will Be Installed As Fifth Chapter of Pep Organization

An announcement which caused a thrill in the heart of every member of The Ladies of The Splinter was made in Splinter meeting Thursday by Martha Ann Wilson, president of the organization, who stated that the pep group had been accepted as a member of Spurs, national women's pep order.

A letter was received some time ago from the Spurs' headquarters at Montana State College, asking for information about the Splinters. A list of the activities of the individual members was sent back, with notes on the work of the club. This material was carefully considered by the national officers before any decision was made.

Tuesday Miss Wilson received a telegram from Montana and a letter arrived Wednesday, stating that the local girls had been accepted by Spurs. The local chapter will be installed soon by the chapter at the University of Washington.

Spurs was established four years ago by Montana State College. There are four active chapters at the present time: Montana State College, Washington State College, University of Washington and University of Idaho. The fact that the College of Puget Sound will have a chapter of this national organization is an example of the progress that this college has made in the past few years.

Spurs is an honorary women's organization for sophomores only. Fifteen members will be taken in. Pledges are made from the freshmen at the end of the year and initiated at the first of the following college year.

In congratulating the Splinters on their acceptance, Miss Ruth Rutledge, secretary of the order, wrote: "I know you will prove to be one of our strongest Spur chapters, and we are mighty proud to have 'Ladies of the Splinter' become one of our national Spur organizations."

### BIESEN ELECTED TO LEGISLATURE FROM THURSTON

Chester Biesen, '25, was elected as a representative from Thurston county to the state legislature at the election held last week. Biesen placed second in the race, defeating three other candidates for the place. He is 22 years old, and is the youngest member the state legislature has ever had.

At Puget Sound Biesen was one of the most active members of his class. He was president of Amphictyon Literary Society one semester, member of Sigma Mu Chi fraternity, vice president of the junior class, a varsity debater and president of the A. S. C. P. S.

### COME HOME ALUMNI!

This year we are planning a bigger celebration than ever, to welcome you home to your Alma Mater, after being one year or several away from the campus.

The students of the College of Puget Sound are doing this because we want to make this the greatest homecoming event in the history of the school. Many things are being planned for your entertainment. The extensive program will be varied and interesting.

When the Loggers tangle with the Pacific University Badgers on November 20 they will be playing the third conference game of the season, and it will be worth seeing. But this is not all. From the Bonfire, Night Shirt Parade, and Pep Rally Friday night, November 19, to the alumni banquet and presentation of the three one-act plays on the following evening, the entire time will be taken up with interesting events. A full account of the program being planned is given elsewhere on this page.

Alumni, homecoming is planned for you, in order that you may once more renew acquaintance with your alma mater. Most of you have not attended the college since it has been on the new campus. You will not be returning to the old familiar halls that you knew in your college days. But better than this, you will have an opportunity to renew some old friendships that were dear to you when you attended Puget Sound.

Many of you have scattered out and are now in distant states or foreign countries. But there are also a great many alumni in the state of Washington, who would not have to travel far to reach the Puget Sound campus. To you, especially, who are near, and can spare a week-end from your busy lives, the students of the college extend a hearty welcome, back to your Alma Mater.

A fine homecoming program would be a pathetic failure without the presence of a large number of loyal alumni of the college. Old grads, we are depending on you to help us make this the greatest homecoming event in the history of Puget Sound! OF COURSE YOU'LL BE HERE!

### PLAYS ARE TO FEATURE HOME COMING EVENT

### Production Being Coached By Professor Holcomb

The Home-coming committee has chosen the three one-act plays that will be presented Saturday evening, November 20, in Jones' Hall. The committee is digressing from the usual plan of entertainment in that dramatic productions have not had a part in the Home-coming celebrations of other years. The committee feels that it is offering something distinctly different to the college when it presents this group of students in three short skits.

The first play, "The Beau of Bath," is a fantasy. There are three women in the play, two who take the part of men. The women are Winifred Gynn, Betty Walton, and Edith Jones. Miss Jones and Miss Walton have the male parts.

"Copy," a newspaper comedy is acted by Douglas Hodel, Torrey Smith and Franklin Manning. This all-male cast compensates for the feminine cast in the first production.

The last play that has been planned is in charge of Wilma Zimmerman. It is another comedy and is entitled "In the Spring, a Young Man's Fancy."

### Many Logger Fans Journey to Salem Team Backed by Enthusiastic Rooting

By Crawford Turnbull  
The thrill of a small college town decked with pennants and thronged with visitors greeted the students from the College of Puget Sound, who motored down to Salem for the game with Willamette University. The crisp air of a November afternoon and the undercurrent of excitement completed the atmosphere for a perfect football game.

Sweetland Field was a riot of color. The Willamette stands were decorated with streamers of crimson and gold. The roster section was alive with animation. The Bearcat rooters were confident that their team would win. The Loggers were also confident of their own men.

Under the capable leadership of Walter Anderson and Meredith Smith, the Maroon and White rooters cheered as they had never cheered before.

At the crack of the last pistol the group of over 90 Puget Sound students rushed out to the muddy

### MUSICAL WORK IS UNDER WAY IN ALL DEPTS.

### Many New Organizations Make Their Debut This Year

Music is now well under way only at the Fun Night program, at Puget Sound and is holding its place as an important activity here. Some of the musical organizations have made their debut only this year. The band has played at most of the football games and pep exercises, also at Fun Night. They are practicing every Tuesday and are now working on some popular pieces.

The orchestra has been practicing faithfully, but has appeared Mr. Hanscom has issued a call for more violins, both firsts and seconds. They are sorely in need of more players and it is known that there are many players in school who have not been out for practice. The orchestra practices every Monday night at 6:30 p. m. until the literary societies meetings start.

The glee clubs seem to be the most popular of the organizations outside of the school as Mr. Hanscom receives requests daily for either one of the glee clubs or parts of one to appear on programs everywhere.

### FIGHTING LOGGERS TAME BEARCATS IN NORTHWEST CHAMPIONSHIP RACE

### Ninety Loyal Puget Sound Rooters Travel to Salem to Cheer Team on to Victory Over Willamette

Overcoming, with a superior punting and passing attack, Willamette's advantage of a heavier line, the College of Puget Sound Loggers tamed the Bearcat in his own lair 9-6 in Salem, Ore., last Saturday. Supported loyally by a rooting section of ninety Puget Sound students who travelled to Salem for the game, the Maroon squad fought an uphill battle to take the sixth straight contest from the Oregon Methodists. The deciding factors of the fray were the ability of the Logger line to hold when the opponents threatened to score, and Frank Wilson's 50-yard pass of a wet soggy ball to Booth for a touchdown. Frank Gillihan's direction of the game was masterly and Dave Ferguson's punting in the face of an obstinate wind repulsed the Bearcat attack many times.

### FROSH PLAN TRYOUTS FOR DEBATE TEAMS

### TRIALS ON NOVEMBER 22

### Decide to Modify Question Argued by Frosh Teams

Because of the inequality in the two sides, the freshmen turning out for debate have decided to modify the question, originally one of adopting the Bone Power Bill, to "Resolved that the state constitution should be amended so as to permit municipal corporations to sell electric power under the same regulations as private corporations." This new wording incorporates the good features of the Bone bill and makes the question a little more to the advantage of the affirmative than before.

The date set for the tryouts is the Monday before Thanksgiving, Nov. 22. Teams have been organized, so at present there will be three debates that afternoon, two between men's and one between women's teams. Three judges will pick the six best men and the two best women to represent the college in the freshman debates with other schools.

The first contest will be between John Gardner, Arthur Hedges and John Rademaker for the negative and Bob Johnson, Marshall McCormick and Albert King for the affirmative.

The teams have decided to dispense with any coaching and have also agreed not to see either Homer T. Bone or Scott Z. Henderson until after the tryouts in order not to burden them with too many debaters at once.

### MRS. CORY, NEW MANAGER, CUTS COMMON PRICES

The commons this year is under the management of Mrs. Jennie Cory. She has had years of experience cooking for college students and is well acquainted with their likes and dislikes. When the college was on its old site, she was well known as the manager of men's eating club.

Mrs. Cory is assisted by Mrs. Brady who has charge of salads and sandwiches. Four students also help out. Helen Saunders, John Sharp, Yates Van Patter are in the kitchen and Glenwood Platt is cashier.

The commons provides food for an average of 150 each noon, while some days the number reaches the 200 mark.

In looking over the amount of food required to feed students it was found that pie is perhaps the favorite dish, for 60 cuts of pie are consumed each noon. As for cake, the cooks have never yet succeeded in making enough cake to supply all who want it. Salad is also a favorite with the students and an average of 30 are sold each day.

**200 Sandwiches Made**  
The cooks make at least 200 sandwiches every noon, using innumerable loaves of bread, pounds of butter and much sandwich filling. Also there are used daily

### Cloninger Stars

Cloninger, Coach Keene's triple threat man, was the whole backfield show for the Salem aggregation. He punted, passed and carried the ball, besides being a main factor in the secondary defense which was stopping Tatum's plunges. The field, a sea of mud, gave the heavy opposing line an advantage which they did not fail to take. They made ten first down to Puget Sound's four and gained on line plunges 116 yards to the Maroon's 60.

Tatum bore the brunt of the Logger offense and took the ball 25 times for a total of 50 yards. Had the field been dry he would have made more but the greasy condition prevented him from shifting. Hannus carried the ball but once and Frank Wilson only once. The real Puget Sound attack was kept in the dark and Pacific scouts in the stands did not learn anything that they did not already know. Only five passes were tried, three of which were completed for a total of 65 yards. Willamette tried 20 passes, four of which were completed and three intercepted.

The Puget Sound team at all times demonstrated the true Logger fight that has become a tradition, and made the four-score rooters proud to say that they had come from the same school.

### First Quarter

Puget Sound kicked off to Willamette who made two yards on an off tackle play and then punted. The Loggers did not receive the ball cleanly and Willamette recovered on our 30-yard line. They were held for three downs and then dropped kicked offside on the 20-yard line.

### CALENDAR

- Friday, November 12
  - Women's Glee Club rehearsal, 12:05, room 15.
  - Women's basketball turnout, 2 to 4 p. m., gymnasium.
- Monday, November 15.
  - Men's Glee Club rehearsal—12:05 Auditorium.
  - A. S. C. P. S. News Bureau—1 p. m. Trail office.
  - Women's basketball turnout—2 to 4 p. m., gymnasium.
  - All-College Orchestra practice—6:30 p. m. Auditorium.
  - Literary Societies—7:30 p. m. Jones Hall.
- Tuesday, November 16.
  - Y. M. C. A. Meeting, discussion groups—9:45 a. m., rooms 108, 110, 114.
  - Y. W. C. A. meeting—9:45 a. m. Auditorium.
  - Band practice—12:05, Auditorium.
- Wednesday, November 17
  - Women's Glee Club rehearsal—12:05, room 15.
  - Ladies of the Splinter—12:05, room 108.
  - Knights of the Log—12:05, room 110.
  - Sororities—4:00 p. m.
  - Fraternities—7:30 p. m.
- Thursday, November 18
  - A. S. C. P. S. meeting—9:45 a. m., Auditorium.
  - Men's Glee Club rehearsal—12:05, Auditorium.
  - Pi Kappa Delta meeting—12:05, room 212.

### Y. M. C. A. TO HOLD N.W. CONFERENCE IN THE SPRING

**Bible Study Group Will Meet Next July; 50th Year of Student Y. M. in 1927**

When the Northwest Regional Council of the Y. M. C. A. met in Portland, November 6, it decided to hold a Pan-American Conference on Puget Sound some time in the spring. The members, who are composed of three-fourths foreigners and one-fourth Americans, will discuss the following problems: Extremism, Philanthropic Independence, and Japanese Immigration. Similar conventions will be held at the same time in the Inland Empire and Portland districts. There is a possibility of the Puget Sound Convention being held on Fox Island.

A five weeks Bible study group will meet in the middle of next July. This group is limited to graduate students or especially qualified undergraduates.

Bruce Curry will possibly be available for a week-end at Puget Sound for an intensive training course between April 15 and May 20.

A recommendation was made to the National Council that the Seabeck District be incorporated into a new national regional district known as the Northwest National District with Raymond Culver as secretary. This would divide the Pacific coast and limit Gale Seaman to the Southwest District. The Seabeck program was discussed only in part.

The fiftieth anniversary of the Student Y. M. C. A. will be in 1927. Each college and district is joining in a great celebration of this Semi-centennial.

### PHILOS RECEIVE CAKE IN MEETING

A large cake, served by Mr. and Mrs. Ed Newell was the feature of Philomathean's program last Monday evening. It is a Philo tradition that when any member of the society marries he or she must present a cake to the organization. It was Mr. and Mrs. Newell who fulfilled this tradition.

A short program which preceded the serving of the cake and first degree initiation was entitled "France." It was opened by Robert Burrows who told of his impressions of France from his travels on the Continent during the past summer.

"Tourists," an impromptu, was given by Mr. Slater and was followed by "Carnival Days on the Rivera" by Ina Coffman.

Isabel Rosmond concluded the program with "La Musicale."

### GREET PLEDGES AT ALTRURIAN

The topic for the Altrurian Literary Society meeting last Monday was "Altrurian Ideals."

"Welcome to the Pledges," was given by Ruth Monroe. "Response to the Welcome," was answered by Dolly Peroglia. Beth Pierre sang a solo.

Lottie Lancaster discussed "The Meaning of Altrurian." Mary Klizer played a violin solo. George Ward spoke on "Altrurian, Past and Future." The meeting was concluded with a duet by Leonora Shelton and Margaret Patterson.

### DORM PARTY HAS COLONIAL MOTIF

The girls of the Women's Cottage gave their first party, in the form of a Colonial Masquerade Tuesday, Nov. 5. About 40 people were present. The faculty guests were Prof. and Mrs. Holcomb, Dean McIntosh and Prof. Henry.

Rose and canary yellow constituted the color scheme of the decorations, which, with the lighted candles, gave the room a festive air. The costumes lent a colonial atmosphere.

After many enjoyable games, delicious refreshments were served.

### FELLOWSHIP Y.W. SUBJECT

**Sister College in India Sends Pictures**

The Week of Fellowship and Prayer was stressed at the Y. W. C. A. meeting held Tuesday, November 9, in the auditorium.

Ruth Dively talked on world-wide fellowship of the people of all nations. She told of the Isabella Thoburn College in India. This college, situated near Lucknow, is the sister college of Puget Sound. The women there have sent to Puget Sound a book of pictures relative to campus life.

Miss Gertrude Wittine played three selections of Slavic music from handwritten copies sent from Czecho-Slovakia. She played a folk-song, a love-song and the Slavic battle hymn. Miss Wittine added a unique touch of interest by reading the Slavic words.

### REGISTER'S TALK AND PROGRAM OF JUNIORS GIVEN

**Student Assembly Devoted to Seriousness and Fun Thursday**

A combination of fun and seriousness featured the student assembly held Thursday. The meeting was divided into two parts. Prof. Register was the speaker of the day, and spoke on Armistice Day. He told of the joy that everyone showed when the Armistice was finally signed and stressed the necessity of not forgetting the horrors of war or the lessons that civilization learned from the last conflict.

The second part of the program was given over to the Junior Class. Four acts were presented under the management of Douglas Hendel, manager. They were supposed to represent the four main activities of students.

The first activity was music. The junior class orchestra played what they called "One of the Classics." Although it sounded too familiar for that, the number was well received.

Following the music department's offering, "Miss" Torrey Smith presented the debate department, in a debate on the question "Resolved: That Woman is Superior to Man." Leroy Browning arrived just in time to save the day for the men but "Miss" Smith forced him to retire on a wrong end of a gun.

Next came the dramatic department's offering, a short play in which an enthusiastic Israelite removed about \$10 from an innocent farmer. The parts were played by Frank Manning and Ernest Miller. The athletic department now came on the scene with a fast and furious signal drill. They exposed one play that is sure to score whenever used. It was a slight modification of the famous Wilson to Shuler pass. It would have been just the same as that taken play if Wilson and Shuler had taken part in the play and if it had not been different.

The program was closed by another number by the orchestra, "Watta Mistake." The orchestra was composed of Lois Beringer, Donald Searing, Franklin Johnson, Ronald Boyles and Leo Durkee.

### SOCIETIES PLAN TO DEBATE AT LAST MEETING

**Amphictyon, Altrurian, and Philomathean Clubs Will Participate**

A debate has been planned for December 14, the last meeting before Christmas vacation, between the Amphictyon, Altrurian, and Philomathean literary societies. Representatives of the three societies will debate the question, "Resolved: That the National Government should be empowered to further restrict personal liberty." This subject is also being used for the varsity debate.

Philomathean and Altrurian will debate first, and Amphictyon will meet the winner. The engagements will be held on the 6-6-6 plan; that is, two members of each team will present main speeches of six minutes, and the third member will deliver a rebuttal of six minutes. This will eliminate the complicated point system used last year.

Judging by available material, Amphictyon Society has the edge, but she also has to prepare arguments for both sides.

### AMPHICS ENJOY "KID PROGRAM"

Amphictyon Literary Society saw their pledges in a new light last Monday evening when the sedateness of everyday life was thrown off and all entered into "second childhood days."

"When We Were Young" was the title of the program. The first number "We Went to School," was portrayed by Katharine Reese, Beatrice Schumacher, Lucille Veatch, Ralph Brear, and Helen Saunders as pupils, with Lloyd Dymant taking the place of the teacher.

"I Spoke a Piece" was given by Audrey-Dean Albert.

Frank Rumball and Elizabeth Gilbert were in a stunt called "Going Home After School Was Fun."

The woes and horrors of "Mother Took Us Shopping" were enacted by Margaret A. Miller, Inez Johnson and Evelyn Miller.

Grace Link, Doris Meyers, Alice McLean, Martha Hawksworth, Peggy Campbell, Douglas Babcock and William Law, with Dora Brown as master of ceremonies, "Saw the Circus."

The closing number "On Sunday We Went to Church," in the form of a Children's Day program was given by Evelyn Bjorkman as teacher, and her pupils, Stella Samuelson, Eloise Saunders, Dora Burhill, Louise Wilson, Wallace Slenes, Raymond Docken, Everett Wadsworth, and Albert King. The hit of this number seemed to come from the ensemble singing of "I Want To Be a Sunbeam For Jesus."

### COLLEGE HAS TWO AT MEET

**Erma Coffman and Evalyn Miller Attend Convention**

Erma Coffman and Evalyn Miller represented the College of Puget Sound Y. W. C. A. at a convention held by the Seabeck Division Council of the organization in Portland last week-end.

The convention was of great importance. Plans were made for the work of the coming year. Arrangements are already under way for Seabeck for next summer. The C. C. A. Convention is to be held at Milwaukee during the Christmas holidays.

The delegates to the Y. W. Convention met with the field division of the Y. M. C. A. The united body discussed ways of co-operation during the coming year. Other topics of importance were world fellowship, student friendship and finances.

Plans were made for the Pan-Pacific Conference to be held during the summer of 1927.

### CLASS SCHEDULE BOARD ERECTED IN LOWER HALL

Students of the college have been interested in the new bulletin board ornamenting the halls of Jones building this week. The board is to be a permanent fixture here according to Mr. Robbins. The board has been donated gratis by an advertising firm of this city that makes a specialty of this kind of advertising. The name plates and plates showing class rooms and courses are donated also. The expense of the board is deferred by selling the advertising space around the outside of the program. The board is to be erected on the ground floor of Jones Hall near the front entrance. The board was made by the Puget Sound Manufacturing Co.

Advertisements of the following firms appear on the board: The Puget Sound Bank, Mahncke and Co., Alexander Tuccil, Washington Hardware Co., Griffin Washing Co., M. R. Martin and Co., Tacoma Janitor Supply Co., Sixth and Pine Hardware Co., Oscar F. Volk, Boland, Prospect Market, Beckman Electric Store, Regal Cleaners and Dyers., Bush and Lane Piano Co., and the National Bank of Tacoma.

**SPLINTERS ARE BUSY**  
The Ladies of the Splinter have had a busy week. They have mended the football equipment used in the Willamette game and are now making plans for the home-coming game to be played with Pacific. The confetti and serpentine used at the football team's sendoff last Friday were furnished by the Ladies of the Splinter.

Continued from page one  
**NEW COMMONS MANAGER**  
35 pounds of potatoes, from 18 to 20 pounds of meat, 2 1/2 or 3 gallons of soup and at least a gallon and a half of vegetables.  
Mrs. Cory is now working out a plan for special dishes each day. So far, Tuesday has been set aside for sweet potatoes and on Thursday the gang may expect chile. On days before holidays it is planned to have a special menu befitting the occasion.

As soon as the ovens are repaired so as to be in good condition for baking, Mrs. Cory plans to serve hot rolls for lunch each day. She expects that about 300 will be needed.

**Prices Are Cut**  
A most welcome change brought about by the new management is the reduction of prices. Pie, salad, jello, chile, and chowder now sell for eight cents and the price of sandwiches has been cut to five cents. Vegetables and potatoes and gravy are also five cents while hot meat sandwiches remain at 15 cents.

THE PUGET SOUND TRAIL

PAGE 3

## DEAN LEMON WILL REWARD TEAM

Turkey! Rich, toothsome, delicately browned turkey. Such is Dean Lemon's reward to the football squad for their efforts in the Pacific game. A turkey for every touchdown was the promise, and royally will it be fulfilled. The safety is going to bring as its reward a squab or a chicken.

This feast is going to be held soon after the Pacific game and if any person would like to buy some touchdowns in the Pacific game the writer has no doubt but what the squad will do its best.

## The Axe--

Wind is fickle. At Salem whenever the College of Puget Sound punted against the wind it blew its hardest. When it was the Loggers turn to go with the wind it died down and afforded no help whatsoever.

Well, Loggers, crack the whip again. Two of the menagerie have been tamed but there still remains the Pacific Badger. The Loggers, supposedly one of the weakest teams in the conference, are now fighting for the championship.

Once more dope has failed. Whitman and Pacific slated in this article as the strong teams have been beaten by those considered weak by sports critics.

"Pacific is claiming that they have held the unofficial championship of the smaller colleges of the northwest conference for several years. Evidently they have forgotten the drubbing they received when they played here last year. The mythical title belongs to Whitman or to no one. This being the first season of the new northwest conference, in which football is being played, is the first time that their has been a title at stake for the smaller schools.

"The winner of today's game will probably carry away the title. Linfield, Willamette, and College of Puget Sound are not very strong. Not much is known as to the strength of College of Idaho, but they are not regarded as being dangerous."—Whitman College Pioneer, Oct. 23.

Well folks, crosscountry is starting again. The hill and dale artists are soon going to be running on the paths around the college in training. This is the opening gun in the campaign for the conference track championship this year. Come on Loggers.

Just for the sake of betting, this department will wager that when Grantland Rice announces his All-American football eleven, the name of Eddie Dooley will appear thereon.

The reserves are to meet Parkland again this afternoon. Spencer, the newly discovered flash that ran them ragged last time will be on hand again. Alfred Lewis will be on the line too.

Speaking of passes, Frank Wilson's fifty-yard pass at Salem surprised the natives. The ball was wet and soggy and a perfect pass seemed impossible.

Dave Ferguson's playing aroused comment at Willamette. If he isn't an all-conference end this year he certainly will be next.

Press Wright called Tatum the Red Grange of the Northwest. There is a lot to support such a moniker as Tatum is a hard line socker. He is the best punter that the Loggers have and if the day is right ought to be instrumental in beating Pacific. "Red" would increase his effectiveness, however, if he ran with his body lower.

## LOGGERS DEFEAT WILLAMETTE 9-6

Continued from page one.

line. Puget Sound made two yards through center and then fumbled. Willamette recovering. The Bearcats were held twice for no gain. A pass failed and an unsuccessful place kick gave the Maroon the ball on its 20-yard line. Ferguson punted to the 40. Willamette made one yard off tackle and then on two successive plays plunged center for eight yards, going on the last down off tackle for first. An off-tackle smash for two yards, a pass for six and a lunge through center added another first down. Again center yielded two yards and off-tackle three but the Loggers held, and took the ball on downs. Dave punted into a high wind, and the ball went offside on Puget Sound's 15-yard line. Willamette again hit the line for eight yards on two plays but a pass over the goal was incomplete and Puget Sound punted to the opposing 45, the ball being returned to their own 40. The Bearcats lost a yard, made a bad pass, and kicked over the goal line. It was now Puget Sound's ball on the 20-yard line. Tatum went off tackle for four yards. Puget Sound fumbled, the opponents recovering. Cloninger failed to gain around end while Willamette was penalized 25 yards. Cloninger tossed an incomplete pass followed by one which Booth intercepted. Tatum reeled 12 yards off tackle. Puget Sound 0, Willamette 0.

**Second Quarter**

On the first play Gillihan was held. Tatum fumbled to give Willamette the ball on the fifty-yard line. On three successive smashes the line yielded a first down. Cloninger went through center for two yards and then made it first down by an end run for eight. The Puget Sound line held on the next play but yielded another first on the following three. The Logger forward wall now stiffened and took the ball on downs. Ferguson punted offside at 45 yards. Willamette found the tackles stubborn for two plays and then tried a pass which Hannus intercepted. Puget Sound failed to do anything with the ball and Dave punted to the opposing 30-yard line. Cloninger punted offside on the 42 and Puget Sound had gained 15 yards on the exchange. Tatum went off-tackle for one and then for two. A pass, Wilson to Booth, gave the Loggers a first down. Gillihan and Tatum made two yards on three tries. Hannus attempted a place kick which missed the cross bar by a foot. Willamette took the ball on her 20-yard line and was penalized 10 yards for hurdling. A kick was blocked and the Loggers drew first blood with a safety and two points. Willamette kicked the ball to the Puget Sound 40-yard line, and a triple pass, Tatum to Wilson to Booth resulted in a touchdown. The ball remained in midfield for the rest of the quarter. Puget Sound 9, Willamette 0.

**Third Quarter**

Tatum made two yards on two plunges and Dave kicked to the

## Cross-Country Runs Have Produced Good Runners; Men Urged to Turn Out

A year ago this fall some twenty runners trotted down the road in the beginning of the first cross-country race in the history of the College of Puget Sound. A little over 10 and one-half minutes later Minard Fassett finished as winner of the race, closely pressed by Douglas Hendel. A month later a second race was held which was won by a man running the second race of his life, Gordon Tatum. Tatum, who set the course record, is now conference half mile champion. The third and last race was won by Fassett again but the man who took fourth place was Yates Van Patter. Van Patter had finished much worse in the second run, but had gone out and trained and had speeded up considerably. Later on in the season he was still improving and won the mile race in the interclass meet of the college. These are three men who were brought into track work through the medium of the hill and dale runs.

In three weeks the first run of this season will be held. Who will win it no one knows. Tatum and Fassett, as distance lettermen, are barred. The victory may go to some unknown who is running just for the sport of it. It may go to some experienced runner. But the class championship will go to the class that shows the most interest and gets the most men out. You don't have to be a whiz to compete. The freshman class will be allowed to place 10 men at the finish as point winners. Every man of the freshman class has a chance to be among that 10. The sophomores, juniors and seniors each will be allowed to place five. Twenty-five men altogether in the college are to win points. As many can run as want.

Just another thing. This year the College of Puget Sound has an inside chance to win the Northwest Conference championship. Cross country is the best training. The more out, the better the interest, and the better the squad. COME ON FELLOWS!

## LOGGERS TIE COYOTES FOR FIRST PLACE

IDAHO DEFEATS WHITMAN

Pacific to Play Caldwell in Feature Game of Week

The College of Puget Sound and the College of Idaho are tied for first place in the Northwest Conference as a result of last Saturday's contests.

The strong College of Idaho squad took the Whitman Missionaries into camp 34 to 27. This win shows the real strength of the Coyotes, as Whitman has one of the strongest teams in the conference. Pacific tangles with the Caldwell outfit in what promises to be the feature game of the week. This contest should be a hard fought affair, as a win by the Coyotes would put them at the top and probably give them the Northwest honors, while a victory for the Badgers would give the Forest Grove school still another chance to finish near the top.

College of Puget Sound and Willamette had their annual battle at Salem Saturday and when the smoke cleared away Puget Sound was in the lead 9 to 6. This defeat spoils the Bearcat's chances to end

**Fourth Quarter**

Tatum was held twice and a pass failed. Frank Wilson then punted to Willamette's 20-yard line. End runs were good for 20 yards on the next two and the line held on four successive plays. Puget Sound taking the ball. Two plays netted a three yard loss, and Dave again sent the ball sailing down the field for thirty yards against the wind. The Bearcats made a first down on passes. Zeller then caught a pass just over the line of scrimmage and ran the ball to the five-yard line. Four line bucks were needed to put the ball over. The try for point was blocked. After an exchange of punts the Oregon men got the ball on the 50-yard line and made three bad passes before they punted to the 30. Puget Sound wasn't any more successful and Dave punted again, the Loggers gaining 20 yards on the exchange. Three more passes failed and again Puget Sound gained 10 yards on the punt. The game ended after Mike Thornily had recovered a fumbled ball. Puget Sound 9, Willamette 6.

## MEN TO START TRAINING FOR CROSS-COUNTRY

FIRST EVENT TO BE SOON

Hill-and-Dale Runners Getting In Shape For Popular Distance Run

Cross-country, the sport so successfully inaugurated last year, is to be started right away. The first race of the year is to be held two weeks after the completion of the football season. The course is to be the same as last year.

It extends from the gym west on 13th street to Stevens. Then it turns north on Stevens for three blocks, from where the runner chooses any course to the field he wishes. One lap around the track finishes the run.

As these runs are held to train and bring out new material, all distance lettermen are ineligible. This eliminates Tatum and Fassett. The four classes compete and points are awarded for the positions in which the runners finish. The freshmen class will be allowed to count 10 men at the finish and the others five. Thus the freshmen, to win, will have to amass twice what any other class is able to score.

All those who are interested should see Prof. Seward and commence training right away. Seward is track coach of the college. His team placed third in the conference meet last year, being beaten only by Whitman and the College of Idaho.

The runners will have to provide their own hill and dale equipment. Keds were used by those who ran last year.

In first place. The Maroon and White squad emerged from the fray with many men on the injured list and this week of rest will be needed to put the team in shape for Pacific, November 20.

By beating the Chemawa Indians 13 to 0, the Linfield school repeated their victory of two years ago. After the Puget Sound game the McMinnville injured list had grown to alarming proportions, but the Wildcats were able to pull out with a win.

## WOMEN'S TEAMS TO BE CHOSEN

Mrs. Hubbard To Select Class Squad Soon

The women's basketball teams will be picked Wednesday or Friday. The games will be played off in the following week.

Mrs. Hubbard has decided to require 400 points for a letter.

One hundred points will be given to each woman on the teams and 10 extra points will be given to the women on the champion team. There will probably be a possible 100 points in track. Five points will be given for a five mile hike and a point a mile will be awarded for hikes over five mile.

Volley ball is the next sport of the season. There may be horse-shoes pitching later in the season.

Ruth Eyer is claiming the woman's horseshoe pitching championship. Ladies step right up and cop the title.

### MAROON AND WHITE CAPS

Where, oh where, are the maroon and white caps that used to be seen everywhere on the campus? For a short while last year it was a popular thing to wear the attractive little caps around the campus. Then suddenly the students grew tired of wearing them, and they are very seldom seen this year.

It is a custom at practically all of the universities and colleges for the students to wear a cap of some sort, made in the colors of that institution. At some colleges they are worn even around town, that the students may recognize one of their number, and also to advertise the school.

Our maroon and white caps are emblems of the College of Puget Sound, and even if we do not wear them around town we should at least wear them on the campus.

We are proud of our College and its colors, so why not don the maroon and white caps once more? Homecoming is next week—let's show the old grads that there is more spirit than ever at Puget Sound.

### MORE TRADITIONS

As Homecoming comes once more to Puget Sound, and the Old Grads of other years return once again to their Alma Mater, they will doubtless feel somewhat lost on our new campus. The old, familiar Administration building, the chapel, the other structures that are beloved memories in the hearts of our alumni—all these are gone. Instead, they will find Jones Hall on a new campus.

But when the Old Grads walk around Jones Hall we have a feeling that they will find at least one old, familiar relic of the past to remind them of their school days. The Color Post which stands at the entrance to the Students' Quadrangle will be the one connecting link between the old and the new Puget Sound.

And when we think of that, we begin to realize the importance of college traditions. Old faces may be lacking at Homecoming, old places may not look the same, but as long as the old traditions remain, the alumni will feel that Puget Sound is still their college.

With that in mind, the writer would like to suggest a few other types of traditions. One of the finest of these is the tradition of the weekly Song Day. At the University of California, every Wednesday is Song Day. To observe this day, each class is opened by singing one of the old songs of the university.

Not all schools have these Song Days so frequently. At several schools it is the custom to hold a big song-fest the night before the big game of the year. The students assemble at about 7:30 p. m., either in an appropriate spot on the campus or at some tradition-hallowed place in one of the buildings. They sing the college songs until 9 p. m., when refreshments are served. This get-together serves as a means of uniting the school spirit, and it also helps the students to become better acquainted.

At several colleges there is an interesting custom that when the college team wins a victory, the great bell in the chapel is rung, the siren sounded, or some other noise-making instrument let loose. As a result, the whole town or city knows at once that victory has come to their college. The people of the city form the habit of listening for the sound of the siren or bell. As an advertising method, this is very valuable, and it is also worthwhile as a real custom.

There are hundreds of other little traditions that the peculiarities of the various campuses make important. This writer believes that this is one of the things Puget Sound needs—some little customs that will serve to remind the Old Grads of their student days at their Alma Mater.

## Dead Timber

News Events From Old Trails

**November, 1916**  
 A branch of the Intercollegiate Prohibition Association was established at Puget Sound the first part of this month.

**November, 1917**  
 A copy of each issue of The Trail is to be sent to each of the men from Puget Sound who are at the front. This is being done by the Associated Students.  
 Letters are being received from Loggers at the front every day.

**November, 1918**  
 The Trail is being published as a fortnightly now instead of a monthly magazine as before.  
 The College of Puget Sound S.

A. T. C. cridders defeated the 166th Depot Brigade of Camp Lewis 7 to 0. The Loggers were outweighed 20 pounds to the man.

**November 14, 1923**  
 Tuesday afternoon at 3 o'clock a large turnout of girls emphasized the fact that basketball is going to be THE game of the year. Miss Constance Clark has been working faithfully to stir up enthusiasm.

**November 14, 1924**  
 The Homecoming program for the U. of W. game is now nearly completed. A night-shirt parade will take place Friday night followed by an auto-parade Saturday morning.

### Stadium Defeats St. Leo's

Stadium High School defeated St. Leo's High School football team in a hard fought contest last Friday. The final score was 20 to 0. Stadium scored three touchdowns on the lighter St. Leo's team. Although the contests was somewhat one-sided, the Catholic school fought all the way through and let the north end high school know that it had been through a battle.

### 22 PUGET SOUND STUDENTS MAKE TRIP

Twenty-two Puget Sound students and faculty made an excursion to Paradise Valley on Mount Tacoma last Sunday and enjoyed all the fun of a mountain trip.

A hike through the snow to Panarama Point was made, and a few of the more energetic ones ventured still higher to McClure's Rock. After the hike a picnic dinner was participated in by members of the party.

Those composing the party were: Mr. and Mrs. Howard Hanscom, Evelyn Dahlstrom, Neva Bailey, Mildred Meader, Jane Campbell, Lona Potucek, Genevieve Bitney, Vera Crail, Inez Mickey an alumna, Doris Meyer, Lillian Burkland, Harold Huseby, Edgar Sizer, John Sharpe, Tom Dodgson, Leo Durkee, Donald Searing, George Durkee, Paul Lung, Sam Pugh, and Bob Burrows.

### LOGGERS AT W. E. A. MEET

A large number of Puget Sound graduates, both normal and college, attended the meeting of the Washington Education Association. The College of Puget Sound cannot be overlooked when the teachers of the state of Washington are assembled.

### WEISEL AT ASHFORD

Dr. Wier went to Ashford Friday, Nov. 5 to visit the school and in the evening lecture to the Parent-Teacher association. He found Bob Weisel of the class of 1926 nicely situated and happy in his work. Mr. Weisel teaches algebra, geometry, and manual training and coaches basketball. As Ashford is 1800 feet above sea level its education may be called of a relatively high grade.

### Logger Lessons

A FEW DAYS AGO, I  
 Was learning to shoot  
 A RIFLE. IT WAS MY  
 First experience, and  
 I WAS VERY AWKWARD, UN-  
 TIL I learned how to  
 STEADY IT, HOW TO LINE  
 It up with my target,  
 AND HOW TO SEND THE BUL-  
 Let clipping thru the  
 GOAL. EVERY DAY WE SHOOT  
 At our target of life,  
 SOMETIMES WE MISS OUR  
 Daily aim by self-indul-  
 GENT SHOOTING, SOMETIMES  
 We shoot too low, thru self-  
 ISHNESS, AND SOMETIMES WE  
 Shoot too high because of  
 SELF-CONCEIT. BUT THERE  
 Are those who hold them-  
 SELVES TRUE TO THEIR PUR-  
 Pose, line up their work  
 WITH THEIR AIM, AND THEN  
 Send the bullet thru the  
 TARGET. IT IS FOR US TO  
 Take advantage of the  
 LEADERSHIP OF THESE GREAT  
 Est of all sportsmen,  
 And when we have learned  
 TO HIT OUR GOAL, WE WILL  
 Each say to the leaders  
 OF THE WORLD, I THANK YOU.

### Letter Received by President Todd Gives Splendid Compliment to Football Men

The following letter was received Tuesday by Pres. Todd from a man who is connected with the Southern Pacific Railway Company:

"Dear Dr. Todd:  
 "As an old friend and alumnus of Willamette University, I am prompted to write you at this time to relate an incident which may prove of interest.

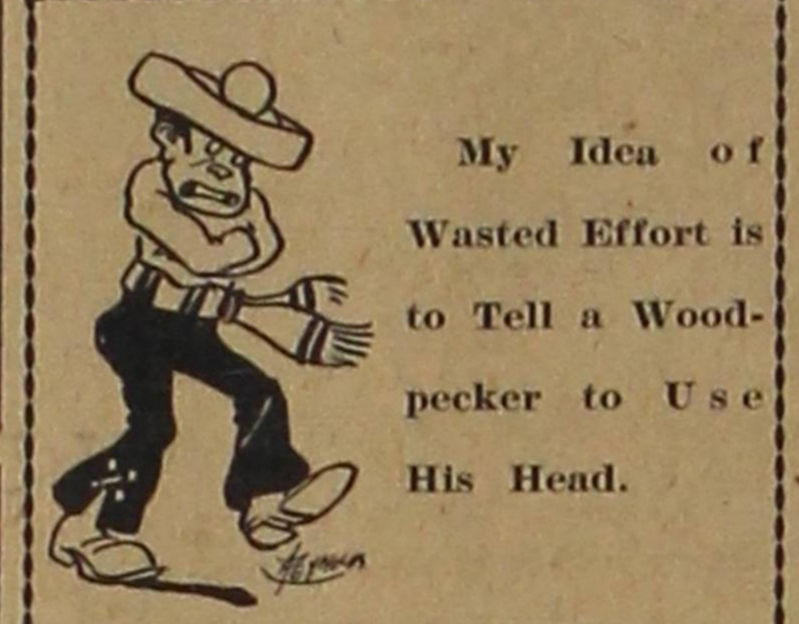

"As you possibly know, I am connected with the passenger department of the Southern Pacific here. Your football team last Saturday played Willamette 'U' at Salem and won. Your boys were returning on our Shasta Limited from Salem that evening and, to our misfortune and regret, the train was considerably delayed in reaching the capital city. Our passenger agent was on hand to accompany the boys back to Portland and, while it may not be considered good ethics to quote reports from our

office files, I feel you should know what he had to say about the College of Puget Sound football team:

"I wish to speak a good word for the personnel of this team. They were gentlemen at all times, and they arrived at the Salem station all the way from 7:30 p. m. to 8:00 p. m. and had to wait there until 11:30 p. m. Through all this long wait there was not one ill-natured remark, and they landed in Portland still smiling. Do not think there are any more like them."

"While I naturally believe the Willamette University team would have done equally as well under similar circumstances, to my way of thinking such testimonials as the above speak volumes for Christian education, and in a personal capacity I could not refrain from letting you know about it."

### BILLY THE WHIS-TLE PUNK SAYS

My Idea of  
 Wasted Effort is  
 To Tell a Wood-  
 pecker to Use  
 His Head.

### A HOT ONE

Wendell B.: "Did you hear about the egg in the coffee?"  
 Edith J.: "No."  
 Wendell: "That settles it."

### WHO DOES

Hi: "I've heard tell as how a camel can go eight days without water."  
 Si: "Maybe so, but who wants to be a camel?"

### OF COURSE

Amos Booth: "A pretty girl just winked at me."  
 Frank Wilson: "What followed?"  
 Amos: "I did."

### Chips & Slivers

Good afternoon, gang!  
 C'mon scissors, let's cut up!  
 Personally we try to believe that progress never makes any mistakes; but we often wonder why finger bowls were invented after forks.  
 A rolling stone gathers no moss.  
 Right, but they get so smooth nobody has anything on them.  
 That reminds us that a flunking student gathers no credit.  
 "All is not gold that glitters," said Ada Annabel, as she powdered her nose.  
 It sure takes a lot of stretching to make our meager intellect spread over a column.  
 "There's always more than one way to look at a thing," said Hale Niman, as he climbed over the fence to witness the game.  
 Little Q. T., the office pest, says that she knows a girl who is so dumb that she thinks a football coach has wheels.  
 We decided that the height of curiosity is sticking your finger in the soup to see if it leaves a dent.  
 The Journal of the American Chemistry Society states that all of the noted chemists of the world have beards and moustaches. However, the report that Professors Henry and McMillan have been laying in large supplies of hair tonic and hair oils for the cultivation of hirsute adornments to hide their facial contours is absolutely without foundation and is vigorously denied by both the parties concerned.  
 Little Q. T., the office pest, says, that a visitor who is a bore naturally agurs a dull time.

And, as the clock struck one, the editor tucked his typewriter in bed, and threw himself in the folding desk.

### GENEROUS GIFT MADE TO COLLEGE

Fifteen thousand dollars was presented to the College of Puget Sound Tuesday by a Vancouver, B. C. woman who plans to establish it as a memorial to her father. This announcement was made by Pres. Todd on his return from the Canadian city this week.

The donor, who desired her name withheld, suggested that the money be kept intact until another \$10,000 is subscribed, the total of 25,000 to be used for school equipment and to aid worthy students in acquiring their education.

### ENTIRE SCHOOL SENDS TEAM ON TO SALEM GAME

By Mildry Sluth

Pep was the keynote of the send-off given the Logger football squad Friday. Everybody was there from the lowly frosh to the sedate faculty. The caravan of cars started from Jones Hall at 10:00 o'clock, and yelling "Yo Loggers" in true college style, went down Sixth Avenue and through the main business district. When the Union Depot was reached, everyone got out on the platform where serpentine was distributed by the Ladies of the Splinter. The band played while the crowd sang "There is a School on Puget Sound" and "Go Loggers." Then followed some fine yelling led by Walter Anderson. As the train pulled out, everyone gave one final cheer that let the team know the whole College would stand back of them no matter what the outcome of the game might be.

Many of the students went down on the train with the team, others going in cars Friday and Saturday.  
 A fine showing of rooters represented the College of Puget Sound at Salem.

### LINFIELD WANTS TRIANGLE DEBATE

Linfield desires to renew last year's debate triangle of Willamette, Puget Sound, and Linfield. This will require some arranging, since each school desires a different question for debate.

The board of directors of the alumni association of the college will hold a meeting Wednesday evening, Nov. 10 to discuss plans for Home-coming Week.

Word has been received from Mr. and Mrs. Harold Nelson, former students here, that they are doing work in the Morgan Memorial church at Boston. This is a national feature in church life and it is here that the young couple are working their way through school.

"I hear you had some money left you."  
 "Yes it left me a long time ago."

## Q Q SLASHINGS Q Q

Have A Laugh On Us

### WHO WON

George Ward and Harold Nutley were recently on a fro together, and were telling of their abilities to see and hear. George said, "Do you see that barn over there on the horizon?" Harold answered, "Yes." "Well," responded George, "can you see that fly walking around on the roof of that barn?" Harold replied, "No, but I can hear the shingles crack when he steps on them."

Although some manage to get by with an oily tongue, the surest way is by elbow grease.

### NEEDS A NET

She: What are your views on kissing?  
 He: I have none. Her hair always gets in my eyes.

### SHOW HIM TO US

Leroy Browning: I saw a magician do the "Disappearing Valise" act last night.  
 Esther Rarey: How did he do it?  
 Le Roy: I don't know, but he took the bag out of my trousers.

### HE DID!

Don Searing: That dress looks good enough to eat, Genevieve.  
 Genevieve B.: Who ever heard of eating cloth?  
 Don: Georgette waists.

### SO TRUE!

Frank Wilson: What's the difference between a game of polo, and croquet?  
 Gordon Tatum: I dunno.  
 Frank: Horses, horses, horses.

## Not In The Catalog

By Dean Allan C. Lemon

### CREATING INTEREST IN STUDY

One of the most difficult things for the college student to learn is how to study effectively. With his time limited and with many other things crowding in, it is important that he become as efficient in study as possible.

The key to effective study is interest. It opens the mind for learning; it furnishes a driving motive; it makes assimilation and retention possible. What are the causes of lack of interest? Dr. May says lack of interest in a subject is generally due to ignorance of that subject. Other causes are: Insufficient preparation, too difficult task, no goal in mind or definite ambition, dislike of the subject, prejudice against the subject, and interest in other things.

Is it possible to develop an interest and to become efficient in study even in a subject that is disliked? It is possible if one will conscientiously follow certain methods. If you are not interested in some subject,

1. Acquire information about that subject.
2. Search the textbook or reading references for familiar material.
3. Make the knowledge of personal use both for the present and for the future.
4. Discuss the subject with classmates and friends.
5. Seek after knowledge for its own sake.
6. Strive to become an interesting conversationalist in or about that subject.
7. Resolve that because you are a man you will not be beaten.
