Helen Kojo First Place In Oratorical Contest

Word has just been received that Miss Helen Kojo, freshman student from Auburn, placed first in the Northwest District Convention and has thus been given the right to compete in the oratorical division of the National Convention of Japanese American Citizens to be held in Seattle early in September.

Miss Kojo won the preliminary contest in White River valley and competed in the Northwest contest last fall. She placed second in the annual Burmeister oratorical contest held here at CPS last February.

To Stress IRC Aims in Program

International Relations Club To Sponsor Chapel

A direct move toward a better understanding of the objectives of their organization will be attempted on Friday, May 5th, by the International Relations club through the cooperation of the faculty and the chapel committee, for on that day instructors have been asked to conduct their classes from the standpoint of their particular subject's implications to international relations. Maurine Henderson, president of the club, states that this plan has proved its merit in other colleges where it has been tried.

Further, an assembly program given entirely by members of the IRC will be presented during the regular morning chapel hour. Under the direction of Miss Henderson, speakers will be chosen from the group who attended the recent convention at Pullman.

Tonight at 7:30 the club meets to hear an account of the observations of Robert Kemp, a former member of the CPS local, who has recently returned from a stay in Germany, where he attended the University of Munich. The meeting will be held at the home of Dr. and Mrs. F. G. Williston, 3009 North 16th.

'Poor Old Jim' to Be Presented by Faculty

In addition to "The Last Mile," prison drama to be enacted at the College Friday evening, May 8, a one-act curtain raiser, "Poor Old Jim," will be presented by the Faculty, according to Arthur Linn, publicity manager for the plays. The cast of "Poor Old Jim" will be all faculty: Dr. Frank Williston will take the part of Jim; Miss Pernina B. Collins will play Marie, Jim's wife; and Dr. Marvin Schafer will portray Paul, the doctor.

Two changes have been made in the cast of "The Last Mile," according to Linn. Linn explains that he was formerly a convict, Red Kirby, but is now guard Harris, and that Chuck Zittel is now the convict.

High School Play Cup Awarded to Rochester

The pioneer effort in high school dramatic contest sponsored by the College of Puget Sound closed successfully Saturday evening with the play "Singapore Spider" presented by students of Rochester high school, winning the cup for the first prize. "The Marriage Proposal" presented by students of Olympia high school won the award for second place.

The award for the best individual presentation was given to Melvin Ditch of "Singapore Spider." Charlotte Tice of Rochester, and Sidney Parker of Olympia received honorable mention. Directors of the three plays presented were Rochester, Wesley Moore; Olympia, Miss Jenkins; Fife high school, which presented "The Valiant," Miss Jane McPherson.

Judges were Harry Cain of the Tacoma Drama League, Miss Alberta McDonald, head of the English department at Lincoln high school in Tacoma, and Mrs. Locke C. Riehl.

Franklin Larson, dramatics manager, and chairman for the contest, presented plans for magnifying and improving the contest in the future, and said that the future official title of the contest would be the College of Puget Sound annual one-act play contest for high schools.

Medical Schools Accept Applications of Four

Applicants were judged for acceptance upon scholastic records, recommendations, and the medical students examinations taken earlier this year.

Plan Explosion Of Incinerators For Campus Day

Plan Work on Field, Tennis Courts, Campus; to Plant Trees This Fall

In preparation for Campus Day work, the incinerators on the south of the campus will be blown up shortly after noon today by George Webster, powder expert. They will be blown into small enough pieces that they may easily be removed on Campus Day.

The annual Campus Day will begin with the general assembly at 8:30 Thursday morning, April 30, in the auditorium in Jones Hall at which attendance will be taken. No other classes will be in session during the day; the library will be closed until 1:00 and will remain open until 9:00 that evening. Students are requested to wear old clothes and to bring rakes and shovels to be used in the work.

According to Herb Edwards, general chairman, the main improvements to be accomplished are the removal of the incinerators, the betterment of the athletic field, and the preparation of the campus for planting this fall. Sherman Ingles, superintendent of the Metropolitan Park Board, says that the Board will cooperate in planting trees on the campus this fall.

Assignments Made

Assignments made are as follows: The seniors will work on the tennis courts, putting up new wire and benches. They will also repair the fence by the conservatory, and will assist in general clean-up.

The juniors and freshmen will be assigned to the south front campus to clear away the debris from the incinerators, and to move stones from the campus and putting them in a stone curbing around Howarth Hall to protect the lawn. This will also be done to prepare the campus for grading this summer and planting this fall.

The sophomores will work on the athletic field, raking around the track, clearing away brush, putting up barb wire on the field house, and installing the runways for pole-vault and broad jump.

Redecorate Trail Office

Besides these assignments, other students will be assisting in decorating the gymnasium for the dance in the evening, in preparing for the May Day festival to be held on the following day, and some of the members of the Trail staff will redecorate the Trail office.

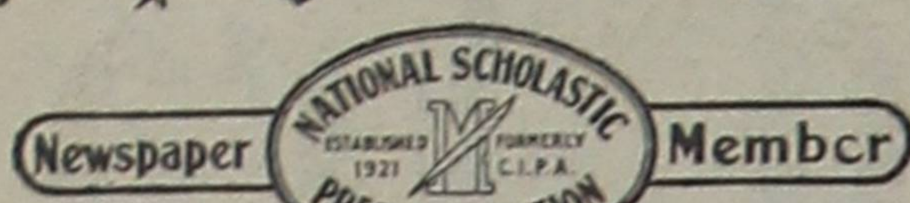

Captains appointed are LeRoy Alsbury, John Fadness, Carl Faulk, Gerald Freeman, Ian Gordon, Jack Green, Francis Guhr, Howard Hass, Bill James, Frank Larson, Louie Magrini, Coke McConnell, Larry Penberthy, Dick Rich, Dick Savery, Keith Schneider, Mark Whitman, Bob Williams, and Charles Zittel of the senior class. From the junior class are David Alling, Bill Bannister, Jess Dawkins, Howard Doersch, Carl Klemme, Jack Leik, Clayton Lupton, Martin Nelson, Em Piper and Harold Tollefson.

Spurs to Serve

Spurs will serve hot dogs and coffee to all holders of tickets. All students must show their student body tickets in order to secure a "meal" ticket from their captains. The big tug-of-war between the sophomores and freshmen is scheduled for 1:00 o'clock.

Campus Day activities will close with a dance in the evening in the gymnasium. Margaret Sines is chairman of the committee and is being assisted by Maurice Webster and Walter Fawcett. Admission for the dance will be 25 cents.

THE SEASON IS STILL OPEN ON LOST BOOKS; RETURN THEM

Again we bring to the attention of OPS students the great loss in missing books suffered by the library. Each book lost besides being a permanent loss to the school must be a constant disappointment to others.

It is hard to imagine anyone carrying away to keep a book from a library when the book is there expressly for the reader's benefit and the librarian has arranged hours to benefit the greatest number of students. The book which is perhaps resting on your bookshelf and which you may find occasional opportunity to read or study may be the one someone else needs.

Why not practice the cooperative and democratic spirit you expect from others and return those unchecked books to the library tomorrow.

The situation might be helped by removing to the reserve shelves books which are copies of class books or contain translations.

It is suggested that a box be conveniently and inconspicuously placed in the lower hall where "missing" books can be more conveniently returned; it has helped elsewhere and might be a boon to timid souls.

LET THERE BE MUSIC

The students appreciated the program presented in Friday's assembly by Prof. Leonard Jacobsen. It proves we have been music starved in assemblies. Many have looked forward to the band program which we hope will materialize. We've had no group singing, our Adelpian Choral society has been singing all year but the only opportunity to hear them will be at a separate concert May 4.

The radio may bring great artists to our home but it lacks the personal contact enjoyed when a musician is presented from our stage. If the chapel committee feels we want only speakers, they err. Excellent speakers both controversial and complacent have appeared. If Tacoma's speakers can be persuaded to talk here why can't we have a few Tacoma musicians?

CAMPUS DAY MOODS

Thursday, faculty and students will don their work clothes and gather for a day of work (three hours) and play. The "grim spectre" of expense forbids the replacement of the dangerous walks in front of the buildings until someone turns an ankle or injures himself more seriously.

Instead we are confining our activities to rakes and hoes in part. The incinerators and some of the offensive rocks will be removed, the student office redecorated.

The Spurs will serve the noonday lunch in Science hall, we hope they figure a way to handle the mob.

Everyone should enjoy himself in addition to the work. The frosh might out-pull the sophs in the tug-o-war but it is still a draw.

How fitting an occasion it would be to break ground for the dormitory which is planned for next year. The plans are ready and Campus day would be the day to take a step forward in the building program.

I wonder . . . whether a committee ever accomplished anything one man couldn't do better alone? . . . what that pile of rocks next to the color post is for . . . if Dixie Tuck's performance in student chapel recently convinced anybody that we should have yell queens too . . . why Eddie Cantor should be so distressed on discovering that the winner of his essay contest on "How America Can Stay Out of War" had plagiarized his entry from some one else. Mr. Cantor uses the same method to get his material for his Pebebo radio broadcast . . . why people who introduce speakers don't find something else to say besides the same old baloney about—"At this time it gives me great pleasure etc." or "It is my privilege etc" . . . why the Board of Trustees changed Commencement Day from June 1st to June 8th when ALL Seniors want it June 1st . . . which came first—the chicken or the egg?

Wa-Hoo . . . Mary Ellen Simmons is the girl Mr. Warren Perry has been stepping out with . . . the Billie Acton-Pinky Doersch tie-up has smashed. But her weakness is still red hair and her attention is now focused on Darrell Underwood who also has Inez Bartoy concentrating on his personal charm . . . Believe it or not Dept.: Here's her full name—Marie Antoinette Van Goetz Billet . . . You Finish This Story: Bob Cowden and Jacqueline Outouse Side by side—as when aren't they?—were watching the baseball game between the Delta Kappas and the Sigma Zetas when Russell "Physique" Perkins, unaware of any femmes being in the vicinity, came dashing out on the field from the gym practically raw!

Silly Symphonies . . . Clark Gould and John Ashbaugh bet each other that he could lay off smoking longer than the other. John Ashbaugh lost—so all this week—if he lives up to the rules of the wager, that is—"Ashes" will be wearing gunny sack underwear and finger-nails doctored up with red nail polish! . . . People who could appear in chapel as often as they wished and have the unanimous approval of ASCPS—Prof. Jacobsen . . . That ornament on Mary Gillette's arm is Ted Betz . . . Jack Green had a date with Alice Wood a week ago Saturday nite but when he called for her Alice was nowhere to be found. He spent the evening with her pappy!

Things that make Puget Sound a "Nobody" . . . the way students help themselves to library property: Mr. Perry's inventory report shows 125 books missing—approximately \$300 worth . . . for a college this size \$300 worth of stolen books constitutes somewhat of a miniature crime wave . . . Come on, Puget Sounders, grow up—put a stop to this silly nonsense . . . and those of you who already answer "Guilty" to the question, "Have you, in your possession, anyone of those 125 so-called "missing books? . . . Return 'em—THEY DON'T BELONG TO YOU!"

Stoics and Pink Tea . . . Dr. Tomlinson won the stork race with Prof. Hindley. Both have been hair-conditioning and infanticipating for some time . . . CPS was freely represented by students and faculty at the Norman Thomas lecture Friday. Comrade Stone presented the Socialist flag to the audience and the Tacoma constabulary failed to make a "pinch."

The Last Round-up . . . Observatory Hill scoops an exclusive interview with the notorious Francis "Kissing Bug" Guhr who was arrested last week on a charge of driving a car and huddling at the same time. Follows the interview—"if they arrest every violator of that particular law they'd have the whole College of Puget Sound down there in the jug." Spoken with veracity, Professor Guhr . . . Bud Mellinger, local DeMolay, invites all those who like to dance to the Scottish Rite Cathedral tonight. Brad Bannon's music. No price of admission—everything's FREE!

Loggers Break Even With Whitman Nine in Four-Game Diamond Series

Dividing double-headers on Wednesday and Thursday, the Logger varsity baseball nine opened its conference schedule here last week by breaking even in a four-game series with the strong Whitman diamond squad. The Lumberjacks won by scores of 8-1 and 11-0, while the Missionary victories were by margins of 5-3 and 8-6.

Three of the tilts, all but the Loggers' easy 8-1 win in Wednesday's second game, were close and hard-fought, being won in the last two innings. In Wednesday's opener, each nine scored a pair of runs in the first inning. CPS scored once in the third, but Whitman tied the count in the fifth, and tallied two unearned runs in the eighth frame to capture a 5-3 victory. Lyons, Whitman center fielder, collected four hits in as many attempts, while Jess Brooks for the Loggers hit twice in four trips.

Loggers Win Easily
With Louie Staples pitching three-hit ball for his six innings on the mound, the Lumberjacks knotted the series by taking the night-cap, 8-1. Two runs in the first inning and five in the second settled the issue, with the Missionaries scoring their lone tally in the seventh, and CPS adding another counter in the eighth. Frank Plouf led Logger batters with two hits in four times at bat.

Thursday was a field day for batters on both teams, with 57 base hits being chalked up in the two games. The Loggers captured an 11-10 decision in a thrill-packed extra-inning opener, when Ed Burkland doubled with two out in the last half of the 11th inning, scoring Bill Pate from second. Burkland clouted four hits in six attempts, as did Bury of Whitman.

Whitman Ties Series
The second encounter saw the Missionaries open with four runs in the first inning, as they had done in the preceding contest, but the Loggers evened the score with two runs in their half of the first and

two more in the fourth, and went out in front with a tally in the fifth. Whitman tied the count in the seventh, and clinched the game and an even break in the series with a three-run rally in the ninth session, winning 8-6.

Bellingham Nine To Meet Loggers Here

With double-headers scheduled for Friday and Saturday, the CPS baseball nine will be host to Bellingham Normal in four home games this week. Opening games are billed for one o'clock on both days.

As against Whitman last week, Coach Jimmy Ennis will have need of his entire mound staff for the four-game series. Starting pitchers will probably be Jess Brooks, Louie Staples, Larry Ragan, and Bill Pate, all of whom saw mound duty against Whitman.

When neither Brooks nor Pate is pitching, they will be left field and third base, respectively, with Mel Miller catching, Erling Tollefson at first, Johnny Milroy at second, Frank Blouf at shortstop, and Johnny Van Etten and Ed Burkland completing the outfield.

W. A. A. - HOO

By Maudie Boswell

With victories over the Independents and Lambdas in both singles and doubles, Kappa Sigma Theta has taken the lead in the intersorority tennis tournament. If the Gammas, who edged out the Betas last week, come out on top in their match with the Independents, slated for noon today, they and the Thetas will be tied with two wins apiece.

Archery is attracting large turnouts each noon except Thursdays. Jean Hartman, school champ last year, will be out for practice as soon as she returns from her trip east, where she and Floramae Davis are attending a national convention of the Athletic Federation of College Women. Mary Jane Roberts, Clara Oliver, and Jean Derby, all freshmen, are expected to give Jean some competition.

Miss Collins spent three days of Spring vacation at Oregon State college as a delegate to a conference of the Western Section Association of Directors of Physical Education for College Women. (Whew!) New types of requirements in physical education were discussed, Miss Collins reports. It was also noted that the trend to give regular academic credits towards graduation for physical education is increasing.

Zetes, Omicrons Win Mural Games

With Sigma Zeta Epsilon and Delta Pi Omicron teams winning the only games played last week in the intramural baseball chase, the Delta Kappa Phi aggregation remains out in front with one victory and no defeats. The leaders' undefeated record is in considerable danger this week, however, for they are slated to play three games in four days, facing Omicron, Sigma Mu Chi, and Alpha Chi Nu teams in that order.

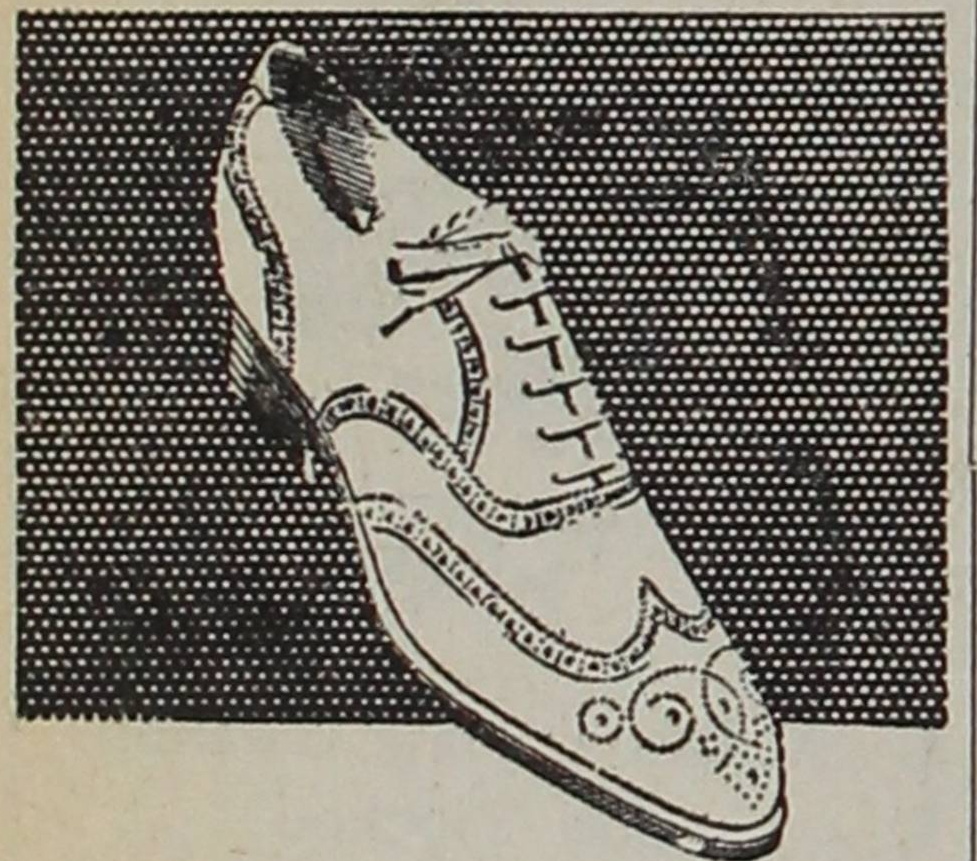

Numerous infield errors by the Mu Chis and some heavy slugging by the Zetes were responsible for the latter's 6 to 1 victory in last Monday's game. Rony Whitley pitched for the winners, while Clarence Mykland was on the mound for the Mu Chis.

The Omicrons won by an 8 to 6 margin over the Chi Nus in a close game on Tuesday. Jack Reese pitched well for the victors, with Bruce Hetrick getting poor support from the remainder of the Chi Nu outfit.

Wednesday's and Thursday's scheduled games were postponed because of the CPS-Whitman baseball series in progress here.
