Vol. 13, No. 18

THE COLLEGE OF PUGET SOUND, TACOMA, WASHINGTON

MARCH 16, 1936

## Webster Wins by 77 Votes in Final Election

### Business Club To Give College 'Chimes' Trophy

#### Yearly Record With Most Inspirational Service To Determine Winner

A perpetual inspirational trophy will be presented to Dr. Edward H. Todd in behalf of CPS by the Sixth Avenue Business Men's club at a dinner meeting Tuesday, March 31. The award will be a cup on which will be engraved the name of the person who has been of the most inspiration to his fellow students during each year.

To perpetuate the allegory of the play "Why the Chimes Rang," customarily presented by the Campus Playcrafters at Christmas, the prize will be known as the Chimes trophy. The honored student will be chosen by members of the faculty for all-round general excellence.

In return for the trophy, the Business Men's club will be presented with a gavel made from wood of the former Puget Sound university.

At the same time Miss Mary Lilberg, Tacoma 1936 Snow Queen, and candidate for that office of the Sixth Avenue club will receive an engraved pen and pencil set.

### World-Viewpoint Urged By Baxter

Bruce R. Baxter, president of Willamette University, speaking before the Monday general assembly, told of observations arising out of his recent trip to South Africa and visit to the island of St. Helena. All, as he stated, from the viewpoint of one to whom "personality seems the greatest thing in the world."

Dr. Baxter drew for his hearers a verbal picture of the exiled Napoleon musing over his past career as he twirled with his fingers the geographical globe, which as he said, still stands on the table in his last home in Helena. In the life of Cecil John Rhodes, "English builder, executive and dreamer," a truly heroic personality has been revealed, said Dr. Baxter. Allotted by physicians six months of life in the harsh climate of England, he went to Africa and there carved his name into immortal letters. To catch the worldwide vision of a man of such caliber, Dr. Baxter added, should be the goal of every student.

Calvin J. Nichols will speak in Friday's assembly on "The Senate Munitions Investigation and its Findings."

### Increase CPS Library

Mimeographed copies of a list of 86 new books were distributed to the professors of the college Wednesday, March 11, by Warren Perry, librarian. These books along with the 1936 edition of the Americana Encyclopedia form the latest addition to the College of Puget Sound library.

### CPS Receives Rhodes Award Announcement

#### 32 Scholarships to Oxford Awarded Annually in United States

Annual announcement of the 32 American Rhodes scholarships with requisites for applications, has been received by Bursar Charles A. Robbins of the College of Puget Sound. These internationally famous scholarships, made possible through the will of Cecil John Rhodes, provide for two years of study at the University of Oxford, with a yearly allowance of \$2000.

Applicants must have completed at least their sophomore year at the end of this semester, must be between the ages of 19 and 25 by October, 1937, and have no intention of marriage during the two years of the scholarship study.

Candidates are expected to combine scholastic attainment with physical vigour shown by interest in outdoor sports.

Thirty two such scholarships are awarded annually throughout the United States, with competition held in each state annually. A committee of selection chooses two candidates from each state to appear for examination before a district committee of six states. Washington students will compete with Oregon, Idaho, Montana, Wyoming, North Dakota. More complete information may be obtained at the Bursar's office.

### Change Vacation Dates

Spring vacation dates have been set for March 30 to April 6 instead of those announced in the catalogue, it was announced by Dean R. G. Drewry last week. The change was made so that the College vacation would coincide with that of the Tacoma Public Schools for the benefit of public school teachers attending night school here and of students doing cadet teaching.

Commencement will be held June 8 instead of June 1 as previously announced because of the required trustees' meeting which must be held on the Saturday before graduation exercises. If the commencement were to be held on June 1 this meeting would have to be on Memorial Day.

### Gives Organ Recital

Prof. Walter A. Eichinger of the Conservatory of Music, was recently honored by the Western Washington chapter of the American Guild of Organists by being requested to give a recital of organ music at the First Methodist church of Seattle. It is the first time that a Tacoma organist has ever played before the Guild. The Guild, the only one of its kind, is of professional organists of high worth and reputation. Prof. Eichinger gave a program of classical music including selections from Brahms, Handel, Haydn and Bach.

### AAUW Award Will Pay Fees at Lucknow, India

The award given each year by the American Association of University Women to the senior girl who has been most outstanding during her four years at CPS was awarded to Miss Mary Elizabeth Tuck in chapel last Monday.

Miss Tuck was judged on scholarship, leadership, and activities. The recipient of the award must be partially self-supporting. Filling these requirements, Miss Tuck has been an honor student throughout her attendance here, president of YWCA and Otlah, senior women's honorary, vice president of ASCPS, and secretary of Pi Gamma Mu, honorary social science fraternity, and has been associated with various clubs and minor activities on the campus.

Mrs. A. Richard Cussel, AAUW representative, presented the award, and also gave an explanation of the association's student loan fund.

The award was in the form of a check for \$85, which Miss Tuck is planning to use as tuition at Lucknow university in Lucknow, India, where she will study for her M. A. degree in sociology. She will leave for India July 27 and will live in the Ashram settlement, of which E. Stanley Jones, American writer and missionary, is the head.

### Offer Dictionary As Contest Prize

A rhyming dictionary, given by Miss Isabel Lane, manager of Fraser's Book store, will be the prize for the winning sonnet in the poetry contest which will close April 8.

Rules of the contest are: the poem must be original; it must be unpublished; it must be on a serious subject; it must be either a Shakespearean or Petrarchan sonnet.

Following the poetry contest will be the Frank S. Baker short story contest during April and May with \$15 as first prize and \$10 as second prize, both to be awarded at commencement.

### Freedom of the College Press

The press of America is free. It has cast off its fetters and chains and it lives to speak the belief prompted by its heart. Logically the college press of America is also free. No restrictions, say the written laws of our land.

So the college paper prints what it likes, with a few minor exceptions.

The college authorities must remain inviolate. Like the king, Hitler and Mussolini, they can do no wrong. College traditions must carry on unflayed. However moth eaten, however absurd, they may become, they are a thing of beauty and a joy forever. Such they must remain.

Anyone or anything connected with the school income is as Caesar's wife, above reproach. Criticism of state officials is journalistic heresy, and lo! the poor cub who commits the sacrilege. The newspaper as a student organ voicing student opinion in its truth and entirety is quite securely tied by purse-strings.

There must be no department infringement on publicity. The paper make-up is entirely in the hands of the editor. He has carte-blanche—and all the latitude in the world, but if Department A crashes into print for half a column, Department B and C and D must be given equal space of equal prominence, with the result that major stories have to be sandwiched in between quiz announcements, minor conventions and recitals.

To insure undeviating parade of the little line the paper is supervised. And if it is not a good little paper it gets no supper. Furthermore, if it continues to be a problem child it is put quietly out of existence, and only those complain who still believe in the fable of untampered publication.

The press is free. So is advice, but somebody usually pays for both of them in the end.—Lass-O.

### Can We Expect History To Repeat Itself?

The attitude of the average college student toward a war in the near future is much discussed and written about in contemporary literature. It is discussed, we venture to say, by college students as much as any other one subject, and opinions vary little. The differences are all on the same side—"We want no war!"

Two generations ago—just previous to the World War—young men and women were of a similar opinion. Then—miraculously, and almost overnight—opinion changed. The nation was in a fever of excitement. Well, perhaps the horrors of war have been over-emphasized, if horror can be over emphasized. But the thing that changes a shrinking dread to a mad zest for the excitement of war are seldom recited in a newspaper—they emphasize REASONS—they talk patriotism. And we hear the truth sometimes from the lips of those left alive—from the book they sometimes write.

Today the world is sane. Boys and girls, men and women—unprejudiced by publicity—still can see what they want. May we always remain the same even should Hearst change!—The South Texan.

## Puget Sound Revue

**News Splashes . . .** Do you want to know what Dixie Tuck's going to do with the 85 dollars she won in chapel last Monday? She's going to invest it as a first payment for tuition at Lucknow University in—of all places—India! . . . When she gets there she'll probably have to take courses like—"How to become a snake charmer" or "How to make Mahatma Gandhi eat" . . . Puget Sound's Mr. Tammany Hall: Franklin "Shirt-conscious" Larson . . . Virginia Smyth and Ralph Benson are the names of those two young people who you see always giggling and staring droopy-eyed at one another . . . Eleanor Green's secret list of people she'd like to know better is topped by Cameron McKinnon. But it's not a secret anymore—I'll bet he'll know after today!

**Modesty and Matrimony . . .** When Margaret Sines (in student chapel) said . . . "the Delta Kappas have James Docherty—what more do they want!" . . . in the audience, students sitting near James Docherty overheard this remark coming from him . . . "What more do they NEED?" . . . Question of the Day Dept: what CPS coed (a member of Kappa Sigma Theta sorority) has recently had her name changed in matrimony and is now going to school just as if nothing had happened? . . . That fraternity pin on Gail Day is the property of Augusta Dickinson's brother.

**Correspondence . . .** Yours Truly receives thousands and thousands (well, a couple anyhow) of letters every week . . . most of 'em are merely comments on some remark that appeared in this column but once in awhile a letter will come that will merit more readers than myself . . . like this one, for example . . .

Dear Mug-rini:

This is the first time I have had the opportunity to sling mud at you and some other people I know—I'm sorry to say the censor board would not print my complete thoughts. Perhaps Mildred Brown and Jean McDonald have a few ideas concerning "young loves" and "high-horses." Who knows—they might like to express their views to you.

If I were a political campaign speaker I would advocate shorter chapel announcements by Clarence P. Keating, Jr. I wish the MacDonald twins had another pair of slacks to wear. Perhaps they can't afford a new pair—it does cost "dough" to take Barbara Rothermel and Kay Fogg to lunch every day. Suckers! (they say there's one born every minute). A pickled onion goes to John Ash-pu-u, the man who played god. Perhaps John actually convinced himself he was the part he played. Sometimes it appears such!

"Tide" Kruzner surely can't take hints. At least, he hung around the snow queen much to the king's distaste. Mu Chi theme song: "Joss around the corner." Congratulations Thetas: Your '49'ner' dance idea is swell. Two-bits it turns out to be the conventional "gold-dig."

Love and Spit,  
 Bob Gebert

**Election Oddity . . .** Every one of the candidates for May Queen this year were ineligible! . . . the CPS constitution says that all candidates for this post must be juniors—THESE WERE ALL SENIORS! . . . so when Central Board convened to cope with the scandalous sit—ee—ay—shun, instead of disqualifying the ineligible they changed the constitution around to suit the present need—from now on all May Queen candidates MUST be seniors! . . . in real life that's called political corruption—in college it's nothing more than political technique!

**Black Eyes . . .** the Lambda program last week had as a background a very CLEVER idea and a much better program should have resulted but as it stands, it was probably the worst influence on CPS student chapels since the flu epidemic of 1918! . . . a swift kickintheponce to John Poling for his very IGNORANT outburst in chapel yesterday. Good-mannered persons usually find a more polite method of disagreeing with GUEST speakers. I only hope that our guest didn't think that such an act was characteristic of our student body!

### Miss Charlotte Niven YWCA Leader To Visit CPS On Lecture Trip

Miss Charlotte Niven Will  
 Speak To Student Body  
 April 6

Miss Charlotte T. Niven, who will soon visit here to speak on the YWCA and what it is doing in the 50 countries which have established centers, has held positions in the last 25 years in Italy, France, England and Switzerland. During the last 15 years, Miss Niven has been general secretary of the World's council of the YWCA whose headquarters are now in Geneva. She has returned to this country to be with the National Board of the YWCA in New York.

Miss Niven will address the student body Monday, April 6, and the YWCA and the YWCA cabinet Tuesday, April 7.

Since arriving in the United States last September Miss Niven has been traveling extensively through the east, middlewest and south, meeting with many YWCA members and many community groups interested in her view of international affairs.

## Central Board Approves Skiing As Minor Sport

Last Obstacle in Ski Club's  
 Three-Year Drive For  
 Recognition Removed

A three-year drive for the recognition they felt due their favorite interest culminated in success for the Ski club when the last obstacle was removed Monday by the Central Board of the ASCPS in affirming that skiing is to be classified as a minor sport in the College curriculum. This action gives the sport the same status as golf and tennis.

Arrangements are being made for the services of a competent coach for the sport.

The CPS Ski club was formed three years ago with a membership composed of Harland Eastwood, James Skewis, Govnor Teats and Don Kruzner—all devoted followers of the sport and each pledged to its support. Last year the club was reformed with a charter membership of 51. For the last two years Don Kruzner has been president of the organization.

A team of ten men will represent the College in a down hill and slalom race with the U. of W. at Paradise on Saturday, the 28th of March. The probable entrants will include Bill Bannister, Harbine Monroe, Frank Moore, Bob Ausnes, Bud Mellinger, Clam Johnson, Chuck Fishel, Al Smyser, Jack Leik and Don Kruzner.

## Give 'Bagdad' History, Past-Present; April 24 Chosen as Next Meeting

Bob Gebert Heads College Organization Assisted by Committee; Games and Dancing Featured

The Bagdad club which was originated and organized last year by the students of the College is being continued, the next meeting being scheduled for April 24.

The present committee is headed by Bob Gebert and working with him are Miss Dorothy Belle Harriss and Louis Magrini. The meetings, which are held at the YWCA building, start at seven o'clock with games in the gymnasium. Pingpong, shuffle board, golf instruction and card games are featured. Dancing follows in Weyerhauser hall from nine to eleven to the music of Bill Sherman's orchestra.

### Original Committee

This organization was begun by a committee of four at the beginning of last year, Herb Edwards, Miss

Jayne Porter, Miss Dora Langton and Miss Mary Elizabeth Tuck. It was begun because there was need for a College club in which the students could become better acquainted. The downtown 'Mixmaster' club was used for a pattern, and tickets sold at a popular price, admitted the purchaser and a guest.

The YW building was chosen because of its convenience and Miss Dorothy Duncan, physical education director of YW assisted them. Four meetings were held, one each month, each one being headed by one of the committee members. The name Bagdad was derived by using the first letters of the club's motive 'Bring a guest, dip and dance.'

### Fall Committee

Miss Jane Gebert was chairman of the committee in charge from September to February of this year. Miss Helen Stalwick, Miss Mary Louise Wortman, Jack Leik and Wilton Vincent assisted her in planning the entertainment. Miss Hammett, physical education director this year is helping the committee.

Tickets can be obtained from the committee now in charge and from Carl Faulk, Hunter Johnson, Herb Edwards and in the book store from twelve to two o'clock.

## To Show 1893 Movies

Motion pictures made during the years of 1893 to 1911 are to be offered at a special midnight matinee at the Rialto Theater March 21st, under the sponsorship of the Tacoma Newspaper Guild. These historic pictures were obtained from the Museum of Modern Art of New York. Each typifies a trend in the development of the motion picture. Students of drama should be especially interested in this program. Student tickets are obtainable at the book store for 25 cents plus tax.

## Sorority Women Hold Scheduled Group Meetings

Kappa Sigma Thetas Plan Dance To Be Given March 21

Kappa Sigma Theta has completed its plans for a dance on March 21 to be held in the lodge at Titlow beach with Miss Eleanor Hoyt in charge assisted by the Misses Maurita Shank, Dorothy Belle Harriss and Mary Lilleberg. The event will feature old-fashioned costumes of the 49's, with the men wearing flashy shirts and sideburns. Patrons and patronesses include Mr. and Mrs. Roy Sandberg and Prof. Warren Perry and guest.

At the meeting Wednesday, March 11, Mrs. A. E. Hillis, told of her experiences in Mexico and showed costumes, jewelry and antiques of that country. Miss Dorothy Daniels has been appointed chairman of the mothers' and patrons' tea to be held on March 27. Assisting Miss Daniels are the Misses Barbara Washburn and Betty Simpson.

### Alpha Beta Upsilon

The active members of Alpha Beta Upsilon sorority were guests of the alumnae of that group last Friday evening in the home of Miss Sara Louise Doub. Miss Edith Gustafson, president of the alumnae, was in charge of the affair. The meeting was in the form of a dessert supper with an informal program. Plans were made for spring activities. Guests included the Misses Esther Stuftt, Ora Willmott, Jeanette Amidon, Edith Coffman, Mabel Wittren, Elinor Siler, Elsie Taylor, Dorothy Gross, Katherine McConron, Ruth McGeehan, Elizabeth Hardison, Sara Louise Doub, Edythe Mae Peele, Irene Smith, Esther Haggarty, Dolores Hargett, Doris McClymont, and Tommia Tucker.

### Delta Alpha Gamma

Delta Alpha Gamma members met last Wednesday, March 11 in the home of Miss Mary Jane Roberts for a dessert supper. Miss Dorothy Johnson was chairman of the affair assisted by the Misses Eleanor Trott and Mary Young. Formal initiation was held for Miss Shirley Foote and formal pledging for the Misses Erna Brenner and Barbara Long.

### Delta Pi Omicron

The Father's club of Delta Pi Omicron men will meet at the home of George Fisher early this week to formally organize. The Mother's club met last Friday afternoon for a short business meeting over which Mrs. J. R. Clarke presided.

## Writers' Club

Authors of the past, present, and future was exposed or notified, as the case may be, when the palmist got to work last night, March 16, at the home of Miss Linda Van Norden who entertained the Writers' club.

Miss Helen Billet, chairman, assisted by Orville Weeks and Miss Marjorie Ranck also planned games for those who were able to survive the expose.

All Writers' club members have been invited and brought guests. The novel party began at 7:30 p. m.

## Kappa Phi Gives Dinner Sunday

Ida Larson Elected President Of Organization

Kappa Phi members had dinner Sunday at the Epworth Methodist church. Miss Alice Grimes was chairman and Miss Kathryn Creevy was in charge of decorations. ## Zetes Leading In Intramural Season Totals

### Chi Nus, Mu Chis Follow Closely in Aggregate For Three Sports

With basketball, volleyball, and indoor baseball results tabulated, Sigma Zeta Epsilon holds a slight lead in all-year intramural standings, followed closely by Alpha Chi Nu and Sigma Mu Chi. Other teams trail the leaders in the following order: Delta Kappa Phi, Terrible Swedes, Delta Pi Omicron and Peter Pugets.

Only four teams, the Zetes, Chi Nus, Mu Chis and Omicrons, received 50 points apiece for participation in all their scheduled "B" league basketball games. Adding 135 points for second place in the "A" league to a previous total of 217, the Zetes increased their aggregate to 402. The Chi Nus scored only 84 points for "A" league play and dropped into second place with 367. With 150 points for the "A" league championship, the Mu Chis climbed to third place with 346. Other total scores: Delta Kapps, 285; Swedes, 261; Omicrons, 191; Peter Pugets, 184.

The spring intramural program consists of two major sports, outdoor soft-ball and track, and two minor sports, golf and tennis, with the soft-ball play scheduled to start as soon after spring vacation as weather permits. The addition of horseshoe competition to the program has been suggested.

## Golf, Tennis Tournaments To Start This Week

Ladder tournaments in both golf and tennis will begin this week, weather permitting, according to Lou Grant, coach of both sports.

Candidates for the golf squad will be seeded according to the results of the double elimination tournament, which has been in progress for several months, with only a few matches remaining to be played. Seven lettermen from last year's squad have returned, and a strong aggregation is in prospect.

Tournament pairings for nearly 30 tennis aspirants who have signed for the sport will be posted by Grant this week, and play will begin immediately. There will be a number of new faces on the racket squad this year, with Maynard Carlson and Bob Swan the only returning lettermen.

## Baseball Schedule Lists 15 Contests

Fifteen games are listed on the Logger baseball schedule for 1936, announced today by Coach Jimmy Ennis. The slate includes nine home games, and eight conference clashes, opening April 17 with a non-conference tilt with the University of Washington, upset by the Lumberacks last year.

The schedule follows: April 17, U. of W., at Seattle; April 18, U. of W., here; April 22, Whitman, here (two games); April 23, Whitman, here (two games); May 7, Portland university, at Portland; May 8, Portland U., at Portland; May 1, Bellingham Normal, here; May 2, Bellingham, here; May 9, Linfield, at McMinnville (two games); May 22, Pacific, here (two games); May 29, McNeil Island, at McNeil Island.

## Baseball Material Is Plentiful; Many Lettermen Return

With lettermen numerous and new material plentiful, keen competition is in prospect for every position on the 1936 Logger baseball squad, which is getting down to serious drill under Coach Jimmy Ennis. A squad of about 25 candidates is turning out regularly.

While the loss of Otto Smith, veteran hurler, will be felt distinctly, the pitching staff will again be strong. Jess Brooks, Larry Ragan, Louis Staples, and Wayne Briles, all lettermen, are back, and Bill Pate, a new-comer, is showing well.

The probability that the 1935 infield will remain intact was seen with the return of last year's four regulars: Erling Tollefson at first base, Johnny Milroy at second, Frank Plouf at shortstop, and Danny Mullen at third. Pate can also fill in at third. Gene Duncan, Mel Miller, and Bob Ramsay are staging a dog-fight for the catching berth, with Duncan holding a slight edge.

The only serious loss in the outfield is that of Vaughn Stoffel, regular center fielder last year. Ed Burkland, a letterman, is out for his old post, while Jess Brooks' power at the plate will keep him in one of the outer pastures when he is not taking his turn on the mound. Others turning out for infield and outfield positions are Bill Jepsen, Richard Annis, Howard Annis, Darrell Underwood, Bud McFadden, Glen Eaken, Don Richmond, Chet Grimstead, Les Briggs and Johnny Van Etten.

## Holten, Linfield Ace, Sets Impressive Mark

What is believed to be a new Northwest scoring mark was set this season by Art Holten, sensational sophomore center on the Linfield five, conference co-champions, ac-

## Hope To Finish Part of Track By End of Week

### Cinder Squad May Get Drill On New Oval Before First Meet

Logger tracksters will have better than a week of drill on the new cinder track before their first scheduled meet with the University of British Columbia on March 28, if the construction continues on schedule this week.

The entire width of the track will not be available, but it is hoped to have a six-foot strip entirely around the quarter-mile oval, as well as a 200-yard straight-away of the whole width, finished completely sometime this week. The cement inside rail is now complete, and the wooden outer rail is nearly finished.

Hampered by the lack of facilities, the squad is nevertheless taking form rapidly under Coach Roy Sandberg. Sandberg, in his first year as track coach, has only a handful of lettermen around which to build the 1936 team, and the squad is woefully weak in the field events, but the situation is brightened by several potential point-winners in the cinder events.

Bob Gius and Price are expected to take care of the spring department, with Gius in particular showing excellent form. Keith Schneider, a letterman, is the best of the quarter milers, with Bob Wheeler improving rapidly. Clarence Keating and Mansfield in the half mile, Keating in the mile, and Richardson in the two-mile are the best prospects in the distance runs. A tentative relay team consists of Schneider, Wheeler, Keating, and either Russ Perkins, Em Piper, or Mansfield.

Piper and Schneider provide veteran material in the high hurdles, while Jack Green is improving rapidly in his first attempt at the low barriers. Clark and Hanson in the weights, Hanson in the broad jump, and Clarence Johnson in the high jump are other outstanding candidates in the rather limited supply of field men.

According to figures received from Linfield by the Trail.

Holten amassed a 302 point total in 22 games. He tallied 135 field goals and 32 free throws, averaging 13.63 points per game. In Linfield's double victory over CPS by scores of 37-29 and 27-25, Holten chalked up 22 points in the first game and 11 in the second.

## Zetes Win 'B' League Title From Omicrons

Completing their four-game schedule undefeated, Sigma Zeta Epsilon captured the "B" league basketball championship by nosing out the Delta Pi Omicron five, 16-15, last Tuesday. Scoring honors went to Chuck Underhill of the Zetes, with nine points. The Omicrons finished second in the standings with a record of three wins and one defeat.

In the last tilt of the "A" league schedule, the Delta Kappa Phi quint climbed into a third place tie with the Terrible Swedes by downing the Peter Pugets, 21-9, on Tuesday. Bill Sherman paced the winners with seven counters.

The western division of the Inter-collegiate Telegraphic Swimming Meet, which will be held during the last week in March, is under the sponsorship of CPS this year. Candidates for the CPS team must have four hours of practice swimming in the YWCA pool to be eligible to compete in the meet. Mary Fay Fulton, Jayne Hall, and Evelyn Swanson are the only members of last year's team who are back this year, so there is lots of opportunity for freshmen.

The Women's Athletic Association realized approximately \$30 from the Gym Jubilee last Thursday, a substantial increase over previous years. Much credit for the success of the annual event is due Betty Worden, general chairman; Alice Grimes, program chairman; and Helen Nicola, publicity chairman.

It is predicted that the two-court system of women's basketball will be in general use in the near future. The new system was used in the game at the Gym Jubilee, and has been gaining favor throughout the country.

Inter-class tennis will get under way this week. Betty Kuhl, manager, requests that all singles and doubles contestants sign up by Wednesday.

## Begin Contests In Post-Season Mural League

### Mu Chis, Chi Nus, Omicrons Win in Double Elimination Round

Sigma Mu Chi, Alpha Chi Nu, and Delta Pi Omicron fives copped opening frays last Thursday in the intramural double elimination basketball tourney, which will be in progress for the next two weeks. The results will have no bearing on season intramural standings, and only CPS varsity lettermen are ineligible.

The Mu Chis, undefeated champs of the regular league, were hard pressed to defeat the Zete "B" league entry in the current tourney, 16 to 15. The winners were trailing until the closing minutes of play.

Avenging an early season defeat, the Chi Nus won over the Terrible Swedes, 29 to 21, with Elmer Alskog outstanding for the winners and Louie Magrini for the losers. Sparked by Don Wofford's seven points, the Omicrons nosed out the Delta Kapps, 27 to 23, in the third game of the day, with Chuck Zittel chalking up six points for the losers.

Teams entered in the league which did not play last week are the Zete "A" league five and the Omicron "B" leaguers, who will meet in one of today's games.
