## Central Board Sponsors Dance In Sub Friday

An all-college sports dance sponsored by Central Board was held Friday night from 8:30 to 12 in the Student Union Building. Co-chairmen for the affair were Mary Ann Truitt and Betty Jane Cappa, and Nick Nicholas was master of ceremonies.

Refreshments, consisting of dixie cups and cookies, were served during intermission. On the intermission program were Irene Fearn, who gave two readings, "Foolish Questions" and "The Baseball Story;" Kelly Hamilton, who played two accordion numbers, and Mary Lou Lindstrom, who did a toe dance. Her accompanist was Anne Winters.

Also on the program was a freshman trio, consisting of Netta Harbke, Delores Klaiber and Jo Anne Stevens, which sang "Slowly," "Honey" and "Hawaiian Chant." Their accompanist and arranger is Bob Columbini, who also played a piano solo.

Proceeds from the dance were all turned over to the March of Dimes campaign.

Committees who worked on plans for the dance were: Entertainment, Nick Nicholas and Elizabeth Anderberg; clean-up, Helen Jean Darling, Ed Meneghetti and Ruth Ann (Continued on page 2)

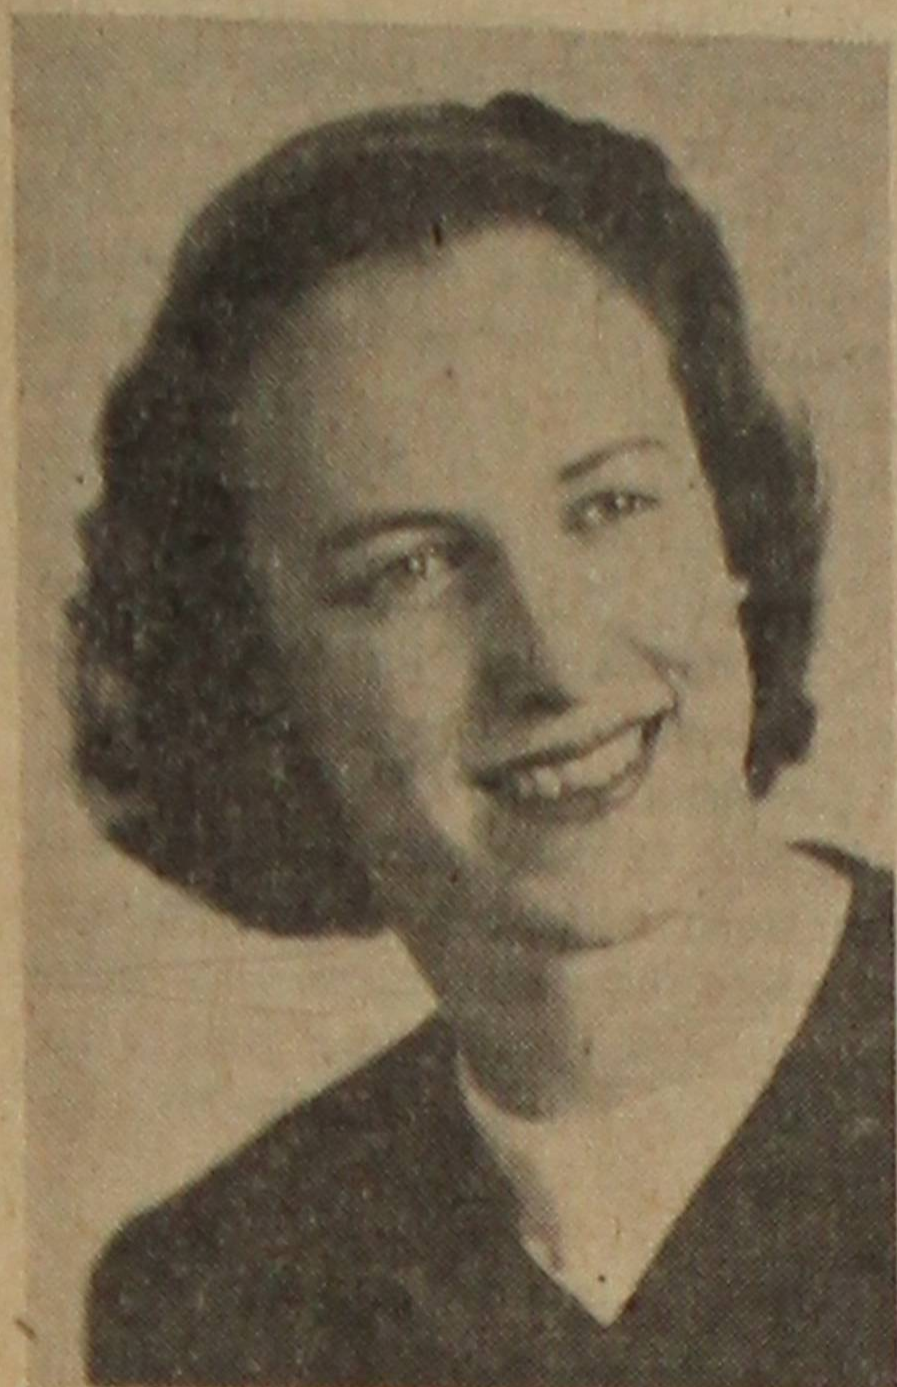

## Crosstown Bus Now in Operation

A cross-town bus line is now running daily from 21st and Alder to 56th and South Tacoma. According to the Tacoma Transit Company, the line operates from 6:20 a. m. to 10:20 p. m. weekly and from 10:00 a. m. Sundays, providing better transportation for students residing in South Tacoma and for golfers desiring this service.

Connecting with the Old Tacoma, Sixth Avenue, Fircrest, Larchmont, College, and Point Defiance lines, the bus runs down 56th and South Tacoma Way to 38th street, over the viaduct, past Bellarmine High School, to 12th street, then to Sixth Avenue and Union. From there it goes down Sixth Avenue to North 21st and Alder before returning to South Tacoma.

## Five Frats to Be Resumed; Rushing to Be Held in March

Men Urged to Fill Out Survey Sheets Which Will Enable the Council to Determine How Many Men Can Be Accepted by Fraternities.

Plans for the resumption of the five former fraternities on the campus were formulated at the Tuesday meeting of Inter-fraternity council. Representatives from Alpha Chi Nu, Delta Kappa Phi, Delta Pi Omicron, Sigma Mu Chi and Sigma Zeta Epsilon were present.

It was decided to hold rushing during the first week of March. Because of limited means of pro-

Men on the campus who are not affiliated with any fraternity, but wish to join one of the five fraternal organizations at the college are urged to fill out one of the survey sheets that will be available at several points about the campus today. These forms are to be returned to one of the boxes marked for this purpose, before 3 p. m. Wednesday, Feb. 6.

A further and more detailed announcement was made in chapel this morning. Remember—if you wish to join a fraternity, whether you have made a choice yet or not, fill out, and return one of these forms. This is the only way that inter-fraternity council can determine the number of men that plan to pledge.

viding a rush week resembling those of pre-war days, the council agreed to allow no formal rush banquets or parties. Articles will be carried in The Trail to acquaint the men on the campus with the history and tradition of each individual fraternity.

Inter-fraternity council welcomed back old members of the student body returning from the services of the armed forces. Included in this group were Bob Heath, Bob Maycumber, Julius Beck, Bill Madder, Art Hanson, Ritchie Cromwell, Frank Bainard, John Piper and Pate Pilate.

The council urges all men interested in affiliating themselves with one of the five local fraternities to fill out a survey sheet that will be available Monday and Tuesday of this week. The purpose of this sheet is to find out how many men are interested in pledging. From this data the council can make definite plans on how many men to accept.

## WSSF Drive To Be Held This Week

The World Student Service Fund Drive begins on our campus today and will extend throughout the week, closing on Feb. 9. General chairman of the drive is Virginia Norton.

World Student Service Fund meets the needs of students in other countries by rebuilding their universities and colleges and supplying material with which to study. It is a plan for student to student, professor to professor giving. Less than 2% of the funds raised go to operational expenses.

CPS's goal in this drive is \$500. Personal solicitation is in charge of Helen Strong and Dorothy Kostenbader. The slogan is: "Don't pass the buck—give it!"

The campaign will conclude with an all-college party Saturday night, Feb. 9. The party will feature dancing and a special program. The theme is to be "Around the World." Further details will be announced later.

Chapel programs this week will center around the campaign. In today's chapel the campaign was introduced by the theme "Students Around the World." Wednesday chapel will feature Troy Strong, who will talk on "Christian Giving." Jeane Thurber is to preside. On Friday, Colonel Ensley Llewellyn, former editor of the Stars and Stripes, will speak. He will be introduced by Bea Young. The SCA chapel on Tuesday will feature the debate squad, speaking on "student needs."

Faculty solicitation is to be handled by Dr. Martin. Dr. Tomlinson is the faculty adviser for

## Largest Enrollment For CPS Since 1939

Registration of 12 More Students Will Bring Student Body Up to Before-War Level; Men Outnumber Women Students.

With over 200 new students enrolled for the spring semester, the ratio of men to women is rapidly coming back to a peace-time basis. Nearly all of the new students are men and approximately 90 per cent of them are veterans attending college with the aid of the Veterans' Administration and G. I. Bill of Rights.

The total enrollment is over 680, with about 400 men and 280 women. This figure is nearly as high as that of the highest previous registration in the history of the college which was in 1939. At that time there were 692 students enrolled in the college and the ratio of men to women was 3 to 2.

### Large Number of "Ineligibles"

According to Registrar Christian Miller, "The population is a little different than usual because there is a larger proportion of married students, both men and women." It is reported that several co-eds went to see President R. Franklin Thompson about the situation, asking if they could mark the new men "eligible" or "ineligible" and upon further research it was discovered that 109 of the men are "ineligible."

### Powell Advises Vets

Dr. Raymond L. Powell, former CPS professor who has returned this semester, has interviewed about 200 returned G. I.'s, among them two "G. I. Jones," a Wac and a Wave. From his conferences with the veterans, Dr. Powell states that "for the most part they are serious-minded and intend to make the most out of their opportunity," and added, "I am very much pleased with the men and women I've talked with."

The majority of the men are

freshmen, while about 30 per cent of them have had previous college experience and about 10 per cent are here to take special or refresher courses and do not intend to graduate.

### Business Administration Popular Course

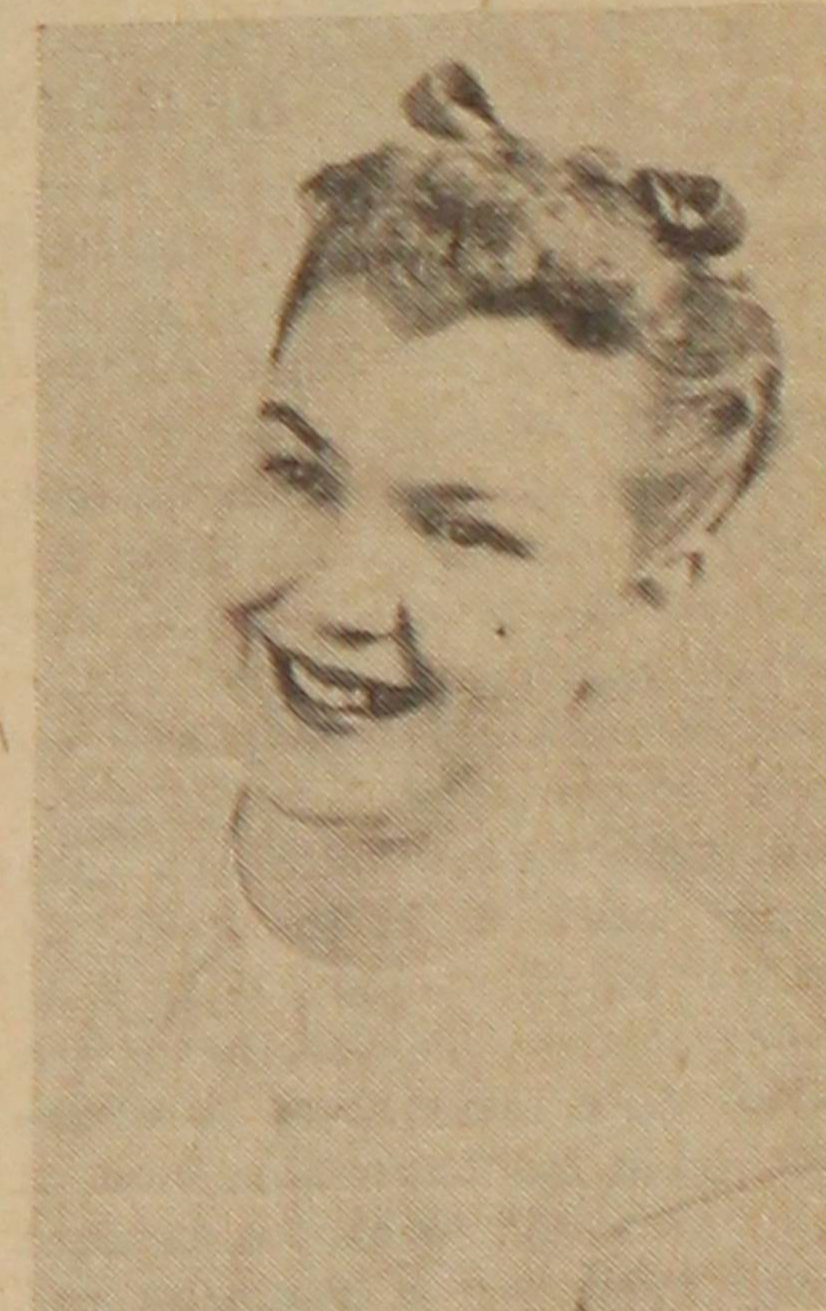

According to Dr. Powell, the largest percentage of the veterans are planning to major in business administration, with pre-professional courses next in demand. Pre-engineering is the most popular professional training. Many of the veterans have not decided on their majors and will take a vocational aptitude test to help them make their choices.

The men range from 20 to 40 years of age, but the average age is about 24 to 25. In the service they ranked all the way from privates and seamen 2/c to majors and lieutenant-commanders.

## New Campus Trio Member Now Chosen

Taking Betty Heidinger Smith's place in the Campus Trio is Frances Swenson, who will sing alto.

Frances, an Alpha Beta Upsilon pledge, is a member of the Adelphean concert choir and has sung in high school glee clubs and the Redmond church choir. She has had previous trio experience, having sung alto in a high school trio. A '45 graduate of Lake Wash-

## IRC Meeting Tuesday Eve

Mr. W. J. Peterkin, formerly with the United States Army in Communist China, will be the guest speaker at the next meeting of the International Relations club. This will be the first meeting of the new semester and will be held at the home of the adviser of the group, Dr. Warren E. Tomlinson, at 1414 No. 5, at 7:30 tomorrow evening.

The speaker has just recently returned from the Far East where he worked with the central government in China for a year, and then spent another year working with the Chinese Communists. He is at present teaching in the Puyallup High school.

Other meetings for the coming semester will be discussed at this meeting and plans will be made for a trip with the Student Christian Association on March 8, to International House at the University of Washington.

In charge of posters is Peggy Doubeck, while Jeane Thurber, Don Carsten and Mary Agnes Gallagher, are in charge of chapels, finance and the party, respectively.

World Student Service Fund Is Worthy Cause for College

At the present time students have before them two drives, one, the March of Dimes, and another, the World Student Service Fund Drive. Because the latter is taking place right on our campus, it is the one that merits the most attention from the student body and from the faculty.

President R. Franklin Thompson says: "I am very happy to indorse the World Student Service Fund as one of the outstanding contributions which students and faculty can make to the rehabilitation of our torn world. It is surprising how much a small amount of money can do in a foreign country these days to rehabilitate the lives of our colleagues in foreign universities. I sincerely hope the students in the College of Puget Sound will rise to this great challenge."

Perhaps one of the great commandments should be rewritten at this time to read as follows: "Give unto your neighbor as you would have him give unto you." This is the principle that should guide each person in his contributing to the drive. If one can only for a minute imagine himself in the other person's shoes he will realize just how much this student help means to those who will be benefitting by it, and will give accordingly.

OFF BEAT

By the EmCee . . .

Wednesday night should be a red-letter night on your musical calender, that is if you're at the Jason Lee Junior High Auditorium. The occasion is a one dollar program of Tacoma talent, and it will be doubly worthwhile because all the proceeds go for the current March of Dimes Drive. Great interest has been shown already, so you had better inquire about tickets early, although they will be available at the door. If the auditorium should overflow on Wednesday, you'd better be on the inside. CPS plays U. of B. C. the next night in basketball, and it would be tough to choose between a ball game and a command performance at Jason Lee. See?

College representatives on this program are Mr. Keutzer and the Puget Sound Symphony. The latter group makes its debut for the year then. Directed by Frank Anarde, there are now over 50 members. Two of their numbers will be the "Barber of Seville" overture and the "Prelude to Act III" from "Lohengrin."

The Ladies Musical club is presenting an important program at

2:00 on February 5. Our own Campus Trio will have half the program, and this is quite an honor. Congratulations, girls!! When do you pass the chocolates?

Hear ye, hear ye! The next radio broadcast by the college will be over KMO the night of February 12. Now that closed period is over, students will be able to appear. This particular program will be devoted to the accomplishments of our alumni in the fields of drama and music.

Lincoln's Birthday is on the 12th, you know. How appropriate that the Loggers can broadcast on the day Lincoln, the log-splitter, was born. Or was it rails? I raily do believe it was. Oh well, February 12 always was too close to Valentine's Day to have any significance for some people.

In case you haven't heard, the Adelphian Choir is going to make a spring tour of two states. This will be the first tour since the early war days and will come during the second half of the first

Last Monday morning bright and early, 72 bright faced coeds pressed their noses flat against the windows, nearly falling out, to look over all the cars and men who are new on the campus. For the dorm girls, as well as the rest of the dateless girls on the campus, it was a welcome sight. For the information of the veterans who are new on the campus, the phone number is PR. 2200 at the dorm. Just come up anytime and bring 71 friends.

Gwen Simmons is spending a couple of weeks in California for a much-needed rest. She is to be back at school a week from Monday.

The basement gang has made some changes. Marilyn Dunlap and Martha Wright have moved upstairs together and Gloria Beckerman is Janice Rea's new roommate.

They weren't passing the collection plate for Polio, T. B., or the Cancer Fund during finals weeks, but to send Thelma Hardy to the show. She had finished her finals and was determined to raise the roof off third floor if she stayed home. Everyone on third floor donated a nickle, breathed a sigh of relief and Hardy obligingly left for the evening.

Mrs. Schneider has had her daughter Rachel at the dorm for a few days and we find ourselves surprised at nothing we see on the floor in her office. Her three-year-old grand-daughter came, too!

Have you noticed how nicely Peggy Doubeck and Harold Murphy have been getting along these days? Everywhere you see one you see the other.

I have to study for one of my more interesting (?) classes, so this must end.

That's all for now,  
 D. D.

half of March. Forty voices will be taken on the trip, including that of the director. Chances are Mr. Keutzer's voice will not be very musical, though. He'll have enough to do with his "Do this, Leonard" and "Come here, Arthur" and "Don't do that, Netta."

A bus has been chartered and will take the choir along its more than 1300 miles. Religious and secular music will be in the repertoire, and 10 cities will have an opportunity to hear the Adelphians sing. It's only five weeks away now, and details like how long one can exist on hamburgers remain to be worked out. Incidentally, Music Manager Mary Ann Truitt is doing most of the worrying. Choir president Irene Fearn hasn't begun yet.

With the new semester came a lot of new male students, most of them with the good idea of wanting to further their education. With the old semester went a lot of old female students, but they don't give any reasons for leaving. They just look at you queerly and say, "Oh, I don't know . . ." All of that to say that Marian Syse is the new alto in the Harmonaires and Frances Swenson is the new alto in the Campus Trio. Marian takes Jo Gormley's place, and Frances takes Betty Smith's place.

Groundhog Day

Saturday, February 2, known throughout America as Ground Hog Day and sometimes Candlemas, is a day for weather prognostications.

From a very early date in the Christian history, the second of February has been held as the festival of the Purification of the Virgin, and is still a holiday of the Church of England. The popular name for this day, Candlemas, is derived from the ceremony which the church of Rome dictates to be observed on this day; namely, a blessing of candles by the clergy, and a distribution of them amongst the people, by whom they are afterwards carried lighted in solemn procession. The more important observances were of course given up in England at the Reformation; but it was still, about the close of the eighteenth century, customary in some places to light up churches with candles on this day.

There is a curious custom of old standing in Scotland, in connection with Candlemas Day. On that day it is, or lately was, a practice in that part of the island, for the children attending school to make small presents of money to their teachers. The master sits at his desk or table, exchanging for the moment his usual authoritative look for one of bland civility, and each child goes up in turn and lays his offering down before him. The sum is generally proportioned to

the abilities of the parents.

Sixpence and a shilling are the most common sums in most schools. Some children however, give half and whole crowns, and even more.

The boy and girl who give most are respectively titled King and Queen. The children, being then dismissed for a holiday, proceed along the streets in a confused procession, carrying the King and Queen in state.

Another old popular custom in Scotland on Candlemas day was to hold a football match, the east end of the town against the west, the unmarried men against the married, or one parish against another.

Considering the importance attached to Candlemas day for so many ages, it is scarcely surprising that there is a universal superstition throughout Christendom, that good weather on this day indicates a long continuance of winter and a bad crop, and that its being foul is, on the contrary, a good omen. "If Candlemas be bright and clear We'll have two winters in the year."

A more common interpretation of Groundhog Day, sometimes called Candlemas, has to do with the groundhog. If he sees his shadow when he comes up out of the ground, there will be a long winter ahead, but if he doesn't, spring is just around the corner.

Two Weddings Over Weekend Of Popular Coeds on Campus

Coming as a complete surprise to her friends at the college was the announcement of the marriage Saturday, Jan. 26th of Miss Charlotte (Polly) Plummer to Lt. Robert Leonard Medlock of the army air transport command, son of Mr. and Mr. Frendy D. Medlock of Tacoma. The ceremony took

place at high noon in the home of her parents, Mr. and Mrs. Donald Irving Plummer, with members of the families and a few intimate friends attending. No engagement announcement had been made previously.

There were spring flowers about the rooms, and officiating was Dr. Harold B. Long. Capt. Donald I. Plummer Jr., the bride's brother, was Lt. Medlock's best man, and his bride-to-be, Miss Roberta Matthews, also a CPS girl, served as Miss Plummer's only attendant. Given in marriage by her father, the bride wore a moss green tailored suit with brown accessories, a gray-green straw hat and she carried a white orchid on a prayer book. A brown and green wool tailored suit was worn by Miss Matthews, with a small rust colored feathered cap. Music was by Mrs. Edith Lundgren, harpist.

Present were grandparents of the bride, Mr. and Mrs. Howard Plummer and Mr. and Mrs. George Atkinson, the bridegroom's parents, Mr. and Mrs. Medlock, Mr. and Mrs. I. Vie Iversen (Frances Plummer) of Seattle, and Miss Nell Wilson.

Lt. and Mrs. Medlock then left for a few days in Oregon before he must report in Great Falls, Mont., for service with the army transport command this week, having completed his terminal leave. Mrs. Medlock will remain in Tacoma for her brother's wedding to Miss Matthews, Feb. 18.

The bride is a graduate of Stadium High School, attended the University of Oregon and was a sophomore at CPS.

Lt. Medlock had 17 months overseas service with the combat cargo

command in the Mediterranean, the European and the China-India-Burma theaters, taking supplies and paratroopers to the front lines. He had the Distinguished Flying Cross, an Air Medal with two clusters, the Purple Heart, two Presidential Citations and four battle stars.

McLorinan-Swanson

Pink and white carnations with greens formed the setting for the marriage of Miss Elaine McLorinan, daughter of Mr. and Mrs. B. McLorinan, to Ben Swanson, U. S. N. The ceremony was performed by Rev. Carroll Schuster, Friday evening, Jan. 25, at the First Presbyterian church, here in Tacoma.

The bride, given in marriage by her father, made a lovely picture in a gown of white jersey with fingertip length veil. Miss Lois McLorinan, sister of the bride, served as maid of honor, and bridesmaids were Miss Virginia Kilde, Miss Roberta Radke and Mrs. Ralph Millard.

Preceding the ceremony the candles were lit by Miss Mary Jean McLorinan and Mrs. Eugene McLorinan, and Miss Anita Stebbins sang, accompanied by Leonard Raver.

Clarence Swanson was best man for the groom and ushers were Cyril Swanson, Edwin Swanson and Carl Swanson.

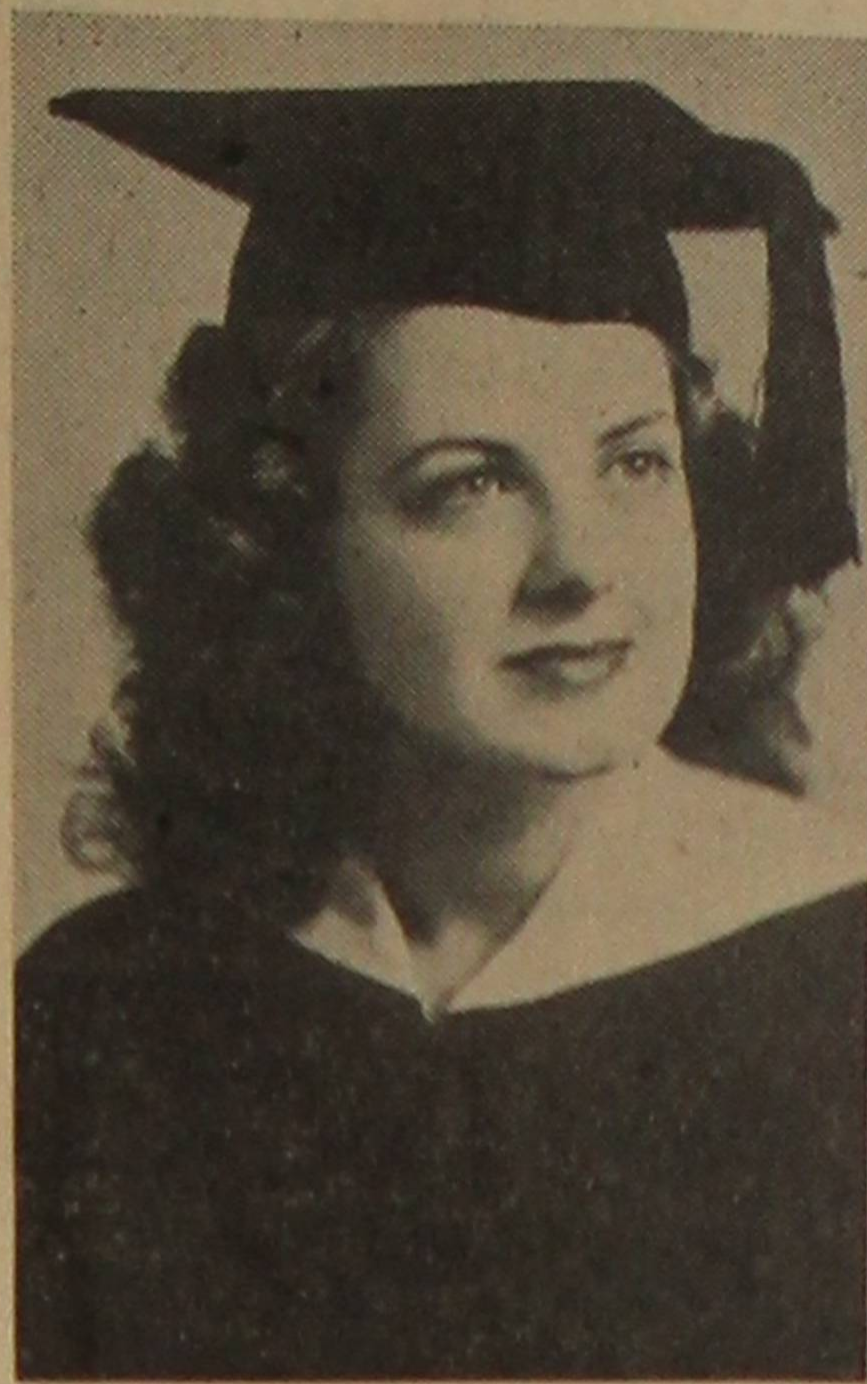

After the ceremony a reception was held in the church parlors. Mr. and Mrs. Swanson honeymooned at Longmire.

Mrs. Swanson is a member of Alpha Beta Upsilon sorority and will complete her year's work here at CPS. Mr. Swanson is serving with the U. S. Navy.

Carol Todd of Delta Alpha Gamma was recently elected president of the Inter-Sorority Council. Miss Peggy Doubek of Alpha Beta Upsilon retiring president.

### Kappa Phi Tea Held Sunday

Sunday afternoon members of Kappa Phi entertained at a rush tea at the SUB. Mrs. Bertha Robins, sponsor of the group, welcomed the rushees and inspired the members with her remarks. General chairman of this affair was Miss Helen Mahoney.

Assisting on the various committees were: Sara Mather, Gretchen Swayze, Margaret Van Amburg, decorations; Emily Harold, Clara Lewis, Shirley Kendall, Aleatha Mae Dietrick, refreshments; Jeane Thurber and Anna-Marie Vaughn, program; Evelyn Marshall, Beverly Johnson, Marilyn Wagnild, membership; Zelda Lay, music; Jacqueline Gibson, publicity.

### Spur Group Elects New Vice President

Dorothy Kostenbader was elected vice president of Spurs, national sophomore women's honorary, at a morning meeting held yesterday. She takes the place of Violet Hesse, who isn't returning to school this spring. Besides taking the president's place when necessary, the vice president has the important position of director of ushering.

Dotty hails from Sunnyside, Wash., and lives at Anderson hall. She is a member of Lambda Sigma Chi and was co-circulation manager of The Trail this last semester.

### Sororities to Have Open House Rush; Carol Todd, New Council President

Spring semester rushing for the four sororities on the campus will be, like the past year, short and simple. Open house will be held in the sorority rooms in the Student Union building, Wednesday afternoon, Feb. 13, from three until five o'clock. Because of the usually small number of girls to be rushed at this time this affair will be the only event. The rushees will then turn in their preferences to Mrs. Drushel before the following Thursday noon. Correct dress will be sport clothes.

All girls interested in going through rushing will have an opportunity to sign up next Monday and Tuesday, Feb. 4 and 5. A detailed announcement concerning women's rushing was given at Monday's chapel.

### Inter-Sorority Elects

Taking over the reins of the Inter-Sorority Council this spring is Delta Alpha Gamma's representative, Carol Todd. Assisting her on the cabinet will be Rosa Mae Monahan of Kappa Sigma Theta, vice president; Helen Miller of Lambda Sigma Chi, secretary; Midge Heidinger of Alpha Beta Upsilon, treasurer.

These offices rotate each semester alphabetically among the sororities; Beta, Gamma, Theta and Lambda. Beta representative Peggy Doubek is retiring president of the group.

### College League Meets at Dorm

The Woman's College League met Thursday, at 2 p. m. in Anderson Hall. The program consisted of three movies and songs by the Campus Trio, Virginia Kilde, Mary Jean Heidinger, and Frances Swenson, accompanied by Jeane Thurber.

Preceding the program, a business meeting presided over by Mrs. T. C. Rummel was held and afterward tea was served to members and guests.

Mrs. Locke Riehl is the program chairman; Mrs. R. Franklin Thompson, music chairman, and Mrs. D. L. Gillen, social chairman. Hostesses with Mrs. Gillen were Mesdames W. L. Brown, Sherman Day and B. B. Heuston.

### Studyisms

A little browsing through a small book called "Proverbs, Maxims and Phrases of All Ages" revealed the following which have to do with students and studying:

Some men grow mad by studying much to know,

But who grows mad by studying good to know? (This, incidentally, is a contribution of Franklin.)

He is the best scholar who has learned to love well.

Study makes learned men but not always pious and wise.

Business and action strengthen the brain, but too much study weakens it.

A scholar may be beguiled thrice, a soldier but once.

Climaxing a semester of servitude as pledges and a week of exams the four sororities and Alpha Kai Omega held rough initiation in the form of house parties the week-end before last. The fraternity's affair was Saturday and Sunday, while the sorority held theirs Thursday and Friday. These affairs are traditionally characterized by unusual garb and strange occurrences during the night.

### ALPHA BETA UPSILON

Thirteen pledges were initiated by Alpha Beta Upsilon in the gymnasium of Mason Methodist church. Pledges looked quite "unusual" and frightened as they walked to their destination. A dinner was served preceding the initiation activities of the evening.

tenson, Gloria Beckerman, Pat Dooley, Pat Gordon, Donna Bennett, Anne Evans, Ruth Ann Tregoning, Joyce Richardson, Joyce Hegg.

### KAPPA SIGMA THETA

Twenty-two Kappa Sigma Theta pledges were transported via truck to Lutherland on Lake Killarney for this sorority's rough initiation. Mrs. Marvin R. Schafer chaperoned the group, Sheila Lamar was general chairman and Alice Ann Cross served as pledge mother.

The following girls attended: Mary Lou McIlwraith, Marjorie Ness, Jane Hagen, Twylla Jones, Martha Wright, Gretchen Swayze, Jeanne Williams, Mary Wight, Doris Mitchell, Katherine Hultgren, Barbara Haslam, Eileen Boyd, Irene Kilduff, Delores Klamber, Beverly Tietje, JoAnne Stevens, Beverly Farrell, Jeanne Miles, Gloria Gipple, Helen Hewett, Mary Lou Henry, Shirley Anning, Sheila Lamar, Charlotte Coors, Alice Ann Cross, Carolyn Cummings, Janice and Margaret Lindeman, Marie Opsata, Mary Agnes Gallagher, Jean Hallen, Jane Parker, Jackie Moore and Helen Mahoney.

### LAMBDA SIGMA CHI

# SPORTS SPLINTERS

By HAROLD and NICK

Sighs and other audible detections of bliss were heard coming from the fair sex last Monday morning in upper Jones Hall. CPS had been invaded by not one, not ten, not even 100, but 147 new single male students. No sirrie, Monday was not a day of foggy-eyed coeds with trite dish towels adorning their heads, but rather a day to which all the female population of the school had been looking forward, one which demanded either Channell No. 5 or booby traps.

During those war years when the halls resounded with nothing more than women's shrieks — never any men's vituperations — the women could do nothing more than yearn. (Women never get too old to yearn.) Neither the lasses nor the OPA could undertake any project to acquire or replenish the vanished manpower.

Now men in a sufficient amount "to go around" have come back again to stroll through our halls, revive our classrooms, and bolster our athletics. They have returned with an urge to participate in the various activities of the college. Many of the new students have already fitted themselves in basketball togs, and many more, with the coming of spring sports, will take up the old rackets, irons, spiked shoes, and bats.

These discharges deserve a hearty welcome. They are entitled to encouragement. And they will receive both.

### Sportrait in the Spotlight

"Hey, what's the big idea?"

Such was the remark spoken by Marv Scott when he was coaxed to loosen up with a few facts about himself. But after he was given a gum ball, modest Marv — sturdy, stout, and strong guard of the Logger casaba five — came across with some information.

Marv, after graduating from Stadium high school in '37 where he played three years of basketball and baseball, enrolled in Washington State College and was active in athletics there until the war came along. He then enlisted in the Coast Guard and was sent to the USCG Academy at New London, Conn. After graduating as an ensign, he was assigned as a navigation officer to a cutter which operated in the South Pacific on anti-submarine patrol.

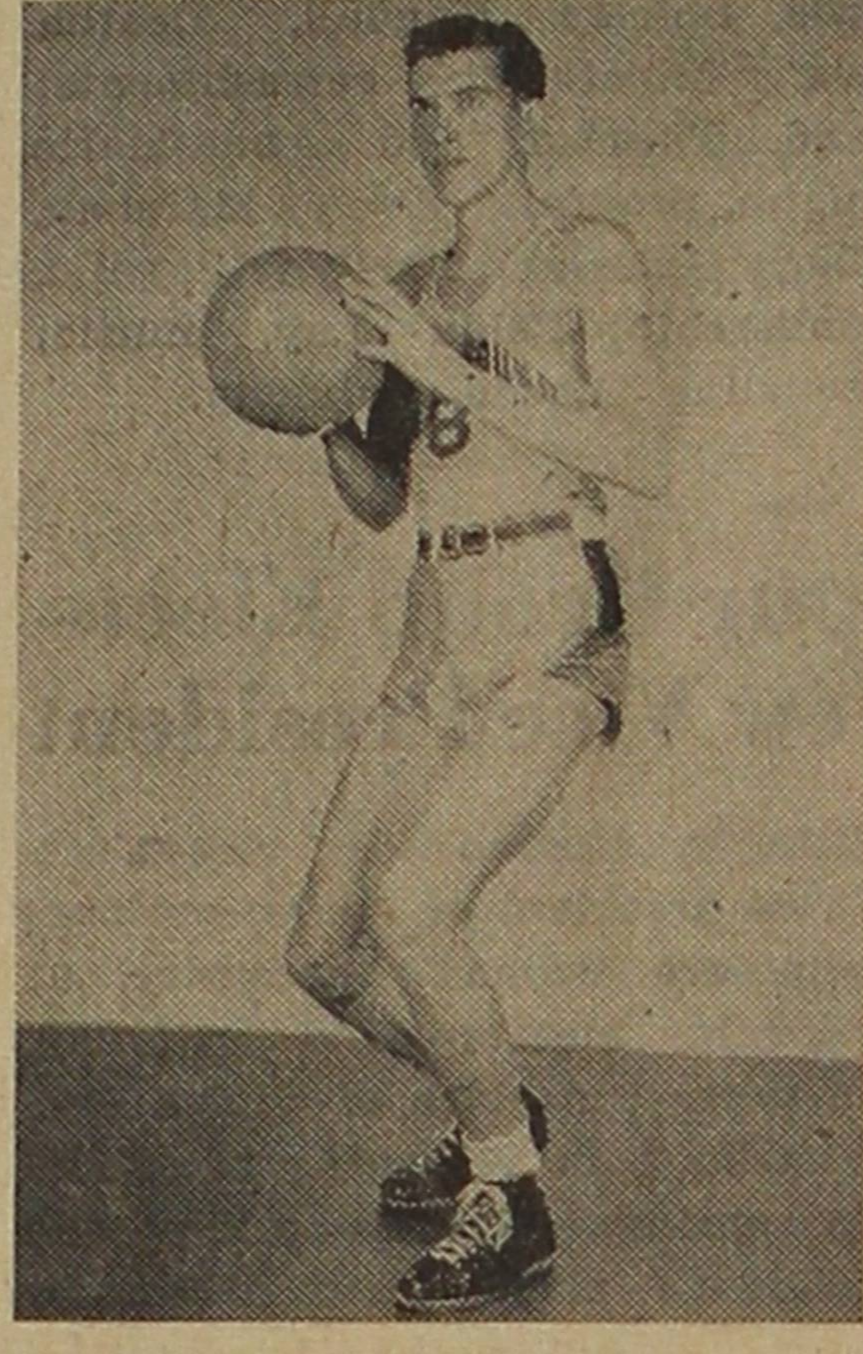

During his stay in the United States while in the service, Scott saw considerable basketball action on a Coast Guard aggregation which tangled with many other service teams as well as with the Harlem Globe Trotters on a few occasions.

Scott rounded off his remarks by saying that he thought the Logger coach, John Heinrich, is the best basketball mentor in the Pacific Northwest, and that much of the credit for the team's successes is due to his untiring efforts.

In June Marv will report to the Los Angeles Angels in the Pacific Coast League and start upon a professional baseball career.

## Double Victory Over Whitman For Loggers

A double victory of 59-51 and 68 to 49 over Whitman last Monday and Tuesday evenings in the CPS gymnasium soared the rampaging Loggers into a three-way tie for first place with Pacific University and the University of British Columbia in the tight Northwest Conference league.

BOB FINCHAM

Bob Fincham, rangy CPS center, piled up 19 points in Tuesday's battle.

The Puget Sound forces held a 36-26 halftime advantage, and the Lumberjacks, after permitting the Missionaries to reduce the deficit by seven points, forged ahead to increase the margin.

### CPS Atomizes Whits in Second Vie

In the opening contest between the Logger and Whitman squads Monday, the home quintet chalked up a 59-51 win, displaying brilliant and much improved ball handling and shooting.

Whitman took an early lead by dumping a pair of field goals and two foul shots, and retained the advantage for nearly half of the first period. The Lumberjacks found their range towards the end of the half and shoved into the lead to hold the long end of a 27-21 halftime tally.

Tom Loran, former Lincoln cager who, playing his first game in more than two years, contributed a couple of valuable buckets in the "clutch" and was effective on the back boards.

## Revised Eligibility Rules Enable Veterans To Play

Because of the inflow of new men students, many of whom intend to participate in college athletics, the eligibility rules were revised by the Pacific Northwest Interscholastic Athletic Association last fall so that they would be made more lax.

They are as follows:

1. High school graduation is not necessary provided that the student is enrolled for 12 hours and has been accepted in regular standing.
2. The six calendar year limit which prohibits a student to extend his athletic program over a period of not over six years does not apply to veterans.
3. A veteran who engaged in athletic competition while a member of any of the armed services, whether he represented a collegiate institution or not, shall not have such competition counted in the computation of his four seasons of varsity competition.
4. A student must have passed in two-thirds of his course hours in the last preceding semester.
5. Freshmen may play on the varsity team.
6. Any student who followed an accelerated program and completed

the requirements for a degree in less than three calendar years may play a fourth year of varsity basketball even though he is taking post-graduate work.

7. Transfer students may play varsity ball the first year, except against the school from which they transferred, until 1947-48.

C. P. S. Coach John Heinrich expressed his desire that after the publication of these new revisions which might have at first puzzled the returning veteran or new student, many more Logger men would turn out for basketball.
