Plans Underway For Third War Bond Drive

Plans for the third War Bond Drive have been made by the War Coordination Committee under the chairmanship of Dorcas Eggesbo. General chairman for the drive, which begins March 26 and ends April 26, is Janice Lindeman. Making plans for the Coronation ceremony which is to follow the Spring play Saturday night, April 28, is Helen Jean Darling.

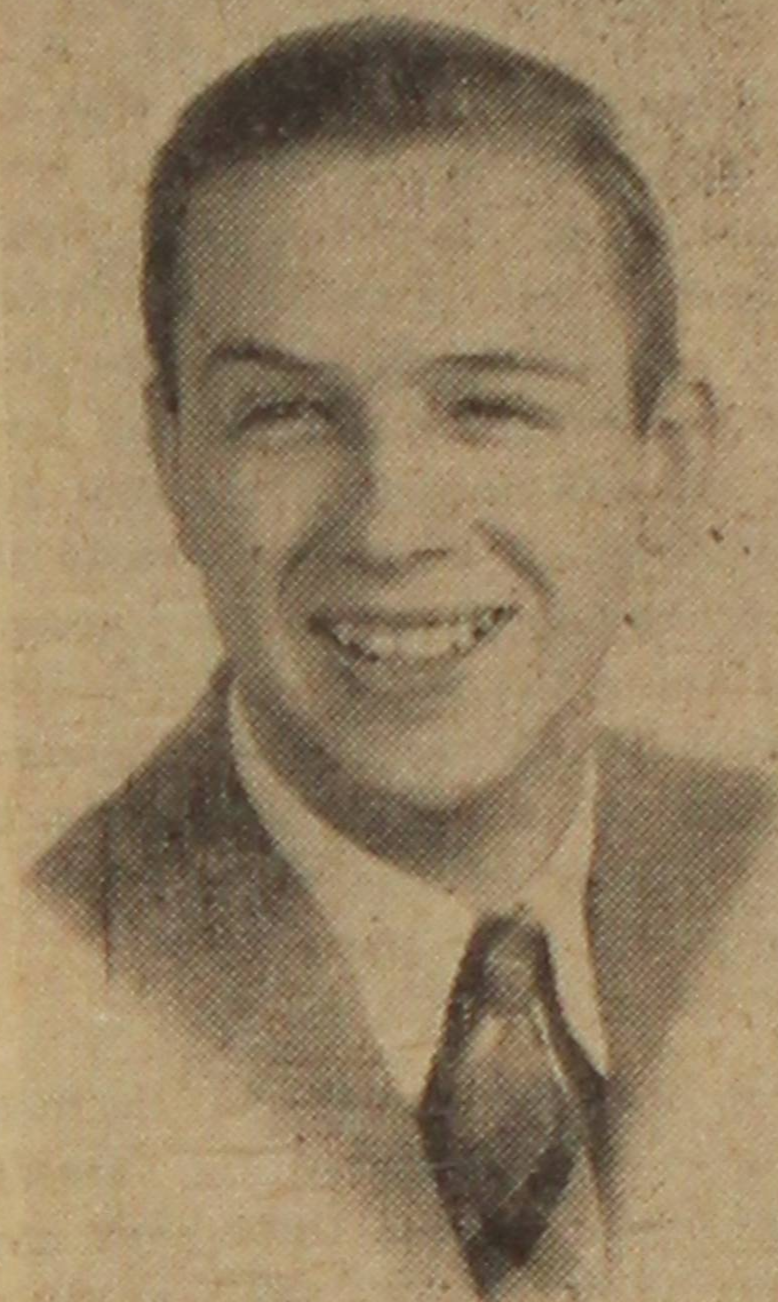

In the years before the war it was the tradition for the college to elect a May Queen each year. This annual tradition has been supplanted since the beginning of the war by the bond drive and the reigning of the War Bond Queen and her court. Each sorority, plus the independent group, nominates a candidate and each candidate is supported by the purchase of war bonds and stamps. The candidate who is backed up with the largest total purchases automatically becomes Queen, and the other candidates serve as her court.

The following candidates have been submitted: Alpha Beta Upsilon, Helen Pat Beem; Delta Alpha Gamma, Marian Clendenen; Kappa Sigma Theta, Donna Agather, and Lambda Sigma Chi, Emily "Maizie" Herald. The independent candidate has not yet been chosen.

The rules and regulations are as follows:

1. By March 26 each candidate for Queen must have an entrance fee of one bond to her credit.
2. All bonds must be purchased at the booth here at college.
3. Pay rolls will be accepted only if the money or check is brought here.

4. Money will be accepted every day between 12 and 1 p. m. in the booth at the SUB. In order to plot the amount of money backing each candidate, Elsie Hansen is making a large thermometer poster and publicity is being handled by Elizabeth Anderberg. Spurs will be on duty in the Bond booth each day.

LEROY "FOOZY" VAUGHN who will soon turn over ASCPS President's gavel to Ruth Ann Dodsworth.

Other Offices to Be Filled by Erhart, Packard, Mekkes, Ling, and Marshall Campbell.

Winner of the ASCPS elections held last Thursday and Friday place Ruth Ann Dodsworth in the position of student body president for the coming year, defeating Betty Heidinger Smith, the other candidate. Vice presidential candidates ran a close race with Jean Erhart nosing out Mary Ann Truitt by three votes. Student body secretary will be Polly Packard who placed over Margaret Lindeman.

Class representatives chosen to central board are Virginia Mekkes, senior; Jing Ho Ling, junior; and Marshall Campbell, sophomore. Others who ran for these last positions were Evelyn Marshall, Shirley Gibbs and Carol Todd.

Primary elections were held on Tuesday and Wednesday and those defeated were president, Jeane Thurber; vice president, Dorcas Eggesbo; secretary, Louise Kipper, Helen Jean Darling; senior rep., Charles Nee, Marie Eckstrum and Donna Agather; junior rep., Virginia Kilde, Alice Ann Cross; sophomore, Jerry Foxwell, Bill Campbell, Rosa Mae Monger.

Students showed particular interest in the elections this year as a large percentage voted. In the primaries there were 210 votes cast out of a total student body of about 320. The finals showed a loss of five voters in that only 205 voted. This shows an increase of about 15 to 20 per cent of the student body over last year's voting average.

Board Appoints Thomas A. Swayze

The appointment of Thomas A. Swayze, a Board Member and alumnus of CPS ('23), as Director of Public Relations for the College was approved by the Board of Trustees during its meeting held in honor of Patrons' and Founders' Day, February 21.

Preceding the meeting, a general convocation was held in the auditorium to recognize the work done for the college by members of the Board of Trustees. After the academic procession of the faculty, patrons, and Board members, Dr. R. Franklin Thompson, President of the college, introduced the patrons and members of the Board to the student body. Patrons present were Mr. Edward L. Blaine, the Charles Revell, Dr. Edward H. chairman of the Board, Dr. Todd, and Mr. Alfred Lister.

The Adelpian Chorus, now composed of 82 persons will join with the dramatic department for a 4:00 o'clock vesper service on Palm Sunday, March 25th, Mr. Bratton announces. The service will be held in Jones hall and will be entirely devoted to drama and music commemorating Easter.

The chorus will sing: "They have Taken Away My Lord," by J. Steiner, with Paul Raymond and Betty Heidinger Smith taking the solo parts, "Gloria in Excelsis" by Mozart, and Rossini's "Inflammatus" from "Stabat Mater." The latter selection will be sung in Latin with Anna-Marie Vaughn as soloist. Mrs. Bratton, Jahe Koehler and Margaret Van Amburg will be at the pianos and the organ.

Students Enjoy Show Ice Skate

An all-school ice-skating party sponsored by the newly organized Ski Club proved to be a big success last Friday evening. Preceding the evening of skating fun students and friends were treated to an hour's free entertainment in the Jones Hall auditorium.

Master of ceremonies for the variety show was Gunnar Larson, who spiced the introductions with his usual gaiety. Among the many many participants were the Campus Trio who sang several light numbers; the violin trio; the "Sextette from Lamamour" Vaughn, York and Paulsen. Several comedy numbers were given by the Choral Reading group, including "The Eskimo Tragedy," and a request performance of "The Gingham dog and the Calico cat." Numerous individual participants gave a variety of songs, stories, poems, etc. Some of those included in this latter group were Don Kelsey, Elizabeth Anderberg, Dixie Bullard and others.

Following the program students boarded a truck and headed for the ice rink. Newly elected officers of the Ski and Skate Club are "Foozy" Vaughn, president; Carl Arness, vice-president; and Helen Pat Beem, secretary-treasurer. Advisor of the group is Dr. Warren E. Tomlinson.

Norwegian handicraft and the Royal Norwegian Air Force lodge in Canada, she visited this lodge to spend the winter holiday. She also found time to see the Senate in action, and to taste the famous bean-soup in the Senate cafeteria.

'Life Emphasis' To Ask Vital Questions

Students on the campus are looking forward to participate in the annual Life Emphasis Week from March 19-23. This can be more fully described as a religious emphasis week, during which students can better comprehend their faith, and rededicate themselves to the building of tomorrow. Also, emphasis is placed on the common religious heritage rather than any denominationalism.

The theme chosen by the committee this year is, "What can I believe? What can I believe about myself? What can I believe about others? What can I believe about tomorrow?" On Friday it has been the usual custom to have communion service for all who wish to attend.

The Reverend Mr. George L. Poor, a recent speaker at the College of Puget Sound, has been selected as the principal speaker for each of the three days. Mr. Poor is a graduate of Willamette University, and took his graduate training at Boston University. At present he is minister at the Methodist Church in Camas, Wash.

The committee this year is composed of Frank Price, Doris Nelson, and Paul Raymond. It is the committee's hope that this Emphasis Week will be a very serious, enlightening, and personal affair to each student. As common beliefs must be stressed in order that there may be unity and a lasting peace.

CPS ALUMS MEET IN WASHINGTON

"Rendezvous in Washington" is the theme of a letter from Sonya Loftness, CPS '41, who took time off from her duties at the Norwegian Embassy to visit the Library of Congress with Lt. Lyall Jamieson, CPS '41, and Ensign Janet Robbins, CPS '41, where they perused A. E. Houseman manuscripts, a Gutenberg Bible, an ancient copy of Magna Charta, and other things dear to CPS students.

In addition to routine work at the Embassy for the Royal Norwegian Information Service, Miss Loftness has written articles on

Dr. J. O. Gross Visits CPS

Climaxing a week of religious chapels, Dr. John O. Gross, Executive Secretary of the Methodist Board of Education and head of all the denominational colleges, addressed the studentbody Friday, March 9. In his discussion of the fundamental relationship of Christianity and democracy, Dr. Gross said that the principles of true democracy are those of religion—both uphold the rights of the individual.

Dr. Gross, whose headquarters are in Nashville, Tennessee, has been visiting all the Methodist colleges of the Pacific coast, of which the College of Puget Sound is the most northern.

On Wednesday, March 7, Dr. Jim Milligan, Superintendent of Puget Sound District of the Methodist church and a graduate of the College of Puget Sound, spoke on Friendship and Christianity.

"Daring to be different to be a true Christian" was the theme of a speech by Ruth Ann Dodsworth, on Thursday, March 8.

Basketball Season Ends In Victory

Once again the basketball season has come to a close. The Loggers did not have a normal schedule due to the war, but they managed to play 13 games over a period of three and one-half months. Fortunately, the team lost only one member to the armed forces—Charles Reid.

The last game of the season was on March 7, 1945, with the Proctor Street Creamers of the City League. CPS won by the score of 39 to 24. High point man of the game was Chuck Brown with 11 counters. Perhaps the highlights of the season were the two contests between PLC and CPS. The largest crowds of the season were present at these two games. Fine school spirit was displayed by students from both schools, and future games are anticipated with eagerness. In the first contest, with CPS as host, the maroon and white conquered the black and gold by the score of 46 to 41. Loesten of PLC was high point man with 17 counters. CPS big gun, Brown, committed five personal fouls so he had to leave the floor early in the game.

The second contest, with PLC as host, saw the Loggers again trip the Lutherans, this time by the score of 29 to 23. As the score indicates, this was a thrilling contest, and it was not known who would be victorious until the final gun.

CPS started its season December 7, 1944, with a lop-sided victory over the McChord Field Negroes. The score was 51 to 26. Charles Brown of CPS scored 23 points in this game.

Starting out the new year, '45, CPS trounced Auto Sales of the City League by the score of 46 to 40. Once again Brown was high point man for the College aggregate with a total of 32 counters. Incidentally, this was his highest score for one game during the season. Five days later the college quintet defeated Boeings by the count of 40 to 37.

February 14 saw the Fire Department of the City League falling before the guns of the collegiate quintet by the score of 58 to 26. A few days later the fire fighters were once again smothered, this time by the tune of 60 to 25. The biggest trouncing, handed out by the college group, however, was taken by the American Air Force Intransit No. 2, 60 to 18. The season ended for the War-time Varsity as they trounced the Creamers of the City League

Trio and the Violin Trio performed and Elizabeth Anderberg sang.

Betty Heidinger Smith, Marian Clendenon and Virginia Kilde, members of the Campus Trio, with Jeane Thurber, their accompanist, have performed since the first of this month for the Red Cross Grey Ladies Capping Service at the First Congregational Church, the Boy Scout Court of Honor at Immanuel Presbyterian Church, the All School Party on the 16th, the A. A. U. W., the school dance last Saturday, and together with the violin trio put on two programs for Sections 4 and 5 at Madigan General Hospital. Also they sang in the student variety show, during a religious chapel, and for the Young Men's Business club. Later in the month the girls will sing at Western State Hospital, for S. C. A. tomorrow, for the

by the score of 39 to 24.

Early in the season a strong McChord Field Flyer team came to the gym and dumped the logger five to the tune of 52 to 45. The big gun of the Flyer's attack was Higgenbotham, former Indiana State star, who dipped in 20 points. However, Chuck Brown of CPS, not to be outdone, dumped in 20 points. Later, on December 19, a contest was held with the Sioux Indians, who hail from Montana. This veteran outfit subdued CPS by the score of 54 to 31. The next day a weary team, in a practice game with the Buckley High School Varsity, lost by the margin of 41 to 30. Later, defeat again crept in as the custodians from the Western State Custodial School of Buckley downed the collegiate five by the tune of 42 to 33.

The boys who faithfully turned out for the three and one-half month period and thus made a basketball team possible were: George Addison, Bob Hentze, Chuck Brown, Bob Oquist, Chuck Morris, Bill Campbell, Carl Arness, Chuck Reid, Minnitti, Fred Holm, and Clair Donald Carsten, Ken Hoggatt, Bob Candler. During this season Chuck Brown obtained the highest per-game point average with 18 in 13 contests.

With the basketball season ended, the boys are now turning their attention to tennis, volleyball, boxing, and softball.

Freshman dance this coming Saturday, and on April 10th for the reception after the Orpheus Club Concert. At present they plan to spend their spring vacation in making a tour of other schools.

The 22nd of April has been chosen for the Sunday afternoon concert of the Trio. It will be held in Jones Hall at 4:00 p. m., as are all vesper concerts, and the guest artist will be Violinist Ronald Kilde, brother of Virginia, and a student at Stewart Junior High School.

Mr. and Mrs. Bratton were guest artists at the meeting of the League of Western Writers on the 17th of March. Mr. Bratton gave a short talk followed by a group of songs with Mrs. Bratton accompanying him.

W. A. A.

Lots has happened since we last covered the news from the gym—the final basketball playoffs were held with the champion Gamma six clinching the title. Badminton has come and gone, and speedball is under way. A complete schedule of sports for the remainder of the semester is posted in lower Jones hall.

Dates of the swimming meets, originally scheduled for March 15 and 29, have been changed to March 29 and April 12 because of the Sophomore tests. Another reminder to the sorority and Independent managers—get your teams organized in advance. Murden Woods, swimming manager, has posted the list of events with which you may check.

A meeting of W. A. A. was held in the Sub last Monday at which time Carol Hamilton and Evelyn Marshall were awarded their sweaters, and all-star awards were given for basketball, volleyball and hockey. It was announced at that time that baseball is to be replaced this year by speedball, with turnouts beginning the following Wednesday March 14. A very important meeting of W. A. A. is scheduled for April 16 when the election of officers will take place.

An entirely new sport to many girls is being offered by versatile Mrs. Mann in her third-hour gym class. You haven't seen anything until you've watched that line of beauties hidden behind their gas masks expertly flourishing the long pointed foils! It feels rather awkward at first, but is fun after one gets the feel of it. Perhaps we can plan an exhibition soon of some of the more graceful novices.

From the large turnout shown Wednesday, speedball is rapidly getting under way. It is replacing baseball this year and Eunice Moberg has been named manager. The games will continue until April 13.

Other sports scheduled for the remainder of the year are as follows:

- Bowling ends April 19.
- Archery, April 18 to May 11.
- Tennis, March 12 to May 11.
- Swimming Meets March 15 and 29.

IRC Members Hear of Alaska

At a meeting of the International Relations Club, held at the home of Mrs. Paul Schiffbauer on February 26, S/Sgt. Knutson gave a talk on Alaska and the Eskimos. Mrs. Knutson illustrated her husband's comments with Kodachrome slides. The IRC was fortunate in having S/Sgt. Knutson speak, as he is well acquainted with Alaska, having served as principal of Nome high school.

Recently an IRC discussion of the Dumbarton Oakes plan was held at the home of Dr. Tomlinson. He led the group in an informal discussion, which touched upon such controversial points as the majority vote and the international police force.

Plans for the next three meetings include a visit to Walt Sutter's Chinese museum on March 26, the annual Chinese dinner at one of the downtown Chinese restaurants, and a regular meeting with a special speaker.

St. Patrick Theme Is Dance Feature

"Kilarny Kappers" was the theme selected for the all school dance held Saturday evening in Kittredge hall. Under the sponsorship of the War coordination committee, the affair honored 75 service men from Fort Lewis as special guests. Miss Lucille Ludwick was the general chairman of the dance and was assisted by the Misses Barbara Engberg, Helen Jean Darling, Thelma Hardy, Marla Clark, Jeane Thurber, and Mesrs. Richard Echert.

The ever popular campus trio offered vocal selections during intermission. It is composed of Mrs. Kyle Smith, Misses Marian Clendenon and Virginia Kilde.

LeSourd's Here From Boston U.

The College of Puget Sound was highly honored, and very proud to have as guest speaker at last Wednesday's chapel, Dr. Howard M. LeSourd. Dr. LeSourd is dean of the Boston University graduate school, and is at present on sabbatical leave working with the American Palestine Committee.

Both students and faculty were impressed by the most interesting speech which included reference to the work now being done by the committee. Their principal aim is to restore Palestine as a homeland for refugee Jews.

Dr. LeSourd, under the auspices of the Quota Club, spoke in Jones Hall Wednesday evening on the same subject. Following the lecture the public was invited to participate in an open question period.

Mrs. LeSourd, National Sponsor of Kappa Phi, the Methodist college women's club, is accompanying her husband on the tour. During the trip she is visiting many of the chapters at colleges and universities. A luncheon in her honor was held Wednesday noon in Kittredge Hall for the campus chapter members, patronesses and interested friends of the club. Miss Jane Shaffer was chairman of the affair and the Misses Jolafern Torgerson and Ruth Ann Dodsworth acted as hostesses. Following the luncheon Mrs. LeSourd spoke on Kappa Phi, what advantage it offers the members, and what the girls, over 2,000 actives in the United States, can accomplish through it.

A fireside evening was spent with Mrs. LeSourd during the lecture period at Jones Hall by Dr. LeSourd. Over 50 girls came to listen as she told some of Kappa Phi history, and later as she told of Henrietta Szold, the great Jewish worker. Thursday Mrs. LeSourd spoke to a gathering at the YWCA on the subject "Women in the Post War World."
