Presidents at Student Meet In California

At Santa Catalina Island, dreamland playground of movie stars, two C.P.S. students are this week being entertained at the Pacific Student President association.

The lucky boys, of course, are ASCPS President James Paulson, and Past President Lyall Jamieson. They left Tuesday at 1 a. m. on the train for Los Angeles, from which Santa Catalina is a three-hour trip by boat.

The association meets annually in May, usually at one of the college camps, but this year the Southern California members got together and decided to hold the convention at the summer resort.

To discuss mutual problems of student government and to gain new ideas for use on their own camp, representatives from 13 western states, Alaska and Hawaii congregate from May 1 to May 4.

"The general subject of the conference was the relationships and functions of the church in education," explained Dean Regester.

The meeting was attended by representatives from the College of the Pacific, University of Southern California, University of Denver, and the College of Puget Sound.

Dorothy Ann Brenner, who was omitted from the story in the last issue of The Trail, was also given an invitation to pledge Mu Sigma Delta. Dorothy Ann has held an office in Delta Alpha Gamma, was a member of the YWCA cabinet and was a spur in her sophomore year.

Two Will Pledge Mu Sigma Delta

Membership of Mu Sigma Delta includes faculty members who have formerly made Phi Beta Kappa, and graduate students and seniors who have been pledged from the student body for their high scholastic standing.

Finance Committee Works on Budgets

Work on the proposed budgets for next year was begun this week by the finance committee. These budgets are for all student activities which include athletics, debate, dramatics, music and an incidental budget. All expenditures are based on the number of students who pay the \$7.50 associated students fee.

"At the present time it seems that there will be a generous sum to be distributed among the activities," stated Prof. Ellery Capen, chairman of the committee.

The incidental budget is the first to be worked out, and the remainder will be divided on a percentage basis.

As yet, only one budget has been submitted to the committee. All others are urged to do so soon, as they are needed for further planning.

Contests and festival are open to the public. Tickets are for: Individual sessions, adults, 20 cents; children, 10 cents; season or two-day tickets, adults, 50 cents; children, 25 cents.

8 C.P.S. Prospects Take Entrance Exams For Medical School

Thursday afternoon eight students from C.P.S. took the examination required of all those who intend to enter medical school in the fall of 1942, at the same time that other students throughout the United States were taking this test.

Pamla Normand was the only girl in the group. Others taking the examinations were James Frank, Richard Musser, James Paulson, Richard Jarvis, Bill Tregoning, Bill Sidders, and Paul Heuston.

Because James Paulson, ASCPS president, was in California attending the Pacific Student President association, arrangements were made with the board of examiners that he take the examination at the University of California at Los Angeles at the same time that students here were taking it.

"Formerly these examinations were held in the fall a year previous to the date the student wished to enter," explained Dean John Regester. "This year they have been set forward to the spring a year and a half previous to the entrance date because so many of the medical schools close their lists so early."

Librarian Attends Northwest Meeting

Miss Susan Watt, assistant librarian, attended a meeting of the Northwest college librarians in Portland, Saturday, April 26.

"This was the same group which met here at C. P. S. last fall," explained Miss Watt. "It was formed about three years ago and holds meetings for the purpose of discussing problems common to school libraries," she added.

During her stay in Oregon Miss Watt visited colleges and studied their libraries.

Adelphians Will Wind Up Spring Tour on May 5

As a climax to a singing tour of Eastern Washington towns, on Monday evening, May 5, at 8:15 in Jones hall auditorium, the Adelpian Choral society will give their homecoming concert. For the past week the chorus has been making its annual tour, singing in churches and high schools of Renton, Pomeroy, Clarkston-Lewiston, Coeur d'Alene, Spokane, Walla Walla, Kennewick, Sunnyside and Toppenish.

While in these cities, the chorus was sponsored by the Methodist church. With them has been Precentor John Paul Bennett, Mrs. Cheney, chaperone. Mr. Richard Smith, secretary of the college, and Mr. E. T. Short of the Tacoma Times, who sent back stories for his paper.

Professor Bennett had planned to take the road this spring with an all-American program, which included some of the early compositions which have not appeared on the concert stage for many years. Among these are tunes written by William Billings, America's leading eighteenth century composer.

Recently, however, Professor Bennett took the chorus to a community where the Adelpians have been heard frequently. The audience was delighted with the Amer-

ican compositions but wanted to know what had happened to "Happy Anna," a Latvian spiritual which had been shunted off the program in order to make room for some new music.

The only answer was to put

JOHN PAUL BENNETT "Happy Anna" and some other Latvian songs back on the program. This program is as follows: Credo-Kreckel, O Praise the Name of the Lord—Tschalkowsky; Brother James' Air—Jacob; Strong Son of God—Snow; The

"A Little Patience Will Help" Should Be Slogan of Waiters for Commons Service

Impatience and other stronger emotions have been expressed about the service in the commons. Seventeen years ago when the commons was opened in its present site the college enrollment was 400 as compared with its present 700 faculty and students.

Bricks, bricks, bricks. If I ever hear that word again I'll die of apoplexy, even then I'll probably turn brick-red as I expire. For 6 days now I've had 38,001 bricks (the building committee just added another 2-10" to the length of the building) dancing before my eyes.

Buy a Brick!— say these pretty C.P.S. coeds, demonstrating the technique by which the students raised \$4,856 cash (latest figures through Tuesday) and a possible \$1,000 in pledged sums by selling bricks to Tacoma citizens.

Ninety graduates and 5 post graduates will receive degrees at commencement ceremonies June 7 in Jones hall. This graduating class will be approximately 15 less than last year's class. Seventeen of the graduates will be excused from final examinations because of superior grade averages.

Confusion Reigns as Adelphians Leave on Annual Spring Tour

Once upon a time there was a man who lived in a streamlined bus who had so many student singers it took him almost an hour to get all collected. Mr. John Paul Bennett, (the man) sat in the back end of the bus with his head first in and then out so that he could tell who was there and who wasn't.

Student Body Sends Two to Convention; Memorial Purchased

Since most colleges send two delegates to the Pacific Student President association, it was decided this year by Central Board to pay half the expenses of the past president as well as all expenses of the president-elect of the student body in attending the convention, which is being held at Santa Catalina island from May 1 to 4.

Patrons and patronesses for the affair were Dr. and Mrs. Frank G. Williston and Dr. and Mrs. Julius Jaeger.

Janet Robbins, chairman, was assisted by Florence McLean, Jackie Moore, Elinor Upper, Betty Jean O'Connor, Helen Folsom, Elizabeth Pugh and Harriet Cline.

Popular Hangout At 6th and Pine Has Final Rites

Burpee's, soft drink and lunch shop, hangout of C.P.S. students at 6th and Pine street, is no more.

Last Friday night final rites for this familiar place were held. All that remained of it went up in smoke as wrecking contractors disposed of debris and furniture. It seems a city ordinance decreed that the jog at 6th avenue and Pine street should be widened and straightened, thus spelling death for Burpee's.

This has been the neighborhood gathering place for years. Many a campaign election has been fought, many a Rose Bowl candidate promoted within its walls. Notables, including Congressman John M. Coffee, State Treasurer Otto Cose, and Freddie Steele, former middleweight boxing champion, knew Burpee's.

C.P.S. students were perhaps its most frequent visitors. Rare is the student who has not left his initials or his fraternity emblem carved in the table tops. Year after year, students' artistic efforts have left the table tops resembling some contemporary artist's masterpiece.

However R. A. Burpee, proprietor of the shop, has moved to a new location at 6th avenue and Stevens.

"Maybe I'll hang those carved table tops on the wall in my new place and use them as murals," he says wistfully.

Loggers Outrun Oregonian Cinder Men 82-49 Wednesday

Track Squad Wins 3 in Row Over P.L.C., W.W.C., Salem

Three down and more to go! Logger track men have stayed on the high road so far through three meets, defeating PLC first with a total score of 92-39, then Western Washington, 85-46, and again on Wednesday the Willamette squad, 82-49.

The half mile run with all Willamette men in photo finish style was probably the most satisfying event. Macy, an all-state high school champ, broke the tape in 52.1 followed closely by a couple of cindermen, both called Williams.

Putnam of Willamette placed first in pole vault at 12 feet 6 inches with Loggers Graybeal and Walker next in line.

Willamette's Cookingham sent the shot put event to 42 feet 6 1/2 inches with McLaughlin and Moles of C. P. C. scoring second and third.

Corky in Broad Jump
Breaking his own record with

20 feet 10 1/2 inches in the broad jump, McCord placed first for C.P.S. followed by Bailey and Farno of Willamette.

Cushman came through with a discus throw of 21 feet 6 1/2 inches. Clevinger of C.P.S. and Cookingham placing next.

A lap or so in the lead, Beck won the two mile in 10:19.5 with Munson and Oxholm trailing, all C.P.S.

Putnam ran the 100-yard dash in 10.3 followed by Logger Hale and Lilly of Willamette.

Makes Javelin Throw

The javelin pierced the ground 177 feet 4 inches away from top man Blanchard of C.P.S., Rice, also on the Logger squad, and Burgess of Willamette throwing not quite so far.

Maycumber of C.P.S. skimmed over the 120-yard high hurdles in 16.5 trailed by Hogensen of Willamette and Walker.

The 880-yard run saw Hamilton the victor with Sharp and Frank along for the ride, a Logger straight away.

Cleavinger cleared 5 feet 10 inches in the high jump with Burton of Willamette and Blanchard next in line.

Third First Place

Putnam took a third first place with :23 in the 220-yard dash, Leggee and Hale of C.P.S. following.

Resulting in a tie for Beck and Oxholm, the time for the mile run was 4:54.2, the next best offered by Gardner of Willamette.

Maycumber took the low hurdles in his stride in :26.8 followed by Walker and Hogensen.

FROM THE OUTSKIRTS

BY JANE NESS

Track stars don't just drop out of heaven, we figure. But it might be interesting to know a little of what these stellar bodies were doing before they became a part of the Logger track squad.

NATHAN HALE played both football and baseball at Stadium high school but didn't even turn out for track. His specialties now are the 100 and 220-yard dashes.

At Lincoln **BOB MAYCUMBER** participated in the 440-yard run and also held the city championship for broad jump. He enters the 100-yard dash and high hurdles events for C.P.S.

JACK LEGGEE concentrated entirely on swimming while at Stadium but has made his biggest splash at the college in track, his events being the 220 and 440-yard run and the mile relay.

DALE (CORKY) McCORD, who now enters the 220-yard dash, mile relay and broad jump, was city champ in the 440-yard run while at Stadium and placed third in the state meet. His specialties even then were sprints and broad jump.

Also from Stadium came two excellent track men to the Logger squad with no experience at all. **JIM FRANK** in the 440-yard run and mile relay and **JIM WALTER** in the 440 have been doing it up brown.

An all-state basketball player from Hoquiam, **NORM WALKER** also shows his ability for high hurdles, javelin and pole vault.

Hailing from Olympia, **DAN (TINY) CUSHMAN** is following up his previous track experience in shot put and discuss events.

Classed as versatile in all sports in Ferndale, **BOB MOLES'** specialties on the track were shot put and high jump, and he covers the same jobs still.

GENE CLEVINGER from Morton holds the Centralia Relay high jump record and specialized in field events during his high school career. Discuss, high jump, pole vault and broad jump are receiving his attentions at present.

MEL BLANCHARD, who throws a discus and javelin and makes the high jump on the squad this year, did the same sort of thing when he attended Eastern Junior college.

LEE FOREMAN entered nothing in the way of athletics at Stadium but revealed hidden talents at an intramural track meet recently to wind up on the track squad for the broad jump.

JOHN SHARP was city champ for the half mile at Lincoln in 1937 while **CHET DYER** of Stadium held the same spot in 1939. They are both handling the 880-yard run this spring.

Running the 880-yard event also is **BOB HAMILTON** who ran the half mile at Stadium last year.

In his Stadium high school days **JULIUS BECK** was city champ for the mile run and on the Logger squad runs the mile and two mile events.

Rugby, cricket and soccer were about **AXEL OXHOLM'S** speed in high school athletics on Vancouver Island, Canada. He's getting his first taste of track training in the mile and two-mile events.

Spending his time and energy on jayvee football and boxing at Lincoln, **DON MUNSON** is another fellow running the mile for C. P. S.

With a little less weight to hold him down in high hurdles, **JACK GRAYBEAL** did alright at Buckley high school. He's pole vaulting for the Loggers now.

BILL TUCKER, who at Stadium was city high hurdles champion and a great performer in football, is a sorry loss to the '41 squad since his foot injury. He'll be back in the groove though next year we're sure.

Logger Net Men Defeat Lincoln Boys in Tourney

Logger tennis experts took the Lincoln high school boys for a ride winning five matches to Lincoln's two Wednesday afternoon.

Top man Arnold lost his first set 3-6 to H. Gee, sliding over the hump in the last two sets to win 6-3 and 6-2.

Duncan lost both his sets to Jorgenson, 3-6 and 5-7, Carstens coming into cancel that defeat by taking Grout, 8-6, 4-6 and 10-8.

Finishing up the singles matches, Brown defeated Stockton, 6-4, 6-1, and Hine lost to Bertners, 6-8, 3-6.

Arnold and Chapman came through in the first doubles match to defeat H. Gee and Jorgenson, 6-3, 2-6 and 6-4, with Brown and Peckham following suit with a victory over Lincoln's Stockton and Grout, 6-4 and 6-2.

Beta Mermaids Win Inter-Sorority Meet

The Beta mermaids emerged dripping victory in the two inter-sorority swimming meets held recently scoring 101 points, second place going to the Gammas with 90 points. The Thetas came in third and the Lambdas and Independents were also represented.

Among outstanding swimmers in the speed races were Pat Keene, Beta, and Pat Towne, Lambda, winning the straight crawl and breast stroke respectively at both meets. Along with the two Pats, Lois Hill, Beta, ranked high in the form contests that followed.

In tandem the Beta duos took first place in all three types at the first meet but were overtaken by two Theta teams in the second.

Elizabeth Bona, Virginia Judd and Esther Mann, all Gammas, placed first, second and third respectively in diving.

Tennis Turnouts End May 8, Not April 26
Girls' tennis turnouts have been extended to end May 8, announces Pat Keene, W. A. A. president.

Due to extra-curricular activities which came up unexpectedly, the former deadline on April 26 did not allow sufficient opportunity for tennis practice.

Handbook on Sports Ready for Fall Term

Coach Parks is just about ready to let the presses roll for the new intramural handbook to be issued to all students in the college next fall.

At the intramural managers' meeting this week final changes and amendments were voted on and inserted in the constitution.

Rules for all intramural sports, statistics of previous years and the constitution will comprise the handbook.

Chi Nus, Indes Still Hold Top Softball Places

It looks like the Chi Nus and the Independents will decide the resting place of the intramural softball cup this year. At the Trail deadline they remained alone in the undefeated ranks.

Wednesday noon a fresh proof of the greenshirt prowess was given when the Mu Chi squad went down 4 to 3. Poling opposed Starkey on the mound, allowing four walks to Starkey's two, but fanning three men to even the score. Bales, Mu Chi first batter, connected three for three, leading the day's platoon.

Zetes Tripped Up

Tuesday the Kapps tripped up the mighty Zetes with a lopsided score of 12 to 4. Zete twirler Tom Cross-ed swords with the Delta Kapp starlet, Jack "Fog" Duncan, and came away full of holes. Cross was reached for nine hits against four by Duncan.

The Chi Nus opened the softball season by nosing out the Kapps 5 to 4. Batteries were: Kapps—Duncan, p; Elliot, c; Chi Nus—Poling, p, Johnson, c. The Barbs took the Zetes by the same score the following day with Zetes' Cross pitching and Sloat catching. The battery for the Indes was Hanson on the mound and Lamka receiving.

The Omicrons drew the short straw in their battle with the Mu Chis 11 to 5. Raymond caught Lanser for the Omis and Starkey pitched to Haley for the victors.

Indes Take Kapps

In the fourth game the Independent ten won their second straight by rolling up 14 runs to the Delta Kapps' seven. Excitement resulted when Duncan relaxed in the fourth inning and allowed three hits and four walks for a total of nine runs. Batteries remained the same for both teams.

The last game before the brick holocaust saw the Zetes trim the Mu Chis 4 to 3. Only change in

Earl Mamlock Is King of College Bowling Experts

Twenty-seven potential C. P. S. bowling champions met this month to decide who was king and Earl Mamlock, first and best bowler of the tournament, was unanimously elected.

Mamlock's 605 pin total was the lone 600 score, Jim Tostevin with a next high score of 596 being technically disqualified.

The royal nine who follow are Wesley Englund—594, Roy Murphy—590, Jack Duncan—588, Lee Foreman—557, Kenji Oyanagi—549, Bo McNary—543, Stan Burke—543, Frank Walter—538 and George Mitchell—537.

Others participating were:

Don Brown, Harold Hennings, Ed Granlund, Harry Hescocox, Gene Hall, Bob Peckham, H. Johnson, George Ellis, Dick Williver, Clair Hanson, Dick Haley and Yosh Kawano.

This individual bowling tournament was based on handicaps determined from a three-game average. In that way many less talented bowlers were given a great opportunity to place high on the final tallies, whereas, better bowlers were put to an nth degree test.

battery lineup was Van Camp back stopping for Cross. Last Monday's tilt ended sadly for the Omicrons, the Chi Nus 15 to 3 victory credited largely to Bert Poling's nine strikeouts.
