COLLEGE OF PUGET SOUND, TACOMA, WASHINGTON, FRIDAY, APRIL 1, 1927.

Price: Five Cents

SCIENCE HALL TO BE FINISHED BY NEXT SEPTEMBER

Over \$100,000 Will Be Spent To Complete Building and Provide Equipment

WORK STARTS NOW

\$500,000 Subscription Campaign For Building Fund To Be Launched In 1928

By Joe Cornish

Science Hall on the College of Puget Sound campus will be finished this summer with a total of approximately \$170,000 spent on the building, according to President Edward H. Todd, following a meeting of the building committee this week.

Construction will begin April 15 and it is expected that the building will be ready for occupancy by September 1.

Over \$100,000 To Be Spent

The foundation of science hall was laid in 1924, and part of the building has been used for laboratories and a cafeteria. The building will be built of brick with stone trim, of similar fireproof construction as Jones Hall.

Although considerable was spent in the initial part of the building more than \$100,000 will be spent on its completion, a part of which includes cost of furnishings.

Latest laboratory equipment allowing for extensive experiments as well as innovations will be installed under the present plans.

Steady demand for additions in the scientific departments with the increased enrollment has brought about a need for additional space and equipment.

Subscription Campaign In 1928

It is planned to have a subscription campaign in 1928 which will have a goal of \$500,000, a part of which will cover the present building and the rest of the contemplated structures in the program. The College of Puget Sound alumni endowment will help the present situation. Pres. Todd announced, and it is thought that the students may aid the officials within the year.

Included on the building committee are: President Todd, Dr. Horace J. Whitacre, chairman; George Scofield, vice chairman; Dix H. Rowland, secretary; Harry Brown, Alfred Lister, James G. Newbegin and Charles A. Robbins.

LAST NORMAL CLASS TO FINISH WORK IN JUNE

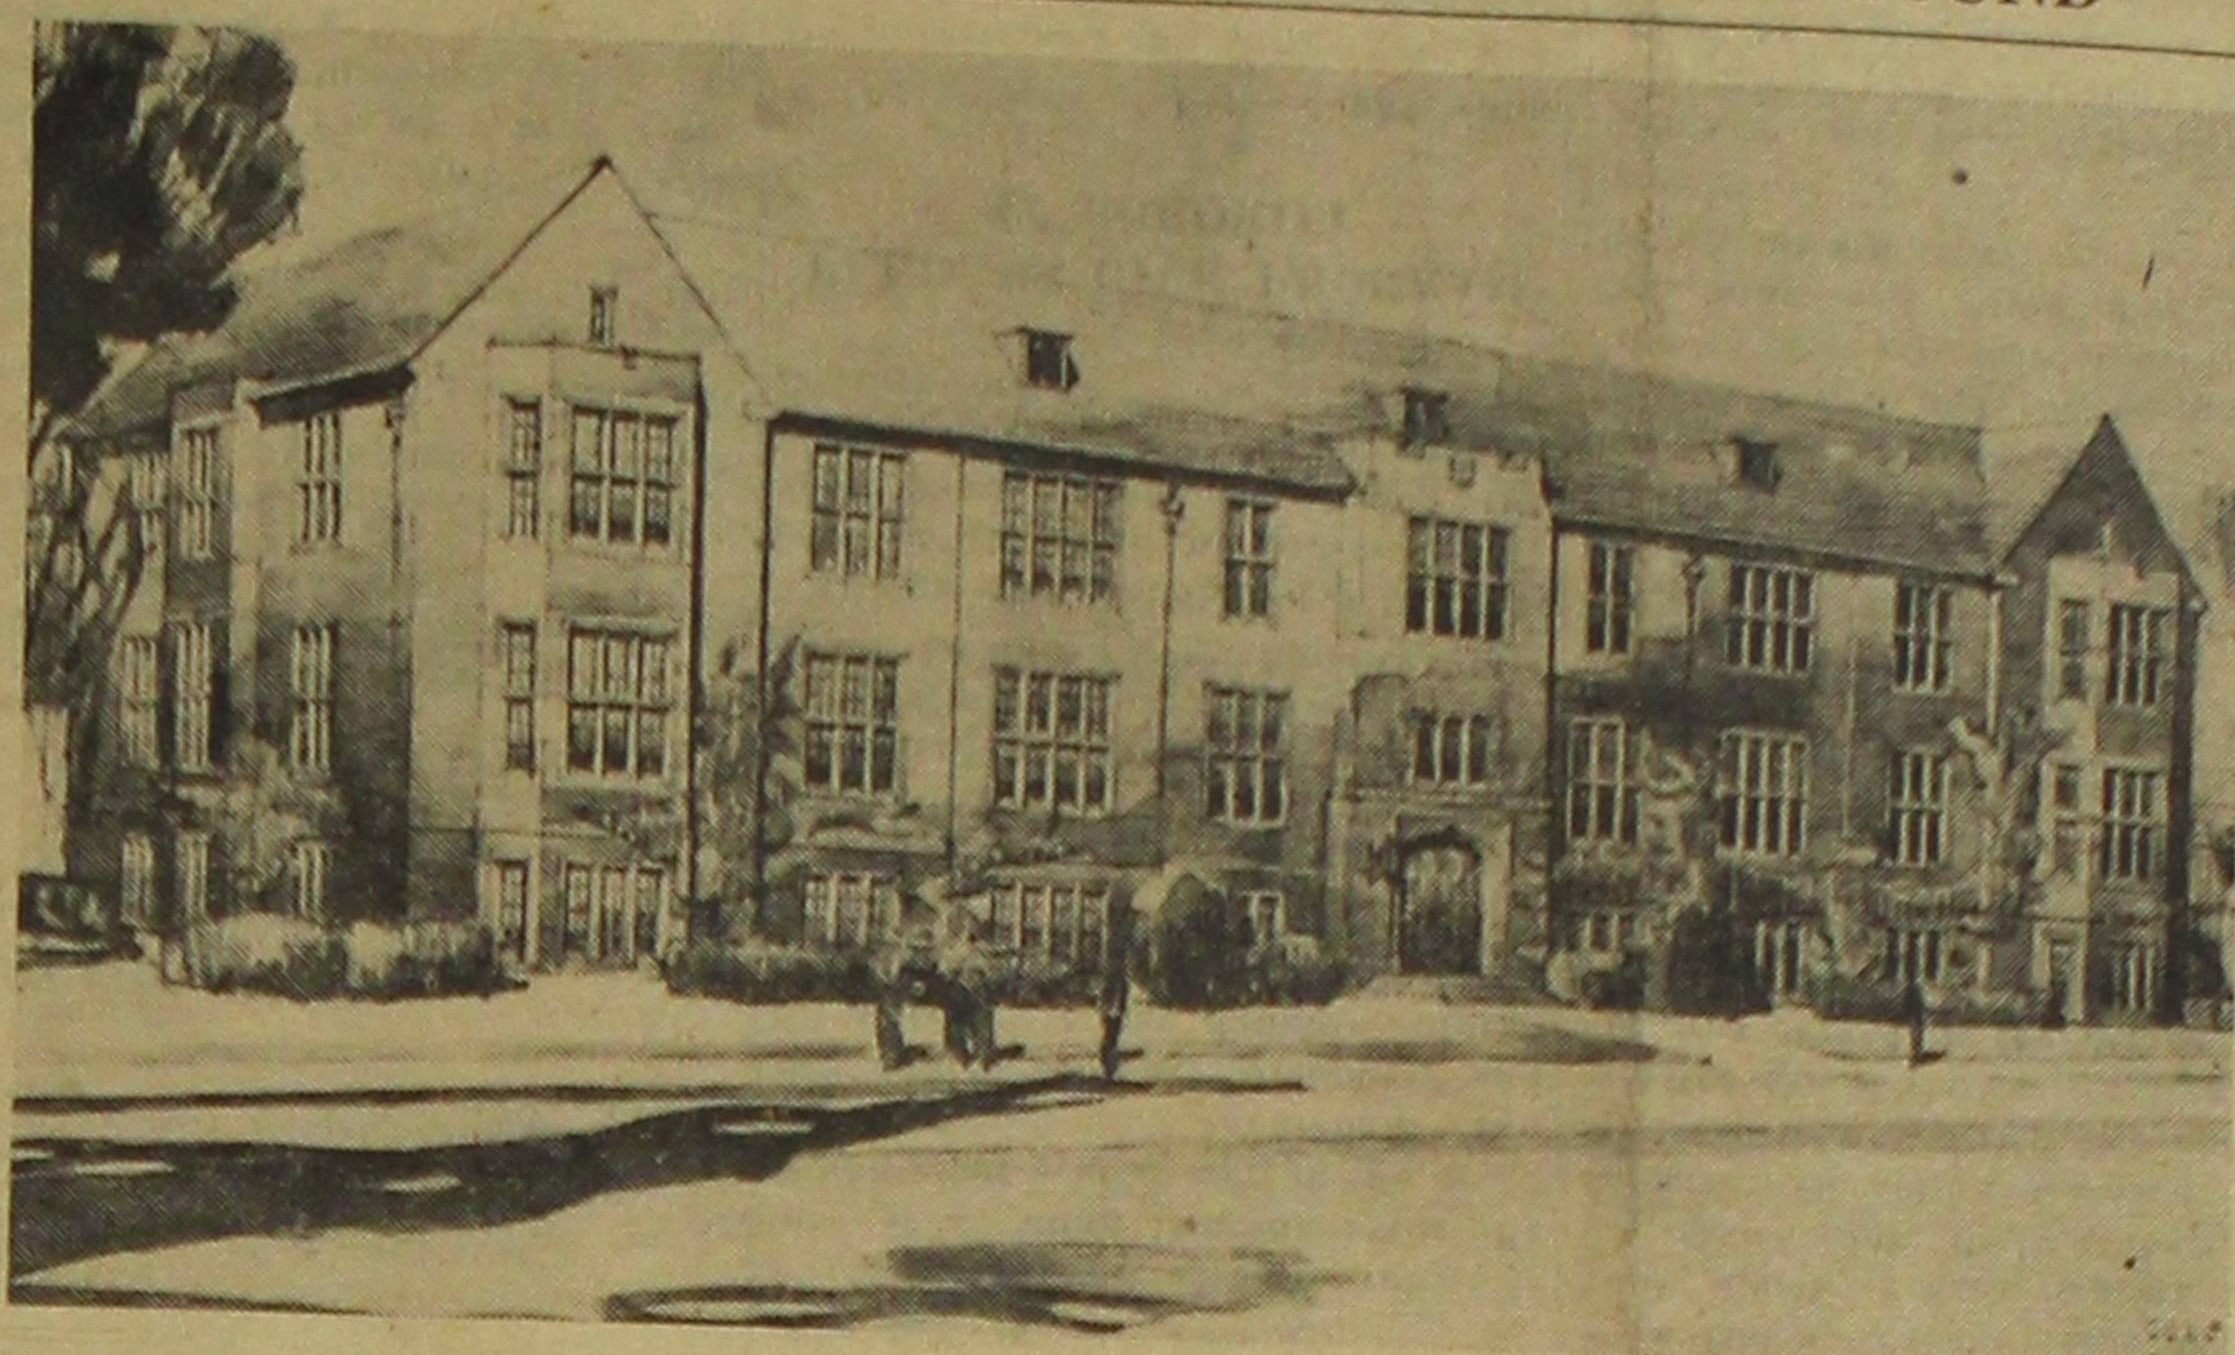

Teacher's Certificates Will Be Awarded To 53 Students; Normal Discontinued

With the completion of the present two-year normal course at the College of Puget Sound 53 students will be candidates for state teachers certificates to be given in connection with the commencement exercises, held June 6.

In the development of the liberal arts division of the college it was necessary to discontinue the two-year normal course.

Those who are to receive certificates are: Stella A. Samuelson, Stella E. Simpson, Ralph K. Sullivan, Arthur Swanson, Elizabeth Thelma Wesley, Lucy Wittine, Carol Holloway, Mrs. Eleanor Hughes, Helen Jensen, Elizabeth Jones, Louise Kerry, Ruth Koper, Frank B. Laird, Mrs. Nellie Marken, Mary Louise McCarthy, Theo Misener, Margaret O'Conner, Mrs. Emma R. Pearson, Laura G. Peltier, Rose Phelan, Marie Porter, Nadine Purkey, Ada Annabel, Eileen Austin, Luella A. Baldwin, Elva Belfoy, Ruth Berk, Hildur Burglund, Florence Bronson, Alice Dahlberg, Julia Danielson, Mrs. Jennie Evans, John O. Fitts, May Niles Ford, Dorothy Gilmore, Mary C. Glen, all of Tacoma; Lulu Hartweg, Roy; Amelia C. Herman, Duval; Jennie Dougan, Rainier; Edna Dickson, Elma; Opal Akehurst, Lillian Larson, Burton; Doris Jones, Shelton; Thelma Irene McFall, Everett; Eva Meyers, Mineral; Isabel Rosmond, Montesano.

WORK BEGINS ON NEW BUILDING AT PUGET SOUND

Science Hall, soon to be completed on the College of Puget Sound campus, as sketched by Architect Earl M. Dugan. Work will begin April 15, occupancy being assured by September 1. More than \$170,000 will be spent in the structure.

SPUR MEETING STARTED THIS MORNING AT UNIVERSITY OF WASHINGTON

CONVENTION IN SEATTLE

Five Puget Sound Women Will Represent College In 3-Day Conference

The national convention of Spurs, women's pep organization, held its opening session at ten o'clock this morning at the University of Washington.

Delegates from the eight chapters arrived yesterday and early this morning. They will be guests of the University of Washington chapter, besides the Seattle Spurs, members from the groups at Montana State College, University of Utah, Washington State College, University of Oregon, Oregon Agricultural College, University of Idaho and the College of Puget Sound were present when the meeting was called to order.

Five Go From College

The College of Puget Sound will be represented by five Spurs: Ina Coffman, Josephine Day, Winifred Gynn, Helen Jensen and Betty Walton. As one member from each chapter has the vote for her group at the convention, Josephine Day has been chosen to represent the Puget Sound group. The delegates are expected to bring back from the convention many ideas that will benefit the organization, and through it, the whole college.

The pie sales, that were held recently were for the purpose of defraying the expenses of the convention and giving the Puget Sound group a means of taking care of their current expenses. "The sales were successful and the Spurs are grateful to all who co-operated to aid them in their work," said the president.

PUGET SOUND TO HAVE NEW MEN'S CLUB ON CAMPUS

Nineteen Charter Members In Delta Pi Omicron; New Fraternity

Nineteen charter members form the roster of the Delta Pi Omicron, newest fraternity, at the College of Puget Sound, it was announced Friday.

Wallace R. Drake is president of the new organization. Other officers are: George P. Firth, treasurer; Leonard Farstvedt, sergeant-at-arms; Edgar R. Haley, chaplain; Joe Cornish, secretary.

Charter members are: Francis E. Darling, Raymond Dockett, Wallace R. Drake, Leonard Farstvedt, George P. Firth, Edgar R. Haley, George Harding, Arthur A. Hedges, Eugene L. Kidd, Louis Laucher, Vernon Layne, Milan Michener, Robert L. Miles, Harold Skramstad, Arthur Spencer, Ansel Nye, Kenneth Strachan, Roy M. Hagen and Joe Cornish.

DAVIS CHAIR ENDOWMENT

Active work on the campaign for endowment of the Davis chair was started last Monday by the Campaign Committee.

APRIL 14 TO BE CAMPUS DAY; GOOD CLOTHES TO BE BANNED

Bean Feed And Tug-Of-War To Feature Event, Entire College To Be Divided Into Teams

April 14 has been announced by Harold Huseby, A. S. C. P. S. president, as Campus Day for this year. He has not yet appointed a committee to take charge of the day, but will do so in the near future.

Campus day is one of the oldest and most popular traditions of the College of Puget Sound. It was established at a time when Puget Sound hardly had a campus. On this day the white collar, all good clothing and school books of all kinds take a position of ignominy and unimportance on the campus. Everyone from the president of the college down to the most humble freshmen dons overalls and old clothes of all kinds, arms himself with sundry utensils of a gardening nature, and makes an onslaught on the ugly parts of the grounds.

Teams To Be Named
Plans for this year's day have been largely completed. The entire student body will be divided into teams, and each group will have

a certain duty to perform. The tentative programs calls for work on the tennis courts, the track, the athletic field and on various parts of the campus.

However, the day will not be spent entirely in work. At noon a big bean feed will be served all the students and faculty. In the afternoon, the freshman and sophomore classes will meet in a desperate tug-of-war, in which each team will attempt to pull the other squad through a stream of water played between the two groups from a fire-hose. This will officially end all rivalry between the two classes.

Committee In Charge
The Campus Day committee will be in charge of the day. They will be assisted in their work by the captains of the different teams, and by the Knights of the Log and Spurs.

In case of rain, the event will be postponed until the following day.

GLEE HOME CONCERT IS SUCCESS; CLUBS PLAN SEVERAL APPEARANCES

Men Will Give Two More Programs and Women Plan Five Appearances

Ashford will be host to the Men's Glee Club tonight when they put on their next to the last engagement on their schedule this year.

They gave a performance at Steilacoom Tuesday evening and are slated for another at Edgewood on April 12. According to the manager, George Durkee, this will complete the program for the club this year.

The Women's Glee at present is working mainly on its home concert, which it is planning to give on April 22, but it has two other outside engagements in the near future to fill, one at Roy tomorrow night, and one at Rainier on April 15. Alice Gartrell, manager, also plans to give performances at Dash Point and possibly Buckley, but no definite arrangements or dates have yet been decided upon.

The results of the women's half of the ticket-selling campaign have not been figured out yet, but will be in the near future. The men will try soon to win the party offered as a prize, by selling a larger number of paste boards to the women's home concert.

ALUMNUS RETURNS FROM SINGAPORE

Pres. Todd went to Seattle this week to meet the Rev. and Mrs. Marmaduke Dodsworth, who have just returned from the Strait settlements, Singapore.

Mr. Dodsworth was graduated from the College of Puget Sound in the Class of 1919, and was very active in student affairs while on the campus.

PUGET SOUND TRACK MEN DEFEAT CANADIAN TEAM AT VANCOUVER

LOCAL DEBATERS LOSE FORENSIC TILT TO U. S. C.

Argument on China Question Is Interesting; Men Have Good Delivery

DECISION IS 2 TO 1

Puget Sound Represented by Franklin Manning and Torrey Smith

By Albert King

In a debate as interesting and thrilling as any football game, the Puget Sound forensicians dropped a 2 to 1 decision to the invading squad from the University of Southern California Wednesday evening. The vote of the judges shows that the home team put up a good argument against the superior experience and delivery of the southern debaters.

The losing team was composed of Torrey Smith as first speaker, and Franklin Manning. From U. S. C., William Henley and Arthur Syvertson presented the winning negative argument. The time was fifteen-seven.

The argument was based on the Chinese question. It centered around a discussion of whether or not there was a sufficiently organized or well-defined government in China today, to which we could relinquish our extra-territorial rights and privileges with a fair assurance of the safety of our citizens in the future. Mr. Henley, summarizing his speech, put the question thus: "If we relinquish power to China, to whom shall we relinquish it?"

On the program also, was a violin solo by Franklin Johnson, given immediately after the closing rebuttal. The judges were Attorney Hugo Metzler, Debate Coach Weaver J. Allison of Lincoln High School and Dr. Burton Lemley.

REAGOR SPEAKS TO STUDENTS OF SOCIOLOGY FRI.

"Minister Must Be Worth His Salt" Declares Pastor Of Christian Church

"The minister is not an object of charity and if he is not worth his salt, he has no place in the community," declared Rev. Paul Reagor in his talk last Friday on "The ministers code of ethics." He spoke before Prof. Regester's class in Practical Ethics and Prof. Topping's class in Sociology 30.

"The minister has a right to use his professional influence to help other people, but he has no right to trade on his profession. There is no clearly defined code for the preacher, but there are certain very definite ethical situations that must be met daily. When a man enters the ministry he must assume definite responsibility. His life must be absolutely above reproach. He must not only preach Christianity, but he must reveal Christ in his own life."

Dean Milan Talks on Subject Of China

"We in America have so much in the way of material ways—material comforts—that it is very difficult for us to go to China, put ourselves in the place of the Chinese people and really understand them," said Dean Milan, head of the home economics department of Oregon Agriculture College in her talk in Chapel Wednesday. "I was, however, struck by the happiness and charity of the Chinese people, in spite of their misery and poverty."

Mr. A. K. Millay of Chewelah and Mr. E. C. Bowersox of Wenatchee, who are the new members of the State Board of Education, were introduced by Pres. Todd.

Conquer U. B. C. Cinder Men by 72-59 Count; Three U. W. Conference Records Falls

Darrow Is High-Point Man Of Meet With 16 Points; Tatum Is Second

The College of Puget Sound track squad romped home last Saturday afternoon with a decisive win over the University of British Columbia at Vancouver by a score of 72 to 59.

The Loggers were led to their victory by the stellar running of their captain "Red" Tatum, who captured first places in the 440, 880, and the high jump. Tatum's run in the quarter mile dash was the sensation of the day and the blonde speedster was clocked in the fast time of 52.6 seconds, a conference record.

All "times" were exceptionally good, considering the fact that the season is early and that most small colleges in the Northwest have not begun training yet. Three Northwest Conference records were topped during the afternoon and others were nearly equaled.

Loggers Take Hurdles

The high hurdles resulted in a sweeping victory for the Puget Sound men when Fred Carruthers and Amos Booth swept over the tall sticks in fine style to win with yards to spare. The dashes and the high hurdle races were run on mud-encrusted grass and times for these events were comparatively slow. Carruthers checked in his victory in 17.6 seconds.

In the sprints Don Darrow was barely nosed out by inches by the British Columbia star, Burgess.

The half mile run was won by Tatum with little trouble. McWilliams, the B. C. man, was out of condition and furnished the Loggers with little opposition. The time, 2:09.2 was slow.

U. B. C. Wins In Mile

In the mile Bill Selby, the Canadian's best bet in the distances, ran away from Yates Van Patter on (Continued on Page 4, Col 3.)

FORENSIC MEN MEET WHITMAN IN DUAL TILT

WILL CLOSE 1927 SEASON

Is First Time Loggers Have Met Missionaries In Debate

A dual forensic contest with Whitman college will close the debate season for Puget Sound this year. The clash will take place April 18, with the negative teams probably travelling.

As far as is known, this is the first time Puget Sound has met Whitman in debate, although athletic relations have existed for some time through the Northwest conference.

Puget Sound will be represented on the affirmative team by Franklin Manning and Torrey Smith, and on the negative by Elverton Stark and John Rademaker. The question debated will be the Chinese problem, "Resolved: That all foreign governmental control in China should be removed except that usually exercised by consulates and legations."

At present the strength of the Whitman team is not known. By the time the debate takes place Puget Sound debaters will have had much experience and should stand a good chance of taking both decisions.

PUGET SOUND RECEIVES \$5000

At the last meeting of the trustees of the College of Puget Sound, Pres. Todd announced that the College had just received a gift of \$5,000. The name of the donor was not given out for publication. This gift will apply towards the building fund.

The next thing on the Logger's sports program is marbles. Having defeated all the other teams in the Northwest Conference in mummbling and musical chairs, the Tacoma athletes are looked upon as likely material for conference victories in the latest and most strenuous sport of the year.

FACULTY ENJOY PROGRESSIVE FEED

A progressive dinner was held by the faculty Wednesday evening at the homes of several members of the faculty. There were 48 guests present, including the faculty, their wives and the office force. The first course was served at Dr. Martin's, the second at Prof. Cheney's, the third at Dean Lemon's, and for the last course the guests went to Prof. Holcomb's home. Mrs. Battin gave several vocal selections. Many unusual games were played. Mesdames Slater, Martin, Cheney, Lemon, and Holcomb were in charge of the affair.

SPRING APPEALS TO LIT MEMBERS

A program entirely on the subject of Spring was presented by Philo members in their Monday evening meeting.

A saxophone duet by Leo Durkee and Frank Rostedt was the first number on the program. "Yearnings" was a talk by Betty Totten. Marion Gynn gave the prophetic of spring, in an extemporaneous speech. "Robin's Return" a piano solo by Marie Tromer, followed this extempo. Douglas Hendel gave his views on "In the Spring a Young Man's Fancy".

John Gardner and Harwood Tibbits sang the "Gypsy Love Song." Erma Coffman gave an impromptu talk on "Spring Fever". "Nymphs of Spring" was an impromptu by Douglas Tilton.

LUNCHEON GIVEN BY OTLAH CLUB

Coming as one of the beautiful affairs of the lenten season was the luncheon Saturday given by the Otlah members in honor of their mothers. Entertaining at the home of Evalyn Miller the girls cleverly carried out the Easter motif in the table appointments and the room decorations.

The guests, which included the mothers and friends, were the Mesdames L. S. Rohe, Emma Knuippe, William Herzog, Henry Longstreth, J. R. Miller, W. R. Coffman and E. O. Stowe.

The Otlah club membership includes Genevieve Stowe, Ina Hagedorn, Erma Coffman, Edna Knuippe, Evalyn Miller, Winifred Longstreth, and Miss Reneau, the faculty advisor.

BLONDES WIN IN ALTRU ARGUMENT

A delightfully foolish time was enjoyed by Altrurian members Monday evening, as they listened to "A Foolish Program."

The entertainment was opened by a debate on the question of "Why Gentlemen Prefer Blondes". Arthur Hedges and Katherine Hoffman supported the affirmative with observations from life.

The negative was upheld by Ansel Nye and Marian Johnson, but their oratory could not withstand the onslaught of the affirmative, and the decision went to the latter, three to nothing.

"My Ideal Love Story" was told by Beth Pierre. A stunt entitled "Why Girls Say No," was presented by Harold Nutley, Mary Kizer, Kirk Eads, and Ruby Mansfield. Dolly Feroglia closed the program with a convincing extempo on "Why I Will Never Marry."

AMPHICS GATHER NEAR CAMP FIRE

A merry group of campers gathered "Around the Amphictyon Campfire" last Monday evening, and were entertained by a tasteful program.

The chairs were removed from the room and wood, red paper, and electric light created an artistically real bonfire. The rosy glow of soft light enhanced the effect. Peggy Campbell read an original poem, "The Call of the Campfire," "Campfire Yarns" authorized Albert King to tell a "fish" story. Dorothy Gilmore and Pearl Pearson completed the out-door effect with the "Chirpin' of the Crickets," a violin duet. A skit entitled "What Dose Chillin' Done up to," was presented by Martha Hawksworth, Alice McLean, Stella Samuelson, John Sharp, Edwina Smith and David Taff. Eloise Sanders then entertained with "Just a Little Melody" on the piano. "Spooks and Shadows" awed the listeners in a talk by Guy Hughes. Grace Eddy then spoke "Beside Our Amphictyon Campfire." The program was concluded with songs led by Evalyn Miller, "Just Now Round the Campfire We Sing."

80 ARE INVITED TO MATH PARTY

Eighty invitations have been sent out to students in the mathematics department for the April Fool party to be given tonight by the Mathematical Round Table at Mason M. E. Church on North 28th and Madison Street.

The program for the evening will include vocal and instrumental numbers, and a one-act comedy, entitled "April Fools". Guests will be entertained also with freak stunts and exhibits, and prize games. Those who have been planning the party are: Mrs. R. Bethel, chairman, Dorothy Getty, Ruth Fadness, Evelyn Bjorkman and Ethel Trotter.

MISS SCOFIELD BECOMES HONORARY MEMBER

Miss Susan Scofield, Lambda Sigma Chi advisor, was initiated into honorary membership of the sorority last Wednesday afternoon at the regular meeting. The final initiation ceremony for the pledges was held also. Dorothy Gilmore was in charge of the initiation supper.

A short business meeting followed the ceremony, after which the girls went to the University of Southern California debate at the Jones Hall.

ELEPHANTS

The elephant is man's most intelligent helper. But—consider this interesting comparison:

An elephant is much larger than the electric motor of a "yarder" or logging machine. The "yarder" has the power of twenty elephants; it handles clusters of logs; it works dependably, twenty-four hours at a stretch, if necessary.

Twenty elephants would eat daily 10,000 pounds of green food, which a corps of attendants must gather. A motor "eats" nothing but electricity, supplied at the throw of a switch.

Power used in the modern industrial world is applied through electric motors—tireless "iron elephants" that are relegating antiquated machines to museums, along with such oldtime household articles as wash-tubs and ordinary irons—and stuffed elephants.

Two million elephants could not do the work now being done by General Electric motors. Whatever the work to be done, whether it needs the power of an elephant or the force of a man's arm, there is a General Electric motor that will do it faithfully for a lifetime at a cost of a few cents an hour.

RESERVE SQUAD MAY BE FORMED FOR TRACK MEN

By Minard Fassett
That the reserve track squad for the College of Puget Sound is a possibility was the statement made by Track Coach Raymond E. Seward Monday.
There are in the college many men with track ability who are not being taken on trips, either because they are not quite good enough or because of a lack of funds. Another year will see these men possess more ability, and they will be a valuable aid to the cinder squad. A reserve team to give these men competition with the high schools will furnish good training.
"All of this can be done if enough interest is shown to warrant the formation of such a squad," said Coach Seward. Track enthusiasts in the college, take notice. Here is a chance to spread fame of the college, to secure competition and training for yourselves, and to build a real cinder team.

STIFF SEASON PLANNED FOR BASEBALL MEN

TWENTY ARE TURNING OUT
Team Is Weak On Pitchers; Several Letter Men On Diamond

By George Ellinger
Curtain! When Cac Hubbard, Logger mentor, rang up the curtain on the great American game, about twenty ball-chasers burst onto the diamond, equipped for the coming grind. Ideal baseball weather, with a clear sky and a blazing sun, greeted the candidates.
Hubbard Not Optimistic
Hubbard is anything but optimistic about championship prospects but he hopes things may be brighter as the season advances. The time this week is being spent in a light workout, including batting and field practice, and general warming up. Hubbard plans to have turnouts during vacation if possible.
The weakest link and most uncertain element in the team, the pitchers' box, seems the greatest obstacle in the path of a successful season.
The men from last year's squad now turning out are Beckman, catcher; Guest, pitcher; Elerman, pitcher; Wilson, shortstop; Kepka, second, Ginn, third, and Hannus, outfield.

Stiff Schedule Planned
The tentative schedule for the season is a stiff one. Games with Pacific, Linfield and Willamette, loom up in the future. The winner of the Western division plays the winner of the Eastern division, including Whitman and Idaho, a three game series at Walla Walla for the championship about June first.

LOGGERS BEAT U. B. C. IN MEET

(Continued from Page 1, Col. 5) the last lap. The lanky Logger held the pace until the final sprint, but was unable to sustain the hot speed set by his opponent.
Fassett, who had trotted the mile for third place and one point, made his real fight in the two mile and ran a pretty race to beat the Conference record by 16 seconds. He led his opponent Selby by 150 yards. The time for the two mile jaunt was 10:11.5 minutes.
Amos Booth ran a fast low hurdle race to win in 28.2 seconds. The hurdles were run around a sharp curve that cut the time down but Amos ran with such speed that his opponent, Stewart, who ran with excellent form, was unable to keep up.
Win Points In Field
The loggers piled up points in the field events. Garnero took the discus and shot with heaves of 117 feet and 36 feet 7 inches respectively. Darrow captured the javelin with a throw of 125 feet. Darrow pole vaulted for close to an hour before he could capture that event from his opponent, Alpen, at a height of 10 feet 2 inches. Tatum added to his string of firsts when he slashed the record in the high jump with a leap of 5 feet 7 inches.
The British Columbia squad made a clean sweep in the broad jump.
Don Darrow with 16 points was high point man of the meet. He placed first in pole vault, the javelin and captured seconds in the hundred and 220 yard dashes. Tatum with 15 points, closely followed him.

NEW COLLEGE CONFERENCE IS BEING FORMED

WILL INCLUDE RESERVES
Other Members Seattle Pacific; Mount Vernon, Pacific Lutheran, Centralia

Plans were formulated recently by representatives from five colleges of the Northwest, providing for an athletic conference to include four junior colleges of Western Washington and the College of Puget Sound Reserve squads. The members of the junior college conference will be Pacific Lutheran College, Centralia Junior College, Seattle Pacific College, Mount Vernon Junior College, and the Puget Sound Reserves.
Includes Many Sports
The following sports will be in the schedule for the junior conference: Basketball, baseball, track and tennis for men; and basketball, baseball, volleyball, tennis and hockey for the women. The members of the junior conference will be governed by a revised version of the Northwest Conference rules, altered to fit the needs of the smaller group. Home and home games will be played in basketball and baseball, and alternate contests are to be scheduled for football. One track meet each year will be held at the school which has the necessary equipment.
Representatives who attended the meeting for the formulation of the plans were: Dean Lemon and Clare Guest, athletic manager, from the College of Puget Sound; A. W. Ramstad, Pacific Lutheran College; A. Ehret and George Brown, Centralia Junior College; C. L. Ward, of Seattle Pacific College, and Reese, of Mount Vernon Junior College were unable to attend the meeting but signified their willingness to enter the junior college conference.

WRESTLERS WILL MEET LINCOLN, PORTLAND TEAM

The practice meet that was to be held with Lincoln High School Tuesday afternoon was called off, due to sickness hitting the Logger squad.

A future meet is being planned with the high school team to take place after spring vacation.
Several of the Puget Sound wrestlers who are physically able are travelling, Saturday, to Portland to represent the local Y. M. C. A. in a dual meet with the Rose City outfit.
Those making the trip from the college are Glen Brown, 135 pounds, Charles Everett, 120 pounds, and probably Norton and Ruffo in the 155 pound class.
