EIGHTEEN MEN TO RECEIVE VARSITY FOOTBALL AWARD

Charles Wright to Get Honorary Letter; Committees Appointed for All College Banquet

With recommendations from Coach Roy Sandberg and Rex Weick, football manager, 18 men were approved to receive their football awards by Central Board at the regular meeting Monday. The awards will be made at the beginning of next semester when these men have received the necessary grades and have registered for the rest of the school year.

Charles Wright was recommended and approved to receive an honorary award for four years of service in reserve football. He will be given this award upon graduation.

Many Get Letters

Those who will be presented awards are Art Bagley, Chester Baker, Kenneth Bourke, Carl Brusck, Roy Carlson, Jimmy Ennis, Parks Gagnon, Earl Hickcox, Bob Hurworth, Oscar Johnson, Ed Mura, John Newell, Deane Pettibone, Jack Slatter, John Sprenger, Burdette Sterling, Bernis Yenter and Theodore Warwick.

The committee for the all college banquet consisting of Charles Guilford and Elsie Korpela was appointed to take general charge. There will also be committees chosen from each class. No plans have been made as yet. Rex Weick is to be chairman of the committee for Dad's Night.

President Wilbur Goss appointed a standing committee to see about getting control of the proceeds from the book store for student body needs, instead of having them go into the general fund. Those on the committee are Wilbur Goss, Mr. Hite, Dick Adams and Frank Bowers.

Letters of thanks will be sent to the Chamber of Commerce and civic organizations for cooperation during the football season.

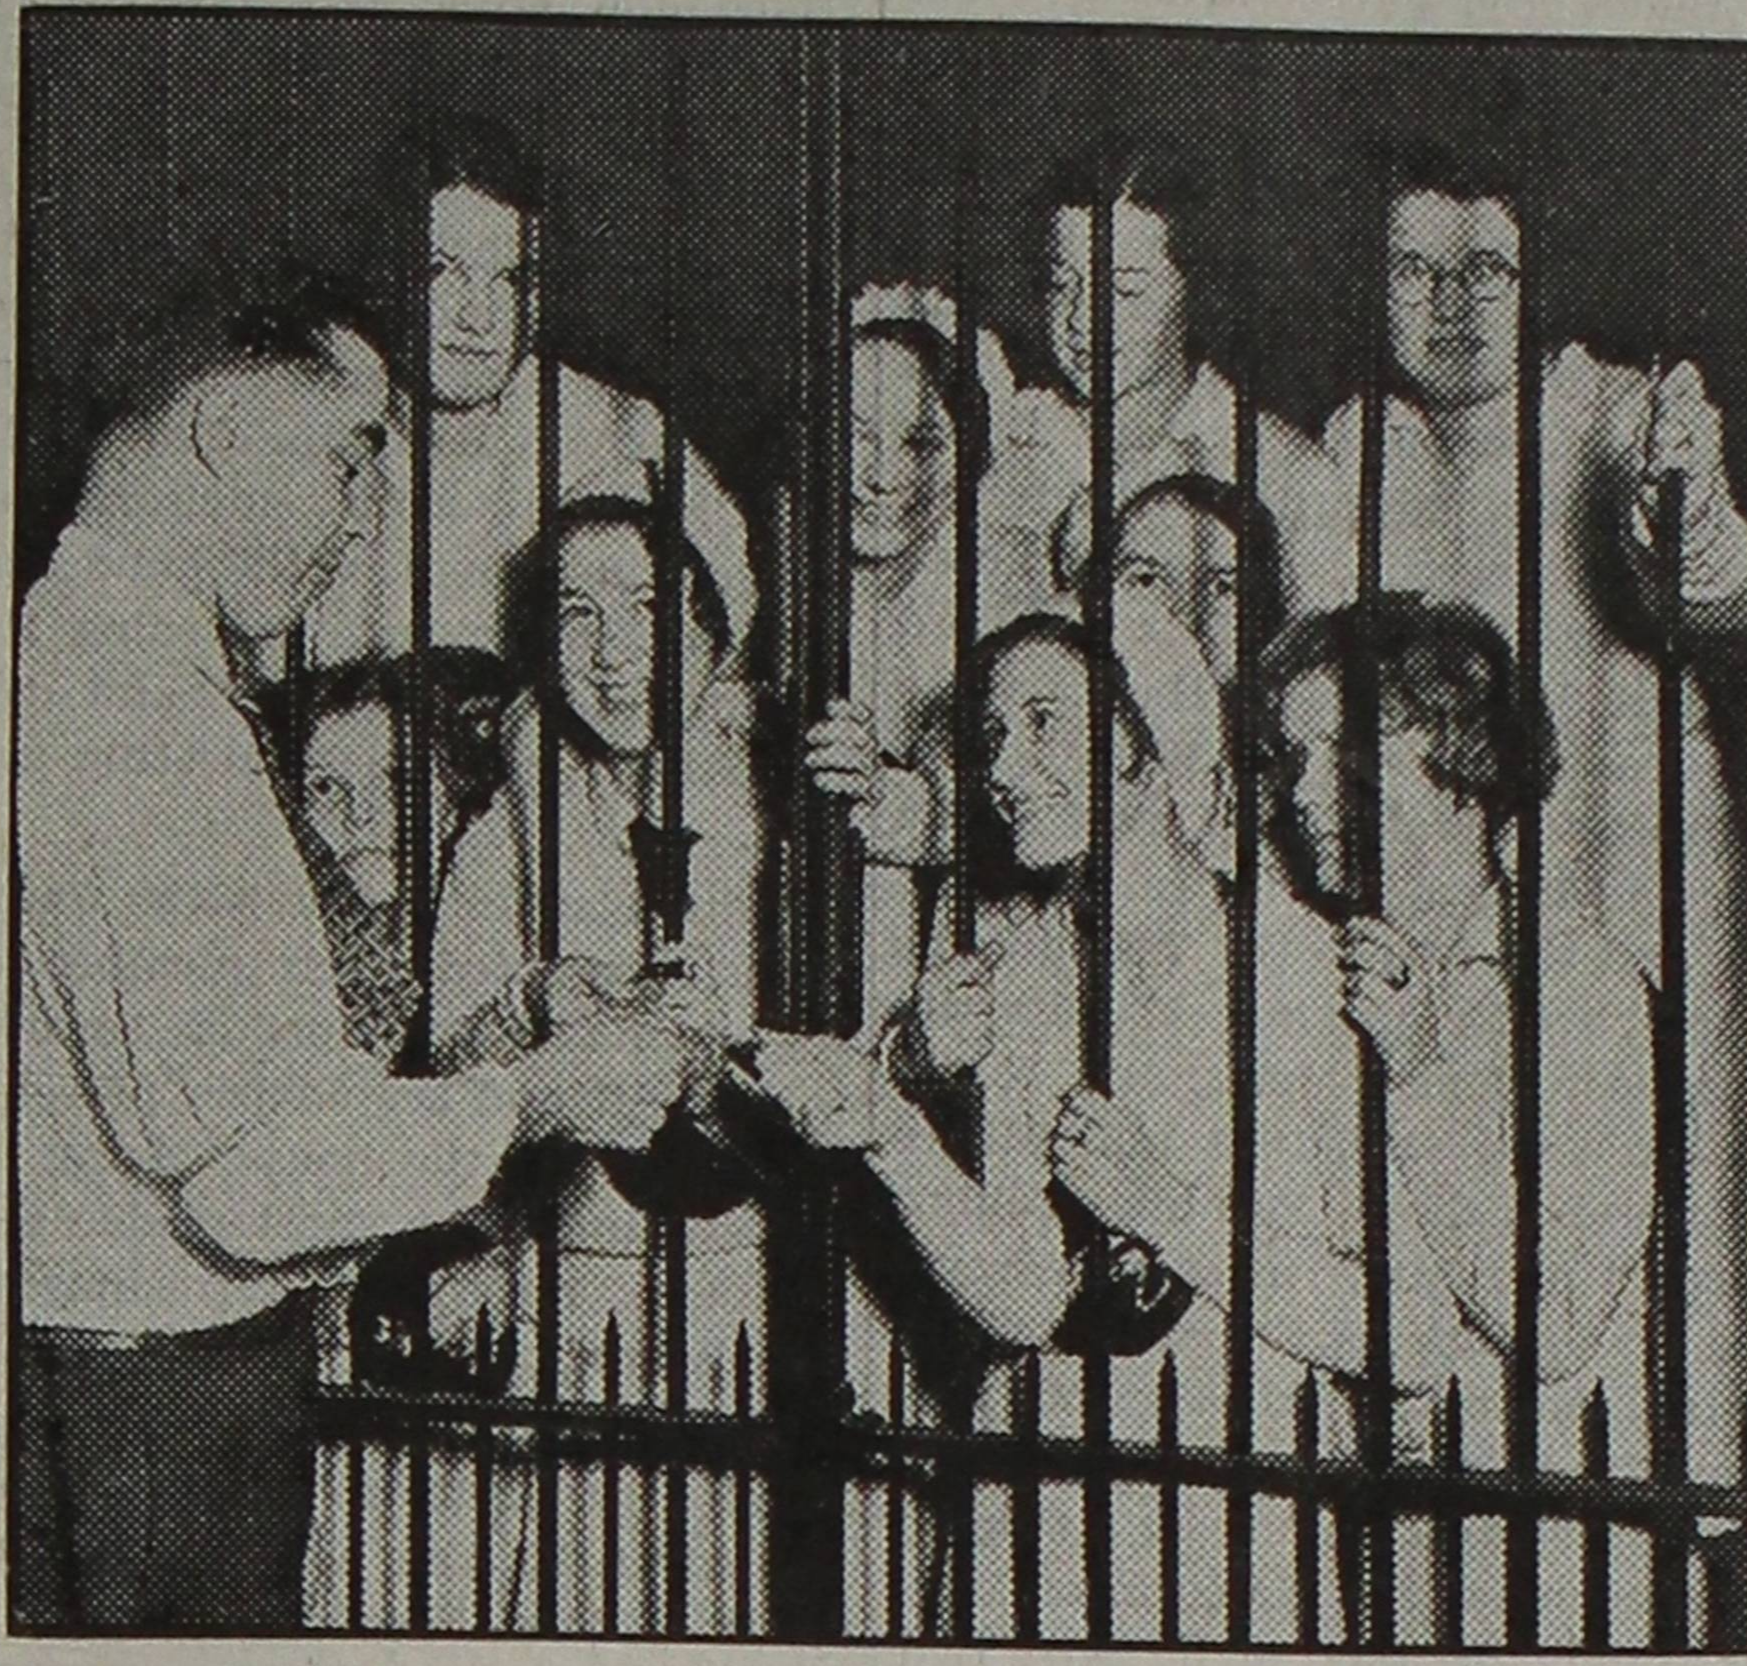

Women Still Refuse To Donate Share Of Date Expenses

"Where are we going?"
"How much money have you got, baby?"

Doesn't that sound swell, fellows? And yet the dean of women, in an interview with a Times reporter, practically forbids it. Why? Because, "a large proportion of the girls work to put themselves through college; and the girl who values an education enough to work for it is not going to pay for the privilege of frittering her time away making whoopee with Joe College."

Hooy! We always understood that Betty Co-ed liked to fritter her time making whoopee with Joe College. But if the dean says "No," then no it is. But the fact remains that 26.7 per cent of the men are entirely self-supporting, and only 6.4 per cent of the women are. And yet the girls who can sit on their fathers' laps and kiss his bald spot for a fiver, are not willing to go 50-50 with the fellow who works until midnight five nights a week, and makes \$25.00. Women! Bah!

Hi School Grads Stage Reunions

Stadium and Lincoln Welcome Graduates During Holidays

Graduates of Lincoln and Stadium High Schools will again be welcomed back during the holiday season by special alumni programs.

The Stadium reunion will be held in the high school auditorium on Monday, December 28, at 8:15 P. M. with an admission price of 25 cents to be charged. The program will include a one act play called "Suppressed Desire" and will immediately follow the election of officers for next year. A dance in the gym will conclude the evening.

C. P. S. students acting as chairmen of the various committees are: Morris Summers, program; Harry Brown, nomination; Leonard Moline, decoration. The officers of the Stadium Alumni Association are: Herman Brix, honorary president; Milton Woodard, president; Virginia Phelps, secretary and Kermit Hegerness, treasurer.

Lincoln auditorium will be the place for "grads" to renew acquaintances on Wednesday, December 30, at 8:00 P. M. The admission price will be 50 cents.

The general committee for the affair is made up of two members from each of the classes possible. Bob Strobel, C. P. S. student is on the committee. Roy Hanson is president of the Lincoln group, Myron Haaland, vice president; Stella Sorboe, secretary and Mrs. Allan Paul, treasurer.

YULETIDE GREENS DECK JONES HALL

Due to the efforts of the Spurs and the Y. W. C. A., the auditorium, Little Chapel, and corridors of Jones Hall presented a holiday appearance this week. The Spurs who decorated were Ruth Arwood, Dorothy Foxwell, Dora Langton, Harriet McGill, Elizabeth Spencer and Mary Ellen Forrest.

Girls of the Y. W. C. A. who decorated the tree were Thelma Melnes, Jean Raleigh, Elizabeth Gookins, Edith Coffman, Marguerite McMaster, Margaret Giesy. Kenneth Powers and Charles MacLean provided the tree and the greens, and Jack Evans put up the spotlight which floods the tree with light. The Little Chapel was decorated by Miriam Cohen, Katherine Mann and Elza Dahlgren.

SPURS ARE TAKEN FOR RIDE BY COPS

It is a shame that beautiful C. P. S. co-eds are arrested and jailed for trying to earn their way through college by salesmanship. Last Friday evening nine of the Spurs were apprehended for selling tickets for the Tacoma Negro Concert, just because they lacked a license to sell them.

Are we going to let them get away with removing our most charming co-eds? We are not! Look out, cops, we are a jealous bunch up here! The Spurs were given a suspended sentence, however, the suspension to be lifted whenever a policeman needs a date. Those arrested were: Harriet McGill, Miriam Weigle, Eva Tuell, Dora Langton, Mary Ellen Forrest, Alida Wingard, Marian Sherman, Ruth Arwood and Elizabeth Spencer.

ADAMS PLAYS FOR ASSEMBLY

In the student body assembly yesterday, the students were entertained by popular dance tunes by Dick Adams' orchestra. During the program, Mr. Adams explained the instruments in his band, and how each worked in to form harmony and rhythm. Among the popular selections presented were "It's Great to be in Love," and "Too Late."

The attendance was the greatest of any student body meeting this year. The personnel of the band is: Dick Adams, sax; Nathan Lynn, sax; Lloyd Severson, sax; Stewart Stiles, drums; Johnny Stellbrink, piano; Ray Jacobson, banjo-mandolin; Paul Williams, bass viol.

Armament Petition Figures Announced

Over 200 signatures have been added to the petitions for the reduction of armament, which have been circulated through C. P. S., according to Miss Marjorie Dilley, of the political science department sent out by the National Committee on the Cause and Cure of War. The petitions will go to Geneva to the disarmament conference which convenes in February 1932. Mrs. Carry Chapman Catt is the national chairman of this committee.

The petitions are supposed to represent American public opinion. Besides being sent to 48 cities in the United States they were sent to cities all over the world.

PRESIDENT TODD IS PLANNING 5 YEAR ENDOWMENT CAMPAIGN

Plan Announced at Banquet Honoring Dr. Todd And Attainment of Two Million Assets; 60 Business Men Attend, Representing Rotary Club and Chamber of Commerce

Announcing a five-year campaign to obtain endowments of \$3,000,000, President Edward H. Todd addressed the gathering of Tacoma business men in the college commons Monday evening. The banquet, held to honor Dr. Todd and the attainment of assets amounting to \$2,000,000, was attended by 60 guests, members of the Rotary Club and the Chamber of Commerce. By 1936, the president hopes to have assets and endowment amounting to \$5,000,000.

Vacation Dates

Dates for the Christmas vacation have been announced by the Registrar's office, as follows: December 19, 1931 to January 4, 1932.

Endowments in Future

That the campaigns of the future are not to be like the general drives of the past was stressed by Dr. Todd. The money is to be obtained through the gifts of individuals, and each donor of a large endowment will have a building named for him. Since this region does not have any other endowed college, it is hoped that this system will be a successful one.

Guest speakers for the evening were: Mayor Tennent, Robert Evans, Scott Z. Henderson, the Rev. Bishop Titus Lowe, E. L. Blaine, president of the board of trustees, and Mrs. Edward H. Todd. Toastmaster for the banquet was General Robert Alexander of Fort Lewis. Musical numbers were furnished by Robert Searles and the glee club.

Spurs Assist

Assisting as ushers, Spur women conducted the visitors through the college buildings. The commons was especially decorated for the occasion, with the tables arranged in the form of a horseshoe. The custodians worked hard to make the building look its best.

"The visitors seemed to like the college very much," said Dr. Todd, "and they were pleased with what they saw."

Celebration in February

February 18, 19 and 20 have been announced by Dr. Todd as the dates for celebrating Founders' and Patrons' Day, a custom to be inaugurated next semester. One of the chief features of the program will be the rededication of Science Hall, its new name being the "Leonard Howarth Hall of Science."

U. OF UTAH WILL DEBATE C. P. S.

Will Use Pi Kappa Delta Question

Scheduled as the first opponents of the season the University of Utah varsity debate team will meet the College of Puget Sound forensic squad in Jones Hall at 8 P. M. on January 5.

Taking the affirmative of the Pi Kappa Delta question, "Resolved: That Congress should enact legislation providing for the centralized control of industry," J. Herman Mattson and Charles Thomas will represent the home team. Mr. Weaver J. Allison, teacher of debate and economics at the Lincoln High School, discussed the question with the squad Thursday afternoon.

During the 1929-1930 debate season, teams representing both colleges debated here and at Salt Lake City.

Until the University of Utah recently requested this debate, the C. P. S. squad was not expecting any varsity debates until the one with the University of Pittsburgh scheduled for the first week of February.

The occasion will be celebrated in banquet and program form at the Tacoma Hotel. Mayor Melvin G. Tennent will be the guest of honor. The division superintendent of schools, Mr. E. L. Breckner will also give a talk. Besides musical numbers of the Filipino String Circle, and a recitation "The Last Farewell of Rizal" given by Pastor W. Valido, an oration, "Rizal the Greatest Filipino Hero of History" will be presented by Quirino Santilla. The hall will be open to the public at 8 o'clock.

The president of the Filipino Club, Pedro L. Baldoria, extends to the students and faculty members of the College of Puget Sound an invitation to be present.

Winthrop Hotel Will Be Scene Of Informal

Delta Pi Omicron Fraternity Will Have Smart Holiday Affair

Outstanding among gay college events of the season will be the winter informal of Delta Pi Omicron fraternity given this evening in the Winthrop Hotel. Approximately 40 couples will throng the Crystal ballroom in celebration of the beginning of the holidays. A Christmas motif, bordering on the modernistic, has been planned by the committee in charge, which includes William Elwell and Russell Schmidt.

Clever lighting effects, with color wheels and spot lights, will give a note of charm and mystery to the affair. Two immense red candles will stand on either side of the orchestra, while a great shell of vertical silver and black bars and circles of green and red will form a striking background. Program covers, enclosing sheets of parchment, will be in glistening silver in a smart futuristic design.

The chapter will honor as patrons and patronesses Professor Russel Roberts, Miss Eleanor Bosch and Dr. and Mrs. Alex Hanson.

Guests of the evening and members of the active and alumni chapters are Misses Connie Williamson, Margaret Jackson, Billye Ellison, Margaret Hubbell, Carolyn Sue Hale, June Lease, Edna Larson, Ann Wilcox, Annabel Biggle, Edith Coffman, Harriet Eudell, Dorothy Myers, Harriet Vaughn, Mary Garnett, Mildred Grosser, Evelyn Frank, Jane Haas, Audrey Dahlquist, Francis Bjorkman, Toy Ward, Ruth Alms, Frances Patchell, Beverly Wilson, Alice Morgan, Jane Griewe, Eleanor Heriman, Hazel Humiston, Mrs. Lloyd Ward and Messieurs Harry Burpee, Philip Farmer, William Beggs, Jack Worden, Norem Ottosen, Pat Steele, Wilbur Crothers, Leonard Farstvedt, Robert Eccles, Willard Gray, Howard Hubble, Harald Johnson, Edward Tucker, David Martin, Al Winterhouse, Howard Clifford, William Elwell, Spencer Matney, Preston Onstad, Lee Benton, Harold Bowers, Howard Schrodell, Carl McConnell, Al Hale, Fred Brown, Stanley Bixel, William Cleveland, John Gookins, Jack Kimball, George Champlin, Lloyd Ward and Carl Andrisek.

Faculty Have Gay Dinners In English Mode

Science Hall Is Setting Thursday Evening For Annual Event

Among the gayest affairs of the year was the annual faculty Christmas party given last evening in Science Hall. The evening was planned in old English mode with the procession forming for dinner at six o'clock to the accompaniment of violin music played by Mrs. Ellery Capen. Dr. Edward H. Todd welcomed his associates and appointed Professor Charles A. Robbins, Lord of Misrule, who called the party to the feast.

Professor Walter S. Davis, as Ye Chiefe Steward, carried in the roast pig and the Ode to the Wassail was given by Dr. Arthur W. Martin. Professor Homer Maris, and James Slater acted as butlers and Misses Marjorie Dille, Fernina Collins, Steeves and Mrs. Angst were serving maids. All participants were in fitting custom of the period portrayed. Interesting program numbers were carol singing by a student quartet under the direction of Morris Summers, a poem by Mrs. Lyle Ford Drushel, a puppet number by Evelyn Pattison and a poem by Mrs. Charles Robbins.

Chairman directing this clever holiday affair was Miss Blanche Stevens and her committee included Mesdames Morton Johnson, James Slater and Homer Maris.

At the Delta Alpha Gamma meeting, Wednesday, the program included a Christmas reading by Pearl Disher and musical numbers by Mary Agnes Ferrier and Mary Elizabeth Von Boecklin. The Mothers' Club and sorority advisers presented the group with handsome gifts for the room. Preceding the serving of refreshments and the social hour, a business meeting was held.

Anita Kachulis, dressed as Santa Claus, presented each member of the Alpha Beta Upsilon sorority with a gift and the adviser presented a gift for the house. Later in the evening, after short pledge and business meetings, refreshments were served.

A surprise Christmas party, at which the pledges were honored, was given by the members at the home of Mrs. Homer C. Maris. A present to each little sister from the big sisters were handed out by Ruth Arwood. The program consisted of a skit, "City Betterment Campaign," and those taking part were Edna Creswell, Betty Brumbaugh, Lucille Murbach, Hester Teevan, Thelma Gander and Jean Poe. The Alpha Chi Nu fraternity won from the Delta Pi Omicron fraternity in the second set played Tuesday. The Chi Nus came from behind after losing the first game by the scores of 15 to 12 and won the next two by the scores of 15 to 5 and 15 to 6.

Games for 1932 Are Announced

Sandberg Is Pleased With New Schedule

To offset the rather undesirable football schedule for the coming year came the announcement this week of the basketball schedule for 1932. A total of 19 games will be played, and only one long trip will be taken. Eleven games will be played at home, six on the long trip and one game each in Seattle and Bellingham.

Coach Roy Sandberg appeared to be pleased with the schedule and made the statement that it left little to be desired in the way of convenience.

Following is the complete schedule for the coming season. The games marked with stars are conference games and the winning or losing of these will determine the Logger's standing in the conference championship race.

- Dec. 30—University of Washington at Seattle.
- Jan. 8, 9—Reed College at Tacoma.
- Jan. 12, 15—Pacific Lutheran College at Tacoma.
- Jan. 22, 23—Columbia University at Tacoma.
- Jan. 30—Bellingham Normal at Tacoma.
- Feb. 5, 6—Whitman College at Tacoma.
- Feb. 12, 13—Willamette University at Salem.
- Feb. 15—Albany College at Albany.
- Feb. 16—Linfield College at McMinnville.
- Feb. 17, 18—Pacific University at Forest Grove.
- Feb. 26—Albany College at Tacoma.
- Feb. 27—Bellingham Normal at Bellingham.
- March 4—Linfield College at Tacoma.

LUMBERJACK'S BASKETBALL IMPROVED THREE MORE PRACTICE GAMES ARE WON

Lacey Farm Dairy, U. S. S. Colorado and Wheeler Osgood Teams Are This Week's Victims; Loggers Score 50 Points or More in Every Game of Pre-Season

By defeating three teams on two successive nights, teams that were rated among the best on the pre-season practice schedule, College of Puget Sound hoopsters remain undefeated and unharrassed by close games at the end of the third week of practice.

Tuesday night the Loggers played host to a team representing the Lacey Farm Dairy and sent them home smarting with a 61 to 30 beating. The Lacey team, rated as the best the Loggers had met up to that time was almost entirely unable to defend themselves from the scoring thrusts of Eddie Kenrick and Stan Bates who accounted for 14 points apiece to divide high scoring honors. Mazza, of the visitors, and McCoy and Gagnon all played well, the guarding of the last two men being especially noteworthy.

In the preliminary game, the college seconds defeated the team from the U. S. S. Colorado by the score of 50 to 33. Big Larry Grimes, Logger guard garnered 15 points to lead the scoring. Fitzgerald with 12 points was outstanding in the visiting lineup.

Wednesday evening's game was a hectic affair with both sides scoring heavily. The Wheeler Osgood team, led by "Stork" McClary, ex Husky star who plays at the pivot position, gathered in 51 points but were still 13 points behind the college team.

Although individual scoring honors went to the elongated McClary with 21 points, much credit is due Frank Bower of the locals who made 14 points and played in the last half only. One of the reasons for the number of points made by the invaders was the fact that Coach Sandberg did a great deal of experimenting during the course of the last half and the new squad did not cooperate in as good a style as the first string.

The first game of the regular schedule will be played in Seattle on December 30, when the University of Washington team, last year's Pacific Coast Conference champions will meet a College of Puget Sound team for the first time since athletic relations between the two schools were severed two years ago.

Following are the lineups for all of the games this week:

WHAT DO YOU WANT?

An observer is forced to ponder on just what college students require for entertainment. Dances are popular, but the percentage who attend them is, after all, small when matched against the vast proportion of students who do not dance. The movies draw a fair share of regular patrons from the college. The cultural entertainments which occasionally visit Tacoma seem to appeal to only a trivial minority of college men and women.

From these observations it would seem evident that all students would welcome campus activities. The athletic competition offered by the Logger teams has jumped to new heights this year; local talent here is unusually good in dramatics, debate and all forms of music.

A consistent few attend the plays, the concerts, the puppet shows, the cultural exhibits and the athletic games, but these very few can tell of the shameful representation of C. P. S. students who attend our own productions.

Wednesday's band concert was a typical example of student body support and estimate of entertainment. Just 17 students could be counted in the crowd of 200 persons who attended the free program.

What is the first business of one who studies philosophy? To part with self-conceit. For it is impossible for any one to begin to learn what he thinks that he already knows.

—Epictetus.

MOTHER NATURE'S REMEDY

Mother Nature takes care of her own. She protects them from the destructiveness of Man, and when he does destroy part of her, she hurries to repair the damage.

Last Campus Day a group of men and women adjourned to the parking strip in front of the school, and ruthlessly stripped the protective covering from the soil. Then, instead of being provided with an ornamental covering, as was promised, it was left open and bare to the elements. Therefore, Mother Nature has stepped in and repaired the damage, and the strip looks exactly as it did at this time last year. So the hours spent on Campus Day were a waste of effort.

—C. McL.

CRIBBING AGAIN

Three weeks after vacation final examinations will begin. Crammers, students, scholars, faculty and cribbers will be in a flurry of excitement.

The dictionary defines cribbing (cheating is a horrid word) as the use of unauthorized aid in examinations. It is our conviction that cribbing is wrong in that it hurts the other fellow. It being taken for granted that like most of us, the other fellow is honest.

Many students soothe their consciences with the old fallacy that the cribber only hurts himself; and we have sat beside cribbers in class who were as proud of their accomplishments as the ancient Spartans must have been when they got away with something without being caught.

In a class that is graded on the curve system the class average is shot upward by the cribbers. The honest student who is graded by his standing in class gets a lower grade than he would if the class average were not a synthetic one.

Maybe you haven't looked at it in this way before. What do you think about it? Should we use a police system in school to obliterate it or make it a public condemnation?

Three new slime moulds and 12 flowering plants, hitherto unclassified, have been found by Professor Morton E. Peck of Willamette College. These he will include in his book about Oregon flora, which he expects to have published in about two years.

There are 500 known slime moulds in the United States. Two hundred and fifty of them are common to Oregon.

Evans and the College Band

Those who listened to the 40-piece College of Puget Sound band in concert last Wednesday evening were given a real musical treat. Conducted by Harry W. Evans in the characteristic Evan's manner, the organization presented many numbers surprisingly well done. Variety marked the program selections. Valse "Bleue" by A. Margis, selections from "Romeo and Juliet" by Gounod and "William Tell" by Rossini were particularly pleasing to the audience. The program ended with the playing of Sousa's popular march, "Stars and Stripes Forever."

Though the audience was fairly large, it was not at all representative of the college, for local students were sadly lacking in the group. Mr. Evans and the band personnel should be congratulated on their success, for the band can be rated among Tacoma's best. The future for this department of the college activities should be marked with unusual developments in the future.
