

# THE Puget Sound TRAIL

1945-46, No. 5. THE COLLEGE OF PUGET SOUND, TACOMA, WASHINGTON FRIDAY, NOVEMBER 16, 1954

## WAINWRIGHT TO VISIT CPS

### Bond Drive Sales Lagging; Senior-Sophomores Ahead

"For the first time since the war began, C. P. S. is letting its country down." So says Bob Winskill, publicity chairman of the Victory Loan Drive. "It is really deplorable, the way bonds and stamps are being purchased," he continued. "The Spurs who are selling at noon in the SUB, are getting no cooperation from the majority of the student body."

"Since the first bond drive, four years ago, C. P. S. has always gone way over the top in sales. But the record shows that in this drive, the students are simply not getting to work and approaching their parents and other outsiders with bond application blanks and a good sales talk."

There are many more difficulties to be overcome in this drive than in previous ones," Bob went on to say. "More of the population is apathetic about buying, because they know that the war is over and they do not realize the amount of work that still needs to be done. Not a soldier can be brought back home without money appropriated by the Army, Navy, or Air Corps. And they can only get that money needed for necessary expenditures through our cooperation, namely, by buying bonds."

"The time is short, the work to be done tremendous! Let's get on the ball."

Assisted by the seniors, the sophomore class is now leading the freshmen, who have the help of the juniors, in the race to buy the most war bonds and stamps.

The drive will extend until the

### Choral Readers Now Organized, With Plans Laid

At the beginning of the war the dramatics department evolved its own wartime measure in the form of the Choral Reading group, which is as active in this year of peace as when it was first organized by Miss Martha Pearl Jones.

Already looking forward to several evening programs, the 18 girls are learning such poems as "The Congo," by Vachel Lindsay, "Joy of the Hills," by Edwin Markham, "The Duel," by Eugene Field, "The First Snowfall," by Lowell, "A Rock-A-Bye-Song," by Helen Wing and "The Wind," by Robert Lewis Stevenson.

First program on their schedule is to be given at Central Lutheran church on the evening of Dec. 7th. On Dec. 11th, in cooperation with the music department, under the direction of Prof. Keutzer, they will present the Christmas story, in song and verse, at the First Congregational church.

Choral Readers also take an active part in the annual presentation of Dickens' Christmas Carol, which is produced jointly by the music and dramatics department. The Choral Reading recital is scheduled for Friday, March 1st.

Choral Readers are divided into three groups—light voices, medium voices, and low voices. The mem-

(Continued on page 4, col. 2)

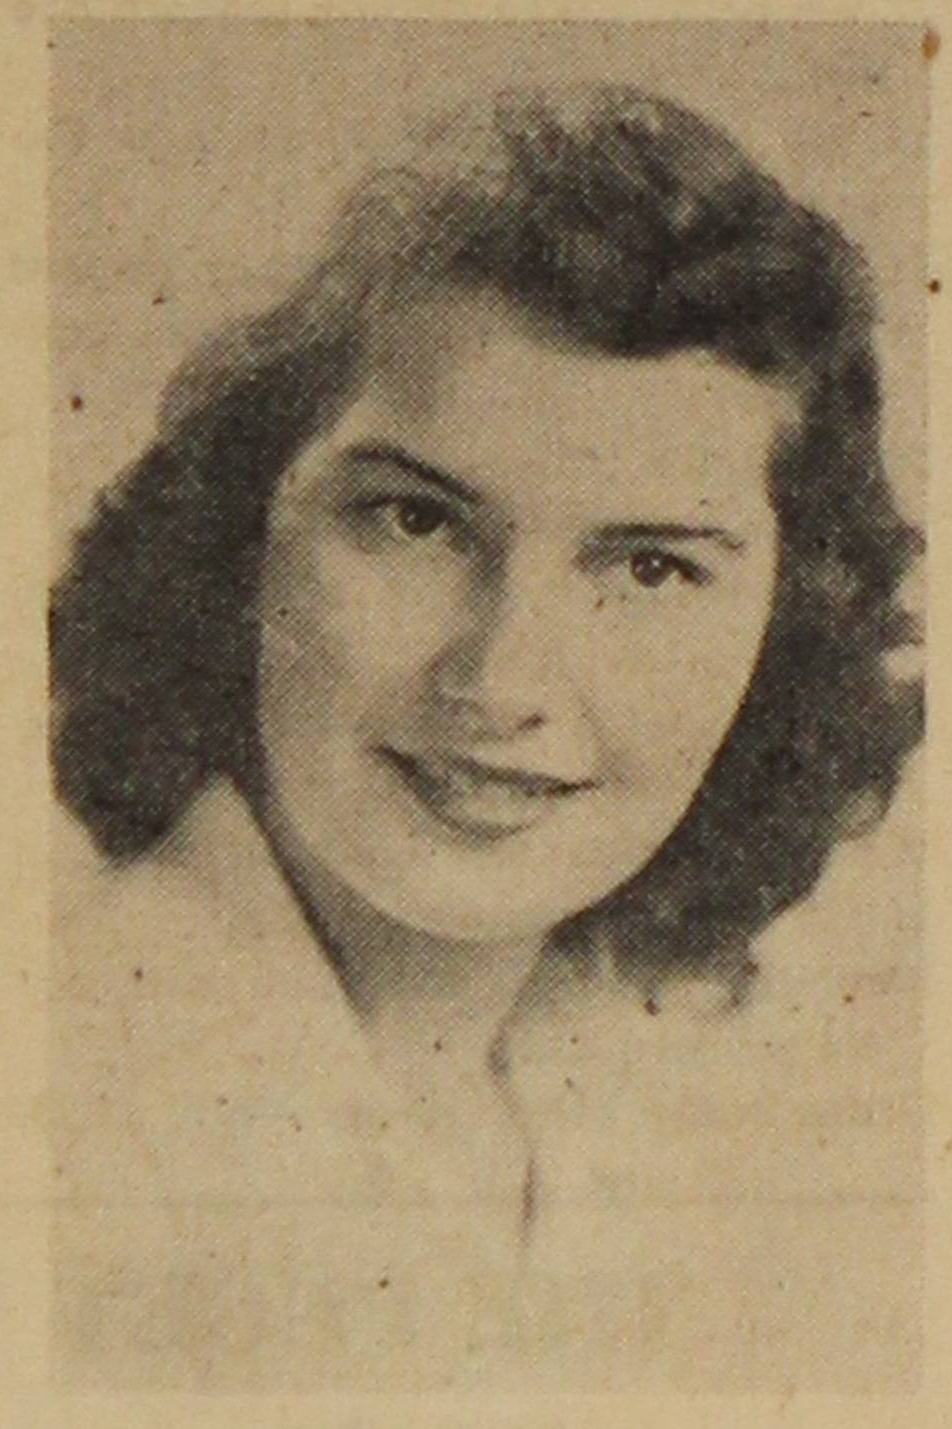

end of November, and on Dec. 7, the losers will honor the winners with a party and will "perform" for them in chapel that morning, revealed Peggy Rough, general chairman.

Bonds and stamps are sold by Spurs every Tuesday and Thursday from 11:30 a. m. to 1:30 p. m. at the main door of the Student Union Building. They are also sold at the end of the lunch line.

### 'Hayseed Hi-Jinx' to Be Sophomore Dance Theme This Evening in Gym

"Come to the sophomore 'Hayseed Hi-Jinx' party tonight from 8:30 to 11:30 in the gym," invites Sheila Lamar, chairman of the event.

Old-fashioned square dances, with Robert Hager as dance caller, are planned to carry out the hill-billy theme, with

SHEILA LAMAR

### Thanksgiving Day To Be Vacation For Entire College

Turkey and cranberries will reign supreme during the latter part of next week, when students and faculty will adjourn for a four-day (if one also counts the week-end) Thanksgiving holiday.

The vacation period will start on Wednesday immediately after classes are over. Classes are to meet again on Monday, November 26. With this coming Monday also a holiday, because of the General Wainwright program, there will be only two days of college left in the entire week.

Next vacation on the list is the annual Christmas Recess from Dec. 20th to Jan. 2. Closed period will follow shortly after. It is to be Jan. 11 to 24, with examination beginning on Jan. 21. Jan. 24 will mark the end of the fall semester.

General Jonathan M. Wainwright

### College to Present General with Degree

Honorary Degree of Doctor of Military Science To Be Awarded To General Jonathan M. Wainwright on Monday, November 19th.

CPS will honor General Jonathan M. Wainwright during his visit to the city of Tacoma, with the award of an honorary degree of Doctor of Military Science.

Doctor R. Franklin Thompson, president of the college, made this announcement after the faculty recommended this honor to the Board of Trustees, who concurred.

Hundreds of specially invited guests will be present at the special convocation to be held in Jones Hall Auditorium on Monday, November 19th at 10:30 a. m. Guests will include high ranking army and navy officials, students, faculty

and friends of the college. Only those students who had submitted their names to Mrs. Seward by Monday are to be admitted to the assembly. For other students the day will be a holiday, as no classes are to be held.

The citation honoring General Wainwright with the degree of Doctor of Military Science will be read by Norton Clapp, chairman of the Board of Trustees.

It will read in part: "In grateful appreciation, this degree is awarded to General Jonathan M. Wainwright in recognition of outstanding and meritorious services rendered the American people during the gallant and heroic defense of the Philippine Islands from December 7th, 1941, to May 11, 1942.

"During this period General Wainwright demonstrated his brilliant leadership while employing inadequately trained and poorly equipped troops in such a manner as to outmaneuver and fight to a standstill a numerically superior enemy force.

"His skill as an organizer and his ability to improvise was also demonstrated, earning for him the respect of the military world.

"The courage with which he operated under intense and incessant fire, while facing overwhelming odds without hope of support, was a constant source of inspiration to his officers and men. The fortitude with which he endured long days of imprisonment, starvation and humiliation will ever be remembered in the annals of American history and in the hearts of all our countrymen.

These attributes of military leadership justify our highest admiration and the award of the degree of Doctor of Military Science."

Convocation ceremonies will be broadcast over radio stations KMO and KVI, states Doctor Thompson.

The order of service will open with the time-honored processional, followed by the stirring hymn "Lead On Oh Lord Eternal."

The invocation will be given by Bishop R. Baxter of the Portland Area of the Methodist Church, which includes all of the Northwest States.

Professor Clyde Keutzer will then take over, supplying special music for the convocation.

The actual ceremonial begins

with the reading of the "citation," upon which the Honorary Degree of Doctor of Military Science is based.

Following the reading of the citation, Dean Register will present the degree to Doctor R. Franklin Thompson, who will make the award to General Wainwright. Placing of the Hood and Gown will follow the award.

General Wainwright has agreed to address the assembled students and friends of the College following receipt of his Honorary Degree. Then he in turn will make awards of merit to Pierce County men who served with him on Bataan and Corregidor.

A tribute to College of Puget Sound alumni who gave their lives in World War II will follow. Taps, the college song, "Remember" and a Benediction by Doctor Todd will complete the convocation ceremonies.

### Debate Plans Outlined For Peace Time

With the war over and reconversion going strong in the United States, CPS is also getting back on a peace-time schedule in its forensic department activities.

During the past war years the department was under the able direction of Dr. Marvin S. Schafer. It was largely due to "Doc" Schafer's own personal drive that the College kept in the debate spotlight during the past years.

Part of the reconversion plans of the department include the return of Dr. Battin, former debate coach, who was invited to straighten out the War Labor Board's troubles in the Northwest and Alaska area during the war. Unfortunately for the labor situation but fortunately for CPS, Dr. Battin has already started his plans for this year's debate activities.

Present members of the department include: Bill Johnson, Byron Norton, Lyle Lindellen, Harriet Fiske, Mary Jean Kean, Violet Hesse, Jeane Baltinger, Monica Healy, Marie Opsata and Martha Toosley.

(Continued on page 4, col. 5)

### Officers Establish New Office Hours

Office hours, now established by the ASCPS officers, are as follows:

Ruth Ann Dodsworth, president—Mon., Wed., Fri.—4th period and Tues., Thurs.—5th period; Polly Packard, secretary—Mon., Wed.—6th, and Tues., Thurs.—3rd; Don Carsten—Mon.—4th period.

According to Polly, these office hours are to be for student conferences. Anyone with a problem is urged to "come in and talk it over," whether it's algebra, world history, or life in general.

# Campus Trio Member Announces Engagement at Sorority Party

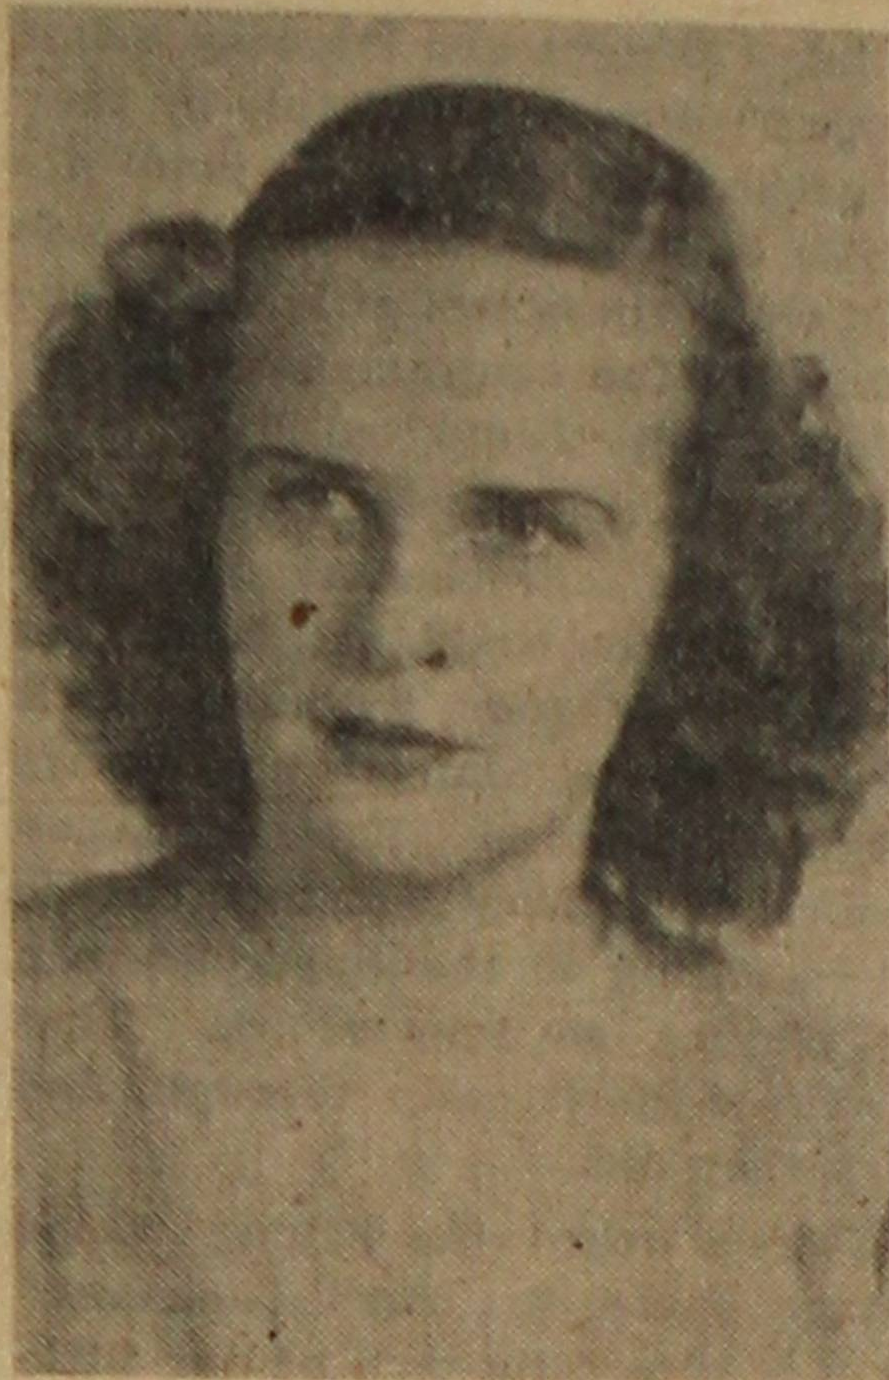

Mary Jean Heidinger, daughter of Mr. and Mrs. W. E. Heidinger, announced her engagement to John W. Slott, USNR, son of Mr. and Mrs. Chris Slott of Enumclaw, at the Hallowe'en party of her sorority, Alpha Beta Upsilon. The news was told to the members by the traditional box of candy.

The news was first told to immediate members of both families at a dinner party at the home of Mr. Slott's parents in Enumclaw.

Saturday, October 27th, close friends of the bride-elect were told of the engagement at a party at the home of her parents. The news was disclosed by means of a miniature aircraft carrier on whose flight deck were tiny planes bearing small snapshots of the engaged couple.

Midge is a Junior at CPS, and her sorority is Alpha Beta Upsilon. She is a member of the Campus Trio, and last year was a Spur. Her fiancé, just returned to his ship after a short leave at home, is serving aboard the aircraft carrier USS Bon Homme Richard, which is on transport service bringing planes and discharged men home from the Pacific.

No date has been set for the wedding.

Midge Heidinger

# Canada Discussed In I. R. C. Meeting; Canadians Guests

"Yes, Canadians are really people . . . and they even listen to Charlie McCarthy on Sunday night." Such was the run of conversation at the recent International Relations Club meeting. Guest speakers for the evening were Wilma Reed and Gloria Clapp, students from Canada. The program was in the form of a panel discussion with the Club members popping in questions here and there.

Of particular interest to the students was the discussion and description of the Canadian government, and political parties. There are five major ones of the latter group, and elections are for party primarily, not the individual. That is, if the party has the majority of votes, their candidates will be in.

Confirmed by Dr. Tomlinson, who spent three weeks at the University of British Columbia this past summer, was the feeling that Canada

# Fashionettes

By Jo Anne Stevens

Bright plaid skirts, topped off with dapper wool or cord sport jackets, those ever faithful "sloppy joe's," and loafers are still the college girls' meat. But stepping fast into the spotlight is the more conservative apparel. Take for instance the trim tweeds and plain colored suits seen in the halls. Very smooth lines and perfect tailoring add up to a very neat appearance. Also in evidence are chic cashmere short-sleeved slipovers in pastels and brighter shades, too. Mind you, not all of them are cashmeres!

The war brought about a change in the style of skirts because of material shortages. And here's one bet that the slim lines of the box pleat are here to stay. Without the bulk of pleats all around the hips we all seem to have lost a few pounds, but who would be without at least one pleated skirt in her wardrobe, anyway. Both styles seem to be equally popular, although the first is most flattering.

An important item in "this post-war world" is the return of honest to goodness saddle shoes. (We girls can be independent of the boys' shoe stores now.) The first thing to do, of course, is to get them well scuffed up, which really isn't hard at all! Loud argyle socks or plain ones fit in perfectly. Not to be forgotten, though, are the loafers. They're pretty slick, too.

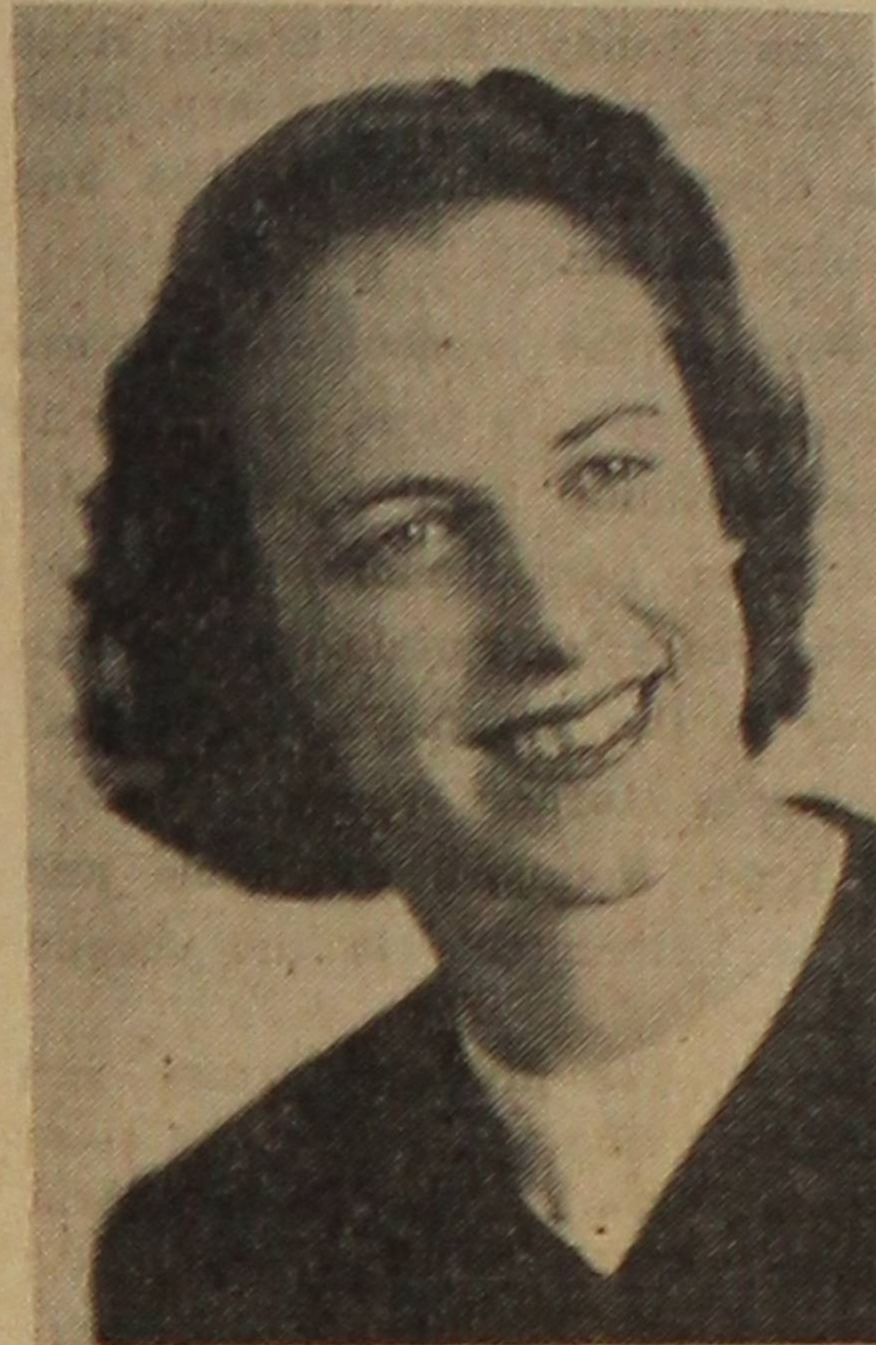

What does all this patter add up to? Nothing much except to point out the differences in dress to be seen around this or any other campus. It's all up to the individual, so heaven help the college man.

wants to become a nation on her own. Both of the girls expressed similar opinions, emphasizing that this feeling is more predominant among the younger generation Canadians. It is felt that this present generation of Canadians is more national-minded; they are really Canadians, not so much British subjects.

The next IRC meeting will be held on Monday, November 26. The exact program has not been decided as yet, but will be announced.

# Methodist Youth Conclave Elects Students From CPS

The bi-annual Methodist Youth Conclave of the Pacific Northwest was held in Spokane at the Central Methodist church this past week-end, November 9, 10, 11. Registration topped 608 youths, of which 291 were college students, from all parts of Washington and Northern Idaho. All delegates were entertained in homes.

Mary Ann Truitt

CPS students elected to offices are: Vice president—Mary Ann Truitt; secretary—Mary Lou Elliott, and treasurer—Marshall Campbell. Mary Ann is also president of the Pacific Northwest Methodist Student Movement. For this reason she is automatically one of three vice presidents of the Conference.

CPS's own Ruth Ann Dodsworth is president of the Conference and therefore presided at all meetings. Two great and outstanding leaders of this nation were conclave guests.

Dr. Karl Downs, who is president of the Sam Heuston College in Texas was one of the speakers. Perry Saito and his wife, Fumiko, a metropolitan singer, flew by plane from Chicago. He is one of the greatest outstanding youth leaders of this day. He was born and raised in Aberdeen, Wash., and is now attending school in Chicago.

# KAPPA PHI GIRLS PLAN HOUSEPARTY

The Kappa Phi houseparty has been scheduled for Saturday and Sunday, November 17th and 18th with Lois Fassett and Emily Harold, co-chairmen of the affair. The girls will gather at the SUB at 3 p. m. on Saturday where they will continue at Mason Lodge at Epworth Heights. Transportation and food will be furnished, but the girls are to bring their own bedding. The charge will be \$1.25 to cover all facilities and other expenses. The chairmen ask that all girls sign up and receive instructions in room 110.

Committee chairmen chosen for the houseparty are: Marie Switzer, transportation; Jackie Gibson, food; Dotha Smock, recreation, and Carol Hamilton, devotions.

The students met separately from the other delegates, and a student movement organization was then launched. The first student conference in connection with this will be held this spring in Ellensburg.

# Gammas Hold Meeting At YWCA Gymnasium

For their night meeting last Wednesday, Delta Alpha Gamma chose the YWCA for a gym sports party preceded by a short business meeting. Badminton, volley and basketball were played during the course of the evening. Swimming was between 6:00 and 7:00 p. m. Individual box lunches and cokes were the early refreshments. Plans for the party were made by Lois Lynch, social chairman, and Shirley Gibbs.

# Sorority Sneak Fun For Pledges

"She should turn out for track." Such was the comment of a Delta Alpha Gamma member as she pursued a pledge on Wednesday afternoon, October 31. The pledge successfully out-distanced the member and shortly appeared at the Sovereign Apartments at 816 South 10th St.

Other pledges were anxiously waiting her coming as it was the day chosen for the Gamma pledge sneak. Many pledges had narrow escapes, but all arrived safely to talk, play games and worry. Members discovered the right place at 10:20 p. m. There is still a question as to whether the sneak was successful because the members did not gain access to the apartment.

Those present on the sneak were Mrs. Schiffbauer, adviser, Lucille Ludwick, pledge mother, and the following pledges: Junita Christensen, Pat Gordon, Beverly Johnson, Gretchen Ernst, Joyce Richardson, Anne Evans, Natalie Nicholson, Gloria Beckerman, Joyce Hegg, Pat Dooley, June Hyatt, Donna June Bennett, Ruth Ann Tregoning, Dorothy Schut and Joan McIver.
