Frosh Swamp Sophs in Mud By 751 to 321

For the first time since 1932 mud and humiliation was all that the sophomore class received from its annual bag rush with those valiant boys in green yesterday at Logger lake, which in dry times is used as an athletic field.

Because of the victorious score of 751 to 321, the freshman class may rightfully discard their beanies, according to tradition.

In the first heat the sophomores gained the upper hand as they proceeded to gain a slight 171 to 156 point edge. It was Don Brown and Chet Dyer who accounted for all of the freshmen points in that half as they packed the sawdust sack across for the score.

Vince Hagen and Gerald Hoff were the frosh iron men, ringing up over 300 points for their class. George Victor and Harry Hescoc slopped through the muck to score a goal, only to have their opponents, Chuck Newschwander and Mikael Manza boom across a tally for their cause, a minute later.

LAST DAY ESTIMATE SHOWS KAPPS AHEAD

With cups offered to the fraternity and sorority, and a prize of ten dollars to the Independent selling the most tickets for the Football Drive competition, Alpha Beta Upsilon and Delta Kappa Phi and Yoshitero Kawano of the Independents are leading to date.

The Betas have kept the lead with 18 tickets, Thetas are close behind with 14. In fraternity competition the Delta Kapps are leading with a score of 32 to the Zetas 26. Four tickets have kept Yoshitero in the lead over Louise Durand and Ronnie Robbins who have sold three tickets each.

Particularly outstanding is the sale of five tickets in the first two days of the drive by Dick Smith, field secretary of the college.

Indian Souvenir Display Now In Howarth Hall

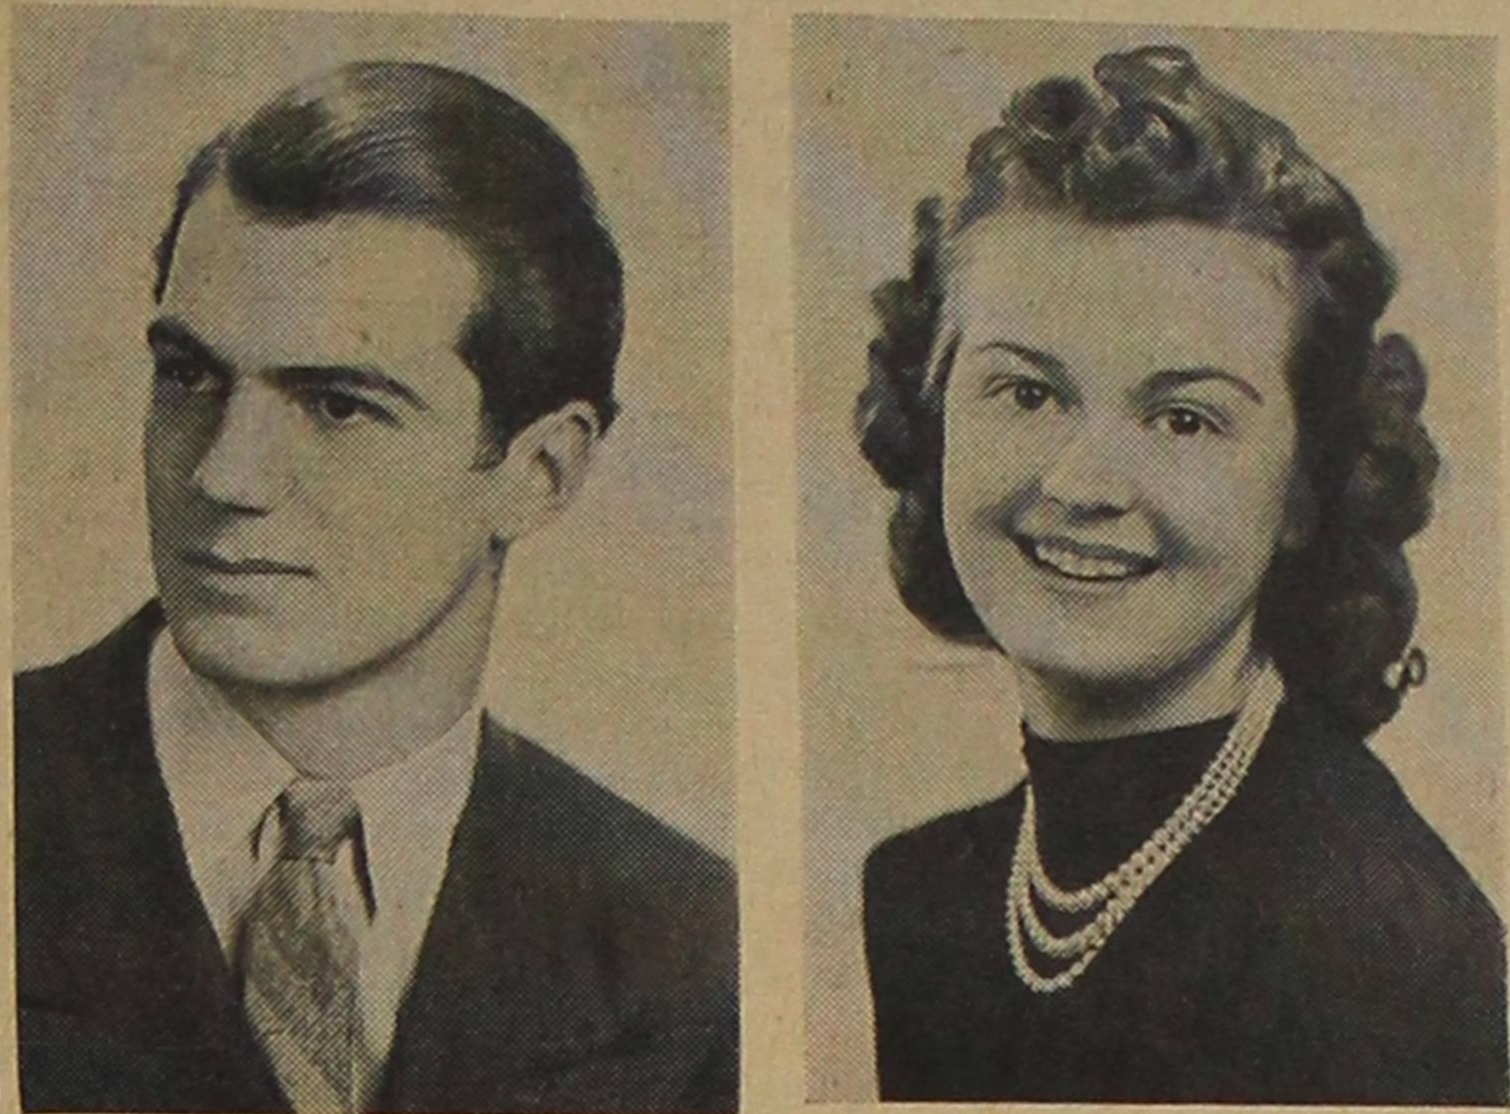

During her summer trip to Mexico Miss Blanche Stevens, head of the home economics department at CPS collected a group of Indian souvenirs, which are now being exhibited in the Howarth Hall display case. Among the many objects of interest are small hand-hammered copper vessels, a grinding bowl fashioned of volcanic ash, a brass knocker in the shape of a tiny hand, and various articles of hand-woven cloth.

Miss Stevens showed particular interest in the Mexican methods of preparing food. She collected recipe books, and studied handicraft as a further preparation for her work in the Home Economics Department of the College.

Principals Cast in "The Tavern"

Romantic leads in "The Tavern," Homecoming Play to be given Thursday night, are Jack McGuire and Blanche Haynes.

Homecoming Play 'The Tavern' Will Be Given Thursday Night

"The Tavern," to be presented Thursday, October 17 at 8:15 p. m. in Jones Hall Auditorium, has in its cast many well-known CPS performers. Blanche Haynes plays the part of pretty, flirtatious Virginia Lamson, the governor's daughter; and the Vagabond to whom all the world is drama, is Jack McGuire, formerly of Montana State College and a transfer from Colorado University. Although new to CPS, he has taken prominent roles in such productions as "Journey's End," "Little Women," and "Bury the Dead."

On a stormy night of long ago a governor and his party, after being held up at the crossroads, arrive at an old inn, there to find that a whimsical vagabond and a mysterious woman have already taken advantage of its shelter. Immediately entanglements develop, resulting in a series of hilarious situations which reach their climax at the end of the play, when a surprise twist rings down the curtain in true George M. Cohan style.

The "song and dance man of Broadway" has written, in addition to "The Tavern," such successes as "Seven Keys to Baldpate" and "Forty-Five Minutes From Broadway."

Cast Announced

The remainder of the cast is as follows: Zach, the Tavern Keeper's son, Herman Kleiner; Sally the hired girl, Sylvia Langdon; Freeman, the Tavern Keeper, Keith De Folo; the hired man, Robert Elliot; Violet, the woman, Betty Thralls; Governor Lamson, William Stewart; Mrs. Lamson, Annabel Miller; Tom Allen, the fiance, Charles Swanson; the Sheriff, Richard Jarvis; Ezra, the Sheriff's man, Steven Truselo; Joshua, the Sheriff's other man, Arthur Sheets; Tony, the Sheriff's third man, Cyril Hanson; and Stevens, the insane asylum attendant Stan Burkey.

Production Staff Active

The production staff, as announced by Miss Jones, includes Wilbur Baisinger, dramatic manager; David Davies, assistant dramatic manager; Richard Sloat, graduate assistant director; Willard Bellman, electrician; Clair Hanson, Cyril Hanson, and Matthew Seto, stage crew; Anita Sherman and Mary Ellen Peterson, properties; Tad Burd, prompter; publicity, Mildred McKenzie, Mary Katherine Hager and Bill Brown; programs, Mary Catherine Lincoln and Roberta Humble; makeup, Doris Wittren, Esther Sandstedt and Peggy Thompson; tickets, Audrey Albertson, Ruth Pauline

Todd and Jack Richards; and Anita Misener and Helen Gessamen, general assistants.

The one acting for the play will be the interior of a rustic tavern, with raftered ceilings, antler-adorned walls and "peg-and-plank" furniture, while a storm, complete with lightning, thunder, rain, and wind, whoops outside the windows.

Orators' Schedule Planned For Fall

With seven varsity orators turning out for the initial meeting, Miss Lucile Meredith, assistant director of the Forensics department, asks the first-year men and women interested in oratory to see her immediately between 1:00 and 3:00 in room 326.

Miss Meredith plans to have the orations written by the Thanksgiving vacation, as the first major contest, the Burmeister Oratorical contest, will be held on December 18th and 19th, Wednesday and Thursday before the Christmas holiday. This will permit at least two weeks to be spent on delivery practice. The contest will be in two divisions, the men and the women's oratory. First-place prize of \$10 and a second-place prize of \$5 will be given to the respective groups.

Scheduled for the coming fall and spring semesters is the Junior College tournament to be held here on March 14 and 15; the Linfield tournament at McMinnville, Oregon, February 20, 21, and 22; the regional Pi Kappa Delta tournament at Stockton, California, and numerous minor tournaments in which the contestants may be eligible to compete.

Those turning out for the first meeting were, Sam Batt, Herman Kleiner, Frank Hannawalt, Walter Baldwin, Bob Elliott, Marguerita Irle, and Lawrence Henderson.

Homecoming Plans Will Feature Band

Making their first appearance of the year, the College of Puget Sound Band played at the game with Linfield in the Stadium Bowl last night. The 36-piece band will also be heard at the other home football games, according to Louis G. Wersen, the director.

For the Homecoming game with Whitman, October 18, the band is planning a special field stunt in which 36 member of the Adelpian Choral Society will also participate. The band will play and the Adelpians will sing. Director Wersen has charge of the stunt, but Prof. Bennett is directing the Choral Society in the practice of their songs. The band will be dressed in dark suits, and the singers will wear dark skirts or trousers and their white Adelpian sweaters with maroon emblems.

The enrollment of the band has doubled since last year. "There has been a decided increase in the number of bandsmen coming to CPS," says Mr. Wersen, "and the ability of the performers is improving."

ENROLMENT INCREASE BRINGS TOTAL TO 672

Proof that the College of Puget Sound is a growing institution is figured by the latest registration figures which show that 10 more students have enrolled bringing the final total to 672. Of these a majority of 75 per cent come from Tacoma. Seven per cent are enrolled from Pierce County outside of Tacoma, 15 per cent from elsewhere in Washington, 2.2 per cent from other states, and .7 per cent from foreign countries.

Five students adding an international touch to CPS are Thomas Goto from Honolulu; Darline and Margarita Irle from Chile; Melchor Moline from the Philippine Islands, and Kenji Miyazaki from Japan.

To The Student Body

Whenever you plan to see an evening show at one of the downtown theatres, buy your tickets at the College Bookstore. It will cost you less to see the show and at the same time the Trail will benefit, as these tickets are the only way in which it gets paid by the theater managers for their advertisements.

Homecoming will shout a hearty welcome to the many college alumni returning next week with the most entertaining and varied festivities ever undertaken at a CPS affair, announces Gale Sampson, chairman of the committee in charge.

Breaking of ground for the new Student Union Building, dominant theme of the entire program, will be the opening ceremony to take place Thursday noon.

A "dirt-shoveling" contest, with President Everett Smith of the Chamber of Commerce, Mayor Harry P. Cain and Student Body President Lyall Jamieson in competition. Invited to judge the competence of the shovel brigade are President D. O. Rolstad of Kiwanis, and President of Rotary Bert Sweeting. Both judges and contestants have been invited to luncheon with President Todd and the Board of Trustees at the Women's Residence Hall.

"Melodrama" Thursday

"The Tavern," a spirited "melodramatic" comedy by George M. Cohan will be presented by the college dramatics department Thursday evening at 8:15 in Jones Hall. Admission is to be 40 cents for adults, 20 cents for students.

Decorations of the most elaborate type will deck all the fraternity houses, the Women's Residence Hall and the sorority rooms in Jones Hall. Prizes for the best decorations are offered as they will also be offered for the best decorated and noisiest floats in the Pep Parade.

Starting from the college Friday noon, the parade will wend its way downtown, sorority and fraternity floats riding in its ranks. Enthusiastic attendance is hoped for by those in charge, for this phase of homecoming.

Game Is Wind-Up

The football game with Whitman College will be played Friday evening at 8 p. m. in the Stadium Bowl, 75 cents for adults and Associated Student Body Tickets for students being the admission. Part of the program between halves will be numbers by the band and a male chorus. Additional entertainment has not yet been revealed. To climax festivities, the semi-formal homecoming ball will take place Saturday evening in the Fellowship Hall with Brad Bannon's orchestra. Admission will be \$1.25 per couple.

The women of the Residence Hall will be hostesses to the student body after the homecoming play on Thursday evening. Refreshments will be served and everyone is invited to attend.

Much Discussed Chapel Issues Are Considered by Committee

One of the most controversial, eagerly discussed, and least understood issues which is continually being raised among college students is that of chapel programs. In order to clarify the situation in the minds of students of the College, the assembly and chapel committee has drawn up the following principles and statement of purpose. They are, in essence:

The situation in which the world finds itself today is one of unrest, near-hysteria, and prejudiced opinion. In order to insure the perpetuation of the Christian ideals and educational principles upon which the College was founded, it will be necessary to establish a criterion for judging the tenor of programs which are to be a reflection of character of the College of Puget Sound.

Since Democracy and Christianity both thrive on free expression of differing points of view, every effort will be made to secure the best speakers possible to discuss each side of controversial issue.

So far as possible, opportunities for raising questions will be given students who have received invitations from the presiding officer. This period of questioning will be held as soon after the address as possible.

While organizations and members of the student body representing differing sides of a question are invited to suggest speakers to represent them, any group which endeavors by pressure to place a speaker before our assembly, will be regarded with disfavor.

It would be well for each of us to give the preceding principles our sober consideration before we become too eager to condemn a much misunderstood, unfamiliar situation.

Robbins Heads Bursars' Group

Charles A. Robbins, Bursar of the College of Puget Sound, has just returned from Pasadena where he attended the annual meeting of the Western Association of College and University Business Officers of which he was Vice-President, and has been elected as President for the coming year.

This Association is composed of Business Officers from all the colleges and universities, state and private, of the ten western states. It is considered a high honor for the College of Puget Sound to furnish the president for an organization in which there are so many large universities, such as University of Washington, University of California, University of Southern California, and Stanford, Oregon, Arizona, as well as many well-known smaller colleges and universities.

"We had the rare treat of having a private visit to the Huntington Library and Art Gallery and to the California Institute of Technology where the 200-inch

glass is being ground for the Palomar Observatory," said Mr. Robbins. A building was constructed especially for the work, insulated against heat, with no windows and no heating plant. Even the heat from the lighting is insulated, thus assuring almost a perfect evenness of temperature at all times. Dr. Anderson, the director, stated that the only additional heat in the building came from the friction of grinding and from the bodies of the three operators. The glass is now within one-millionth of an inch perfection, he said. It is expected to be in operation in about two years.

Describing the Huntington Library and Art Gallery, Mr. Robbins continued, "The Huntington Library is of course one of the famous places on the Coast. It was the hobby of the late Mr. Huntington who had considerable wealth and devoted it to this cause. The Library has a large fireproof vault in which are stored about 100,000 volumes of first editions and rare books and manuscripts, whose values of course could not be estimated. In order to make all of these costly and rare editions available gratis for advanced students in research, photostatic copies have been made of them and these are the work copies."

Seattle Scot Soothes Sleeping Studes by Scotch Syncopation

By JO ANN BOYD

The stillness of the night air is rent with a weird, haunting, far-away melody, which seems to come from the field behind the college. Upon investigation it is discovered that the commotion emanates not from someone or something in great pain, but is only Dick Jarvis practicing on his Scottish bagpipes.

Dick has made quite a study of the art of "pipe playing." In fact, he says that as "just a little shaver," he followed grades for miles, fascinated by the melodies of the bagpipes. When he was older, one of his brother's friends (who was a drunkard) claimed that young Dick had talent, which started his playing the pipes.

Within a few years, Dick purchased his own bagpipes in Vancouver, British Columbia. Having played five years, Dick is quite adept by now. In fact, he is a member of the Seattle Pipe Band and has played at various picnics, celebrations and organizations around town. The Honolulu Pipe Band also claims him as a member.

According to Dick, the construction of the pipes is unique in itself. The reeds in the four pipes are supplied with air directly from a goat-skin bag beneath his arm. The reeds change with the weather so that it takes Dick an hour to get them into shape again.

Dick claims that the bagpipes are a very misunderstood instrument. "Everyone says that every tune played on them is the same. They do sound the same, but there's really a great deal of difference between the various melodies played."

It seems that there is more to bagpipe playing than meets the ear—as Dick Jarvis undoubtedly will tell you.

Davis Writes For State Book

Professor Walter S. Davis, a member of the CPS history department for many years, recently announced publication of his work on "Political Issues and Interests." The article appears as a chapter in a newly printed book "The First Authoritative History of Washington," by O. B. Sperlin of the University of Washington.

Professor Davis, better known as Senator Davis, has been instructor of history and political science for nearly 33 years, coming here in 1907. He was a member of the Washington State Senate from 1913 to 1929. Previously he received his schooling at numerous institutions. From De Pauw university he received his Bachelor of Arts Degree; earned his Master of Arts Degree at Cornell and received his Doctor of Laws degree from The College of Puget Sound in 1939. He was a student at the University of Leipzig for a year and attended summer sessions at Harvard and the University of Wisconsin. Before accepting his present position he served in the capacity of teacher and principal of public schools.

New Shelves In Library Have Diffused Lighting

Crowded conditions in the library last year made it necessary to provide more space for books; so new shelves were installed between the close of summer school and the opening of the fall session, which will hold the increase of books for approximately two years. The three bookcases which have been added, combined with the set which formerly stood behind the reference tables, are now in the center aisle.

The new shelves are lighted by electric reflectors which are designed to eliminate glare. Because of this diffusion of light the books on the bottom shelves are as easily seen as those on the top.

No changes have been made in the library staff this year, Mr. Perry, head librarian announces. Miss Watt is reference librarian, Miss Lewis is circulation librarian, and Jean Simpson is secretary to Mr. Perry.

Lawrence Henderson, Lola Hughes, Eleanor Graham, Frank Lowther, are all assisting, as are the following N. Y. A. students; Walter Ebbett, Douglas Hicks, Paul La Mott, Dorothy Singer, Rolland Lutz, and Everett Lowther.

Music Musings

Arrangements have been made by the music department for its \$2.00 campaign to enlist Tacomaans interested in continued expansion of that department. Proceeds from the campaign will go into a fund which will eventually provide an adequate music building.

A concert series featuring the Puget Sound Chamber Music Society on December 9, the Puget Sound Symphony on February 10 and the Adelpian Choral Society on April 21 will be presented. All concerts will be held in the College

Logger's Ax and we tell 'em

By THE DEACON

Let us now consider the question of the week—"What means the color-post and its numbers?" We now ponder our reply . . . hmmm . . . what is the color-post for? . . . say, that's a thought . . . what is it for anyway?

Perhaps one of our professors could help us out of our dilemma. . . a pink suit and two yellow shoes are coming down the hall . . . Oh, Dr. Williston! can you relate to us the mystery of the color post? . . . I see . . . I see . . . it was found next to King Tuckme-in's mummy in the great Pyramid and bore this inscription . . . "Each Saturday night from the year 1020 B. C. P.S. to 1010 B.C.P.S. King Tuckme-in tied his camel to me, and went to court his beloved Queen Rolouttha-Bairl. Therefore I am the original Saturday Evening Post and all infringers will be punished under the law No. 966 entered March 11, 1896."

I thank you, oh Great Historian Williston for this great enlightenment. Now let us seek out Dr. Todd to discover the meaning of the numbers on yon color-post . . . Dr. Todd, what means the numbers on our color post? . . . "numbers on the color post? . . . what numbers on the color post? . . . has some freshman been defacing it? . . . why, the idea! . . . Dean Register, please get Mr. Eastwood on the phone!"

And so we leave President Todd's office, and as we walk away, we are seen mumbling and gibbering to ourselves . . . what means the color post . . . what means . . . what—

Tomlinson's Camp Has Superb Season

German Camp, held annually on Orcas Island, convened this year from August 1 to 24. The purpose of this meeting is to give students an opportunity to practice German.

"Students learn more in three weeks at German Camp than in a whole semester at college," said Dr. Tomlinson, CPS instructor and founder of the camp.

"This camp is the only one of its kind in the nation," Dr. Tomlinson explained. "Professors from universities in New York, Iowa, Texas, and California attended the camp this summer."

Dr. Tomlinson said that regular classes are held in the morning, but in the afternoon are hikes, boat rides and all the activities of a summer vacation. In the evening the group gathers around the camp fire to sing German folk songs and present short dramas in German.

"This camp has no connection or affiliation whatsoever with any political organization!" emphasized Dr. Tomlinson. "It is purely an educational organization where students put their knowledge of the language to work by using it in place of their native English."

auditorium at 8:15 p. m. Season tickets are \$2.10 for adults and \$1.05 for students.

The only requirement for joining the Puget Sound Singers is to like to sing, it is announced. Tryouts are not necessary. This year the organization is putting on the Messiah with pipe organ and symphony accompaniment. So far they have 50 members, but 150 are needed. The group meets Mondays and Wednesdays from 12:10 to 1:00 p. m. in Jones Hall.

Green Goats

Bewildered, baffled, blank!—are some of the common adjectives used to aptly describe the expressions on the countenances of our adored freshmen. Will they ever come back to normal? Maybe they are acting normally now—who knows?

Such gullibility! Harry Werbisky gallantly sold Bob O'Connell a class book at a fair price. The book, however, has not been in use for several years.

Pledge duty No. 99 for Jane Ness and Gertrude Kincaid—They wiped off their grins on the floor before rendering a sadly bad "Gloomy Sunday."

"You might be bewildered And even quite blue, But just what would college be Without the likeness of you."

"But he gives me no encouragement!" was the wail of Kay Copeland when she was directed in stunt practice to throw her arms around Aldo Benedetti. Ahem—What size shoe do you wear, Aldo?

He who laughs last, George "Washington" Victor, required the skill of sixteen beautiful girls to make him up.

Excited over her role for stunt night, Mary Cornell told everyone she was going to be a gaudy "mole" instead of a "moll." It's an "L" of a difference, Mary!

Don Gessaman was called upon to name two different nouns in Freshman Composition. He promptly replied, "Proper and Improper."

PINOCCHIO DRAWINGS SHOWN IN GALLERIES

Original drawings of the film Pinocchio will be featured in the new studio by the CPS Art Department from Sunday, Oct. 13 to Nov. 10, according to Melvin Kohler, head of the department. These drawings were loaned by the Courvoisier Art Galleries of San Francisco.

In the large gallery will be shown paintings by Walter Isaacs, director of the School of Art at the University of Washington.

At the same time paintings by Mrs. Robert Hyde will be displayed in the small gallery upstairs.

These exhibits are made possible through the help of the Tacoma Art Association, of which Mr. Kohler is director. They will be open weekdays from 12:30 to 5 p. m., Sunday afternoons from 2 to 6, and on Monday evenings from 7 to 9:30. Students are invited to visit the galleries at any possible time.

WAA Potluck Meal Is Meeting Feature

Old and prospective members of the WAA gathered at the home of Mary Ogden for an enjoyable potluck supper yesterday evening prior to the football game. Miss Elizabeth Bona was in charge of the affair.

In conjunction with this, a meeting was held at which time Mary Ogden, the newly-elected president, took charge.

Among the activities discussed were: hockey, ping-pong and golf tournaments, and the Junior High School Play Day. It was announced that the hockey teams are to be chosen on October 18 with games scheduled for October 21, 23, and 25, during the noon hour. The inter-sorority golf tournament, already under way, is to be completed by the end of the month. Starting October 28 will be the ping-pong tournament.

SENIOR IS INJURED IN INTRAMURAL GAME

Stan Champ, a member of the senior class, and affiliated with Delta Kappa Phi, was injured Tuesday in the intramural football game between the Chi Nus and the Delta Kapps. While playing center on the team, he was knocked down, his collar bone being broken in three places. Stan expects to be back in classes in a few days.

Kappa Phi Has Fireside

To honor freshman girls, Kappa Phi, Methodist sorority, held a fireside at the home of Ruth Barter on Sunday, Sept. 29.

A short program was presented, Ruth McCrea playing a piano solo and Anita Misener giving a reading. In conclusion, Margarita Irle gave a short history of Kappa Phi.

Betty Bradley and Betty Bunker were co-chairmen of the affair.

The following girls were pledged in a ceremony in little chapel on October 7: Christine Thwates, Lorraine Justman, Jane Thompson, Mildred Blake, Olive Edén, and Pat Magill. The pledging service was followed by an informal program.

Everyone will agree that Miriam Gibsons' beige gaberdine dress is certainly smooth and typically right for college wear.

An extra bouquet of posies to Virginia Wiltse for her super drama and clothes sense.

Frank Hicks is causing plenty of comment among the fair sex, mainly because of his blonde good looks, and his casual college clothes.

With little leather hob-nailed soles, serving as buttons on a suede jerkin, Mary Anne Jelusich's plaid green and gold ensemble is the cutest ever.

This week's cuty is Marie De Polo, a dark little freshman, whose sparkle and friendly smile is winning many an admiring glance.

COLLEGE HIKERS SEE MOUNTAIN SCENERY

Eight cars loaded with students and faculty members of CPS, left the campus last Saturday morning at eight for Reflection Lake, the starting point of the joint YMCA and YWCA hike.

From the top of Pinnacle Peak, the group could see the peaks of Rainier, Adams, St. Helens and Hood.

The only mishap which occurred on the entire trip was the breaking down of Dean Register's car, which was "collected" on the way back home.

Offside Penalty Leads to Defeat

Breaks gave a heavier Cheney eleven a 13 to 6 victory over CPS last Friday night in the eastern city.

But for a disastrous offside penalty, the story might have been different. Although heavily outweighed, the hard-hitting Logger team had stopped the Savages short of a first down, but an offside penalty was sufficient to bring the ball to the CPS three-yard line and a first down. A line smash and Cheney was six good points ahead.

Passing Attacks Featured As Greek Grid Season Opens

In the opening four games of intramural play 12 touchdowns were scored, every one of them on a pass.

The first game of the 1940 season saw Harry "Deadeye" Werbisky throw five touchdown passes as the Zetes ran rough shod over the Omicrons 32 to 0. Newschwander caught two, and McCord, Walker and O'Connell each one. A pass to Victor netted one extra point while O'Connell scored the other on a statue of liberty.

George Mitchell threw them the next game as the Mu Chis defeated the Independents 13 to 0. Hiltbrunn was on the receiving end for both scores, while Mitchell scored the point on an end run.

Tuesday saw the Chi Nus win a close one from the Delta Kapps, 7 to 0. Foreman passed to Grandlund for the score and to Markusen for the extra point.

Little Yosh Kawano let fly in the second game Tuesday, as the Independents swamped the Omicrons 24 to 0. Three touchdowns, two to Clair Hanson and one to Cy Hanson were thrown by the former Nippon captain. The fourth score was a pass from Robbins to Tostevin.

Loggers Down Linfield

...it's like this...

By WEBB and WALTER

While sitting in the press box at the Stadium-Walla Walla game last Friday, there arose between the sports editors of the city papers, the staff men of KMO, and yours truly, a discussion on the possibility of a CPS-PLC football game.

After a little research the following points were found to be standing in the road of such an undertaking.

1. The eligibility rules of the two schools do not place the two teams on an even footing. At CPS a student from another college cannot play until he has waited one year, while at PLC you may play as soon as you enroll.

2. There is no guarantee that if the two teams meet this year, that they will continue to meet in the years to come.

3. There is no show of intense interest for such a game prevailing in the city of Tacoma at the present time.

4. Why confine the interest of the competition merely to the football field where the PLC team shines so brilliantly? Why not also meet in basketball, track, tennis, golf, and baseball? Then at the end of the year see who rates the best on the basis of the whole year.

These are but four reasons why it is not advisable for the two schools to meet. If these could be remedied, we feel that it would be a fine idea to establish such a cross-city rivalry.

14 to 6 Win Opens CPS Drive Toward 1940 Conference Title

By ED WEBB

The Maroon and White marauders of CPS smashed their way into a tie for the Northwest Conference championship chase last night in the Stadium by soundly thumping the invading Linfield Wildcat cats by a 14 to 6 score.

The hard-running backs and vicious charging forward wall representing the Loggers showed that they are not "dark horses" in the title race, but a definite contender.

The Logger running attack got off to a fast start and before the first half ended the scoreboard read 14 big points in favor of the home team. In the meantime a vicious tackling forward wall held Linfield scoreless until the middle of the final period.

Mid-way in the opening period Bernard Remson, CPS back, handed a reverse to Bill Madden who slanted off tackle, cut to the left and evading several would be tacklers raced 42 yards before he was finally brought to earth on the Linfield 29-yard line.

Remson To Madden

Two line plays failed to gain and then Remson faded back and shot a swift, bullet-like pass to Madden, who took the ball on the dead run and fought his way to within eight yards of scoring territory.

And then this same smooth working duo went into action again with Remson handing a reverse to the swift moving figure of Madden, who twisted and turned his way over the goal line for the initial score. Underwood made good the extra point by placement.

Then in the second quarter it was Bill McMaster that came to the front for the Loggers. Mac drove through center, cut to the right and sped 40 yards before he was forced out of bounds on the Linfield 20-yard line.

Two plays later McMaster again took the ball and driving straight through the forward wall of the Wildcat's smashed his way to

within four yards of the slanted white lines. Madden tried an end run and put the ball a yard short of pay dirt. On the next play the ball was hiked to McMaster and he dove over the center of the line to mark up the second and final score for CPS. Underwood's unerring toe again accounted for the extra point by placement.

Races 60 Yards

The jubilant Loggers held a savagely fighting Linfield eleven at bay until the middle of the fourth period. It was at this point in the game that "Scooter" Rich, Wildcat half, decided to do something about his teams situation. The "Scooter" bounced through center and raced 60 long yards to tally the lone Linfield score.

The CPS backfield again showed brilliantly. The work of Remson, Madden, and McMaster was especially good. And then too, the kicking of Bill McLaughlin was a big factor in holding back the invaders. The forward wall showed itself to be a vicious, hard-tackling unit.

The game was played on a rain-soaked field, but both teams were favored by the fact that it did not rain during the game.
