CHEATING IN TEXAS MADE COMPULSORY

Cheating was compulsory on a quiz given recently in a psychology class at the University of Texas.

"Look at your neighbor's paper, compare your answers, change your seat if you wish; cheat in any way you can provided you do not talk," were the instructions given at the beginning of the class period. Elated students needed no urging, and with complacent expressions, they carefully copied each others answers and willingly exchanged papers for purposes of comparison.

Material covered by this quiz had also been covered by a previous test on which no cheating was possible. A method of testing, involving individual codes which were used in answering the questions had been prepared.

The purpose of the second quiz was solely experimental and no credit was given. Results of the experiment have not been announced yet.

The first step of the Intercollegiate Disarmament Council recently formed by students representing colleges from all parts of the country, is the distribution of sample disarmament ballots. A nation wide poll of all college students is to be taken on December 15. After all ballots have been tabulated in the individual colleges and the results have been sent to the office of the council in New York City, the final results are to be sent to President Hoover and published in the papers.

A sample ballot runs as follows:

- (1) If all nations join in similar reductions in military and naval establishments intended for use against each other, how much disarmament would you favor?

Sigma Mu Chi Wins Mierow Trophy Award

Sigma Zeta Epsilon, Alpha Chi Nu Also Rank High

Sigma Mu Chi	96%
Sigma Zeta Epsilon	95%
Alpha Chi Nu	93%
Delta Pi Omicron	91%
Alpha Beta Upsilon	88%
Delta Kappa Phi	86%

Sigma Mu Chi fraternity, with a brilliant display, took first place in the initial contest for the Mierow Homecoming Trophy. After viewing the house, the judges awarded Sigma Mu Chi 96 per cent. The main features of the Mu Chi display were a large sign, welcoming the alumni, and illuminated by two large red flood-lights, and a smaller sign to one side, portraying a Logger running over a Bearcat. A string of colored lights outlined the house, and completed the display.

Sigma Zeta Epsilon took second place with 95 per cent. Their sign featured a Logger splitting a Bearcat, and showed clever originality. The house was outlined with blue and white lights.

The Alpha Chi Nu decoration showed much thought and preparation. A scaffold in miniature was built in front of the house, and from it was hung a figure representing a Willamette player.

Among the other houses, Delta Pi Omicron displayed a string of pennants and a lighted sign, Alpha Beta Upsilon a lighted sign, and Delta Kappa Phi a welcoming banner.

Now that a trophy has been donated, the decorations are becoming more artistic, more complete. The competition promises to be more exciting next year.

Due to the mysterious disappearance of the trophy cup from backstage at the Scottish-Rite Cathedral Saturday night, it could not be awarded. However, it is hoped that it will be returned to the college in the near future.

DR. TODD, BLAINE LEAVE NEW YORK

It is not known whether Dr. Todd will stay in California for any length of time. Word is expected from him very soon, and until it comes, the date of his arrival here will not be known.

ALL-COLLEGE MYSTERY THRILLER PRESENTED BY CAMPUS PLAYERS

Campus Play Crafters Produce "Seven Keys to Baldpate" Which Was Formerly an Extremely Popular Play; Guilford and Carlson Take Leads; Miss Martha Pearl Jones Director

"A deserted inn in the mountains. Nothing but crooks, and murders, and dead people walking down the halls. Hundreds of thousands of dollars and keys—KEYS." Clothed with an air of mystery and horror, "Seven Keys to Baldpate," the first all-college production of the year, will be enacted by the Campus Play Crafters of the College of Puget Sound tonight at 8:15 in the Jones Hall Auditorium.

Clarinet Players Wanted by Band

Plans Are Made to Secure Uniforms

Harry Evans, director of the band, has issued an urgent plea for more clarinet players. Two years ago, Mr. Evans took over the leadership of the organization, and now has it on a working basis. The membership totals over 30 members. However, according to Mr. Evans, it is unbalanced, due to a marked deficiency in clarinet players.

To present a concert sometime prior to the Christmas holidays is the aim of the band. They are working on the numbers now.

Mr. Evans is making plans to acquire distinctive uniforms for the members of the band, and hopes to have them in time for the concert.

The band has already appeared in public several times, twice in advertising home games, and five times at the games.

The personnel of the band includes: Ed Bonner, Lola Sanders, Roy Norman, Arthur McArthur, Jack Evans, Bill Gunston, Del Jones, Marguerite McMaster, Herbert Arns-ton, Lloyd Searing, Phil Carlson, Roger Johnson, Murray Johnson, Viola Shoemaker, Lorraine Sanders, Myrtle Dexter, Dorothy Foxwell, Elden Billings, Wilbur Berger, Ralph Towne, Charles Guilford, Harry Burpee, Vernon Birch, Sonny Brockman, Dick Adams, Cora Jeffries and Bill Sherman.

Go "Dutch Treat" On U. S. C. Campus To Aid Depression

"At last civilization is at its peak. Emancipation of the male has been accomplished, after centuries of struggle. Women may smoke the men's cigarettes, but they hereafter will have to pay half the date bill. The immense advantages of this for both parties is readily apparent."

With this statement, the University of Southern California Fifty-Fifty Club organized, including over 100 "best dates" of the campus. Insignia will be plain white buttons with "50-50" in red.

Campus women are to be notified that any member of the club in asking for a date leaves it understood that the girl is to pay her share of expenses.

Founders of the club pointed out a world of advantages and no disadvantages. Each member is supposed to have sufficient "it" to make himself a desirable date under the circumstances.

"All the founders wish it understood that they are very serious about the proposition and positively will not take dates unless the 50-50 understanding is made," declared the president.

"The idea is not copied from any other university. It was such a good plan that we felt it should be inaugurated, at last completing the emancipation of the male."

"It is demonstrable that college women have more money than college men. In paying half the bill, the women will then have the privilege of refusing dates gracefully, and it will work for their advantage as well."

"Women have been clamoring for their independence many years. Here they have it. And so have the men. That should be fair."

Anyone wishing to join the Fifty-Fifty club may see a member and make arrangements. The initiation fee is 10 cents which pays for the button. There are no dues.

STUDENTS HELP NEEDY MEXICANS

The Cosmopolitan Club of Occidental has collected over \$60 from faculty members, students, and friends of the college to help in providing food and clothing for thousands of Mexicans who are being deported from Los Angeles because of the unemployment situation in that region. The Club began its activity with the distribution of apples among the deportees, and with provision for their entertainment at the train. It has prepared meals for deported families, and has provided money for those in need. A girl student sang Spanish numbers at the train and explained to the Mexicans the purpose of sending them back to their native land. Their reactions to the work were favorable; it was keenly appreciated. It was done to show them that there was a spirit of friendship for them and that the students were ready to help them.

FACULTY IS CORRECTED

And now the faculty at Columbia University have been accused of "murdering the English language," by the undergraduates. The students, tired of hearing wrong English used, have taken upon themselves the responsibility of forcing the faculty to correct their English. The chief errors charged against the whole faculty was the use of "don't" for "doesn't."

Y. M. DIRECTOR SPEAKS TO GROUP

"Even the apples of Wenatchee are affected by the Disarmament Conference that will be held in Geneva in February," said Miss Louise Fleming, director of Y. W. C. A. at the University of Washington, at the Y. W. meeting in the auditorium Tuesday.

Miss Fleming elaborated the subject by saying, "Hamlin is the foreign apple center so if Germany is not stable the people will not buy. Also our banks will not loan these apple orchard owners money because of such a market condition. Our lumber is also greatly affected. This is why we, by local groups through a national organization, must make friends with World War enemies."

Lola and Lorraine Sanders sang "By the Bend of the Road" and were accompanied by Viola Shoemaker. Helen Carlson was chairman.

Wesleyan U. Passes Successful Century

Wesleyan University, at Middletown, Conn., has successfully completed its century mark in upholding ideals of American education. Wesleyan has always merited unusually high rank in the measurement of American scholastic standards, and now has many outstanding alumni, for it ranks fourth in "Who's Who" for 1930.

LOGGERS TO MEET BELLINGHAM NORMAL; COACH EXPECTS TO GAIN EASY VICTORY

Substitutes To Carry Brunt of Attack For C. P. S.; Sexton Replaces Captain Dean Pettibone Who Received Broken Wrist Bone in Willamette Game

The College of Puget Sound gridmen will be given a breather when they travel to Bellingham to meet the Normal squad Saturday afternoon in a non-conference game.

Pre-game dope points to the Loggers as heavy favorites to win since the Normal squad was defeated last week by P. L. C. 27-7. In the first game of the season the Loggers handed the Lutheran school a 20-0 defeat.

Changes Made

Several changes have been made in the lineup for the locals in practice this last week, and it is likely that the regulars will watch most of the game from the bench.

Captain Dean Pettibone has been replaced by Sexton at right end while Casperson has taken over the duties of Brusch at the left post. Pettibone received a broken bone in his wrist in the Willamette game

and Sandberg will keep him out until the last conference game against Pacific, next week.

Gagnon has been replaced by Bourke at center, Sprenger by Hickox at guard. The tackle jobs will be handled by Mura and Yenter.

Last year the two teams battled to a scoreless tie in the Stadium.

No Injuries

Except for Pettibone no serious injuries were suffered in the Willamette game and the men are in top shape for the game against the Teachers.

Coach Roy Sandberg has put the players through an intensive practice the past week with fundamentals taking most of the time. Blocking, charging, and tackling have been on the daily roster with a few sessions of light scrimmage.

This game will give Coach Sandberg a chance to try out the strength of his substitutes and to decide which men will be taken on the Oregon trip next week.

The game with Pacific will mark the last game of the season for the Loggers. Although Pacific has been defeated twice by conference teams, Coach Sandberg expects one of the hardest games of the season with the Oregon aggregation.

SECOND TEAM DROPS TUSSLE

Grays Harbor Junior College Proves Tough Assignment

Showing unexpected strength, Coach Vic Ranta's Logger reserve eleven held the highly touted Grays Harbor Junior College on even terms for most of the tussle but yielded to a fourth quarter rally and were humbled by a 13 to 6 count last Saturday at the American Lake Hospital grounds. The Grays Harbor aggregation was expected to defeat the locals by a much larger score but the addition of several new men to the ranks of the reserves strengthened them considerably and they were able to put up stiff resistance to the efforts of their opponents.

The junior college started out with determination early in the first quarter and marched down the field to a touchdown on several passes and line bucks. Kolts made the first score but his try for point was unsuccessful.

The second and third periods were scoreless although in the third the Loggers received an opportunity to score when Pietry reeled off a 20-yard run, and with the aid of a 15-yard penalty to Grays Harbor the ball came to rest on the 3-yard marker. The quarter ended before C. P. S. had an opportunity to push it over, but on the opening play of the final canto they scored when Gibson went through guard for the remaining distance. The Lumberjacks lost an opportunity to forge ahead when the attempt at conversion was blocked.

The jayvees scored the winning tally soon after the kickoff when after a steady march down the field, Hicks ploughed through the center of the Logger line for a touchdown. The try-for-point was made by a pass.

Wara, Carey and Kolts for Grays Harbor and Gibson, MacDougall, Pietry, Petrich and Powers for C. P. S. played good ball.

The lineup follows:

Grays Harbor	Puget Sound
McNeil	LE Christman
Normile	LT Grimes

Nippons vs. Mu Chi

The Sigma Mu Chi fraternity continued their winning streak, after a bad start at the beginning of the season, when they downed the Nippons by the score of 17 to 8. The winners played good ball during the entire game and won with ease although the Nippons put on a rally in the final inning. Wilbur Goss led the scoring of the Mu Chis with four runs while Shima and Obayashi crossed the plate twice for the losers.

Delta Kapps vs. Omicrons

Pietry and Ollar scored four runs each for the winners while Gray made the lone tally for the losers. Pietry, lead-off man for the Delta Kapps, slammed the first ball pitched through a window and from then on the game was never in doubt. Williams, pitcher for the Delta Kappa Phi team, pitched good ball during the entire game, the lone tally against him being unearned coming on a fielder's choice.

Sigma Zets vs. Independents

The Sigma Zeta Epsilon fraternity remained the only Greek letter organization undefeated in the in-

tramural baseball series when they defeated the Independents by the score of 19 to 2. Bates led the fraternity team in scoring with four runs, while the defensive work in the field of Grimes was exceptionally good.

Score by innings:

Presenting Sterling and Brusch

The subjects of this week's feature need little introducing to Trail readers. Burdette Sterling, Logger quartermaster, and Carl Brusch, end, both regulars, are again breaking into print this week.

Burdette, or "Detts," Sterling as he is known to his mates, started playing football at Wenatchee High where he got in four years of the grid sport. Four years of prep basketball and two of baseball completed his high school athletics. He then moved on to Ellensburg Normal, where, under Coach Sandberg he played three more years of football and basketball.

Following his sojourn at Ellensburg he made the long hop to Puget Sound, arriving here in time to play reserve basketball and base-

ball in the spring. During the summer he caught for the Carbonado baseball team of the Valley League and was with that team when it went to the state semi-pro tourney.

Sterling held a number of student body offices at Ellensburg, president and vice president of the student body being among his positions. He is an expert pinocchle player and enjoys hunting and fishing. His job is to keep the gymnasium spic and span for the benefit of Logger athletes and physical education classes.

Carl Brusch, Sterling's fellow townsman, played two years of basketball and football at Wenatchee High before graduating in 1930. After waiting a year he came to Puget Sound, and is now embarked upon a career of intercollegiate football as an end on Coach Sandberg's Logger eleven.

Brusch held the office of vice president of the student body at Wenatchee High, besides engaging in a number of activities. His favorite pastimes are eating, sleeping and playing pool (they say he's an expert at the latter game). Besides the above, he likes to dance. The women with whom he dances enjoy it, too.

WILLAMETTE BEARCATS DOWN LOGGERS IN LAST QUARTER OF HOMECOMING GAME

Maroon and White Squad Shows Stubborn Defense To Hold Oregon Team Scoreless Three Periods and Half of Fourth; Final Score is 13-0

By Art Linn

Rising to their greatest height of the season, the white-clad warriors of Puget Sound presented such a stubborn defense to the determined efforts of the Willamette Wildcats that it was not until the closing minutes of the game that "Spec" Keene's men were able to gather in two touchdowns and so defeat the Loggers in the annual homecoming game Saturday afternoon in the Stadium by the score of 13 to 0.

It was not in midfield nor in the territory near there that the Puget Sound team showed its powerful defensive ability but it was in the very shadow of its own goal that each man became imbued with the spirit of "do or die" and held like a mighty stone wall on several occasions.

C. P. S. Shows Strength

The Bearcats were expected to go through the Loggers at will because of their experience and showing in previous games. Although the moral victory in no way increases their percentage in the standings of Northwest Conference teams, the Loggers more than satisfied the most exacting demands of rosters.

Willamette set out to put the game on ice early in the first quarter and marched to the Loggers' 8-yard line on runs by Johnson and Erickson. Here they were stopped when "Det" Sterling recovered a fumble by Johnson. "Ocky" Johnson then punted out of danger for C. P. S. Throughout the encounter his steady punting pushed the Bearcats out of the scoring territory and forced them into their own grounds.

Again in the second quarter the Salem aggregation made threats of pushing the pigskin over for a score. The first attempt was thwarted by Sterling when he knocked down a pass over the goal line. In the closing minutes of the first half, with their regular backfield on the bench, Willamette again was headed for a score but the half ended before any damage was done. Although the Loggers did not threaten to score, several long gains were made by Jimmy Ennis and "Ocky" Johnson but the ball was lost on a fumble before it could get far.

Willamette's offense in the third quarter was led by Cannady, colored flash, who made gains of 10 and 15 yards to put the ball on the 5-yard line. It was here that the C. P. S. line was equal to the occasion and held for downs, the pass attempt on the fourth down being incomplete. A series of passes again made the Bearcats' threaten to score, but once again the Loggers held for downs. During this period Sandberg's men had little opportunity to score but were occupied in warding off their opponents attack which was receiving aid by penalties meted out to C. P. S. for offside violations.

At this time we'd like to thank Dessel Davis, Jean Raleigh, Coach Sandberg, Mr. Hite, Jim Black, Ed Mura, Frank Bowers, Rex Weick, Vic Ranta and Art Bagley for their help in marking the field for the hockey games. As far as the free dinners are concerned, we'd surely like to do our best, but a college banquet is something to undertake. However, we'll try and return the favor some day.

The hockey season is fast going towards a finish with class games scheduled to be played next week. Everyone is invited to come out to view the first games of the year. Find out what days your class team is playing and be out there to cheer them on.

Freshman women had better start practicing, with hockey tests in gym classes starting this week. Although they are not so hard, it is necessary to get through them successfully. For anyone who needs pointers just watch some of those freshman girls hit that ball. They would do credit to a Texas Leaguer.

All girls taking hiking for points should watch the bulletin board closely for announcements.

Next Intramural Sport Scheduled

With the intramural baseball schedule now drawing to a close Lou Grant, physical education instructor, announces that the next intramural sport will be volleyball. As the baseball games are expected to be completed by Thanksgiving vacation, volleyball will commence directly after the holidays.

One week will be devoted to team practice and an explanation of the rules. Special times will be arranged for the practices, and all group managers are asked to see Mr. Grant to schedule their time. After this week of practice the regular series of games will be played.

The game of volleyball is played with six men on each side. No lettermen will be barred from participation as this is not a regular men's sport. Regular amateur rules will prevail throughout the series.

Player control of athletics at Boston University was announced recently by Dr. Frederick Rogers, newly appointed dean of athletics at that institution. Under this system, captains of various teams will direct the games while the coaches sit in the stand.

The Willamette game is now past history—but what a game. To hold the most serious contenders for the conference title scoreless for over three periods is something for the Loggers to be mighty proud about. Time and again the invaders were held for downs—and they tried plenty hard to gain through sheer power.
